Volunteer Assistance

We are a fully volunteer-run organization and need support from all members to deliver the bowling experience we have all come to enjoy. As a result we need each member to volunteer their time to support the various activities required throughout the bowling season.

Responsibilities include snack preparation, cutting grass, green dew removal, green cover installation and removal, painting, rink setup and teardown before and after play, tournament support, Board of Director member, etc. Thank you, and we look forward to seeing you for the 2024 season!
