### **PSED**

- \* Talk about the changes in the environment, what is happening to the plants, flowers, trees and weather
- \* Talk about new life, mini beasts and baby animals.
- \* Talk about how we are kind to trees and plants and we don't pick wild flowers because the bees and butterflies need them.
- \* Talk about what plants needs to grow

### **Literacy**

- \* Write Spring words to add to your drawings and colouring pictures
- \* Look at gardening magazines (if you have some)
- \* Read the story Jack and the Beanstalk or look at the story being read on YouTube
- \* Look at the Tiny Seed by Eric Carle (YouTube)
- \* Share Spring and mini beast related stories both fact and fictional
- \* Draw pictures of a flower and label the parts

### **Communication and Language**

- \* New language, bulbs, seeds, compost, roots, stem, leaves, pollination
- \* Look at and read spring themed books both fact and fiction, the Tiny Seed by Eric Carle on Youtube
- \* Talk about the changes in the environment and talk about new life, baby animals and what plants need to grow
- \* Sing the planting songs and rhymes Nicola put on Facebook.

# Spring and Growing Home Learning

**Expressive Arts and Design** 

- \* Make blossom pictures with tissue paper and twigs
  - \* Make daffodil pictures with paper and egg cups
  - \* Gather daisies, grass, leaves, and petals to make nature pictures
  - \* Make Spring Chicks with toilet rolls
  - \* Make lamb pictures with cotton wool
  - \* Draw pictures of flowers/ colour in pictures of flowers
  - \* Make a bee with paper plates and paint or coloured card
  - \* Look on Pinterest for more craft ideas
  - \* Rainbow pictures

### **Physical Development**

- \* Gardening sensory tray with compost, gardening tools, pots, seeds/beans and labels
- \* Take a walk to the walled gardens and woods to look at new plants growing and blossom on the trees
- \* Puddle Jumping
- \* Make daisy chains
- \* Collect things to make potions and perfumes with such as petals, water and leaves
- \* Prepare the vegetable patches and butterfly garden, dig over, weed, plant seeds and water with watering cans

# **Understanding the world**

- \* Plant seeds ready for the vegtable patch and butterfly garden
- \* Talk about what a plant needs to grow
- \* Grow beans in jars and watch it shoot, root and grow
- \* Look for plants outside and look them up on the computer
- \* Look at pictures of the types of plants, mini beasts, trees and baby animals.
- \* Look at a life cycle of a seed on YouTube
- \* Talk about spring time and the changes to our environment
- \* Talk about the different weather we have in spring, hot sunny, raining, rainbows

## **Maths**

- \* Measure the plants we grow
- \* Compare sizes of plants and animals
- \* Grow plants and measure and chart them
- \*Play a number sorting game where beans/seeds are placed in numbered plant pots
- \* Number stones/pebbles and hide them in the garden to find
