## **WELCOME TO ONE OF THE FINEST NAVY JROTC PROGRAMS IN THE NATION!**

We are so excited to welcome cadets and parents to Hillgrove's Navy Junior Reserve Officers' Training Corps (NJROTC) program for the 2022/2023 school year. You are joining a nationally recognized NJROTC program; "Distinguished Unit w/Academic Honors" eight years in a row as one of the top programs in the nation. We look forward to you helping us build upon our units many successes this school year.

Our program provides cadets the opportunity to grow and develop as individuals and leaders. Our efforts focus on cadet academic success, leadership development, teamwork, and school/community service. This is accomplished, in part, through academics, military drill, and physical training. There will be numerous opportunities to participate competitively against other NJROTC units across the state of GA and the nation, in academics, air rifle, athletics, drone, military drill, and orienteering. We also participate in numerous community service events, parades, and color guards for local school, government, and civic organizations.

To reinforce classroom learning within NJROTC, cadets will also have opportunities to participate in orientation trips to military bases and other historical/educational venues. In previous years, we have visited Los Angeles, CA, San Francisco, CA, Washington D.C., Seattle, WA, Jacksonville, FL, Charleston, SC, Orlando, FL, Phoenix, AZ, Pensacola, FL, Dobbins Air Reserve Base, the National Infantry Museum, and many others. Potential trips this year include, Chattanooga, TN, Charleston, SC, Pensacola, FL, Jacksonville, FL, and New Orleans, LA more. There are also opportunities to attend various summer leadership trainings and camps, such as Orienteering, Sail Academy, and Leadership Academy, and Air Rifle. Finally, cadets will participate in an Annual Military Inspection and Pass-in-Review Ceremony, Military Ball, and End-of-Year Awards Banquet.

With all the NJROTC program offers, we cannot do it alone. First, we ask that each parent become an active participant in our unit's Cadet Parent Organization (CPO) Booster Club. I believe you will find it very rewarding to participate and watch your student cadets grow with us. Second, the cost for being in the Navy JROTC program is minimal compared to the valuable experience these cadets receive; this includes the cost of athletic gear for new cadets and an additional activity fee to be paid by all cadets to the Hillgrove NJROTC program to assist in making all the activities described above possible. We will conduct fundraising events throughout the year, but activity fees account for a significant portion of the funds needed for our program each year. Your involvement and contribution will help us to provide the best possible experience for our cadets.

Thank you in advance for your support and welcome aboard!
