

Sight and Hearing Report September 2019

Hearing Aides

Medicare is now covering 1 hearing aide, however we have found the reimbursement is very low and a lot of paper work. This may not be the solution we thought it was.

Screening trailer

We are still looking for a driver for the large screening van. The small vans are filling. We are screening 30,000 kids per year, so this is a very important program.

Hearing Program:

Received Apps: 14

Completed Patients: 15

Number of outgoing aids: 27

Patient Care Grants:

Incoming Apps: - 0
