Country music covered by the blood of Jesus

WHO IS SHELLEM CLINE

Shellem Cline is a national award-winning artist with a desire to share the Love of Christ with the world. Born in North Carolina, Cline grew up singing with his family, The Gilbert Family, traveling locally. When his grandfather was diagnosed with Crones disease, the family left the road but Shellem continued to pursue a solo ministry. Since then, Shellem has seen a major growth within his ministry and has become a household name within the Christian Country genre. Shellem has stated on several occasions that seeing souls saved is his number 1 priority and every time he stands to sing, winning souls is his ultimate goal. Since going full time in ministry, Shellem has seen over 200 souls come to know Jesus Christ!

ABOUT THE MINISTRY

Shellem is not just another artist, but many have called him a music evangelist. His unique style combines Christian Country music along with comedy and his own personal testimony, to create a service that will inspire and encourage the believer. Every song that Shellem performs has a message and a story and they all come together to form a dynamic time of worship sharing the love and hope of Jesus Christ. In every service, Cline shares his own testimony on how at the age of 31, a heart attack, lack of blood and what was thought to be cancer was trying to end his life, but he explains how God healed him of that and how God has worked through his life since these trials. With Shellem Cline in a service, You are not just getting a “Christian Singer” but you are getting music and testimony that has proven time after time to reach the heart of congregations across the country and can lead the unbeliever to Christ. Many times Shellem has stated “I am not an Entertainer, Im just a proclaimer of how good my God is and if one soul is saved and a heart encouraged, then it is worth every mile.”

Since beginning his full time ministry in 2015, Cline averages 150 dates a year nation-wide in not only churches, but venues like auction houses, campgrounds, fairs and festivals and senior centers. While Shellem loves sharing his ministry with churches, it is his desire to reach an audience that may never step foot inside the church as well. During COVID-19, Shellem took a look back and has went “out of the box” when it comes to reaching folks. He has began working on “Drive-IN” Concerts and several outdoor events. Whether your service is indoor or out, you can guarantee that you will receive the exciting Christian Country tunes, hilarious comedy and the heart wrenching testimony that Shellem is known for.

Reviews

Wow! What a service. Shellem not only brought great music but he even started preaching! God is really using this young man- Rev. Johnny W. (Winder GA)

I am not a Christian Country fan, but I must say Shellem has changed my mind. He is not a performer, he is a minister and the service was not about "look at me" it was all about God. - Rev. Daniel B. (Jenkins, KY)

Our Youth and Adults loved him! His stories, his songs and even the comedy had the whole congregation engaged the entire time. - Bethany R. (Music Director Westminster, SC)

We have concerts four times a year at our church and have had some of the biggest names in the industry, but we have never had a service like we did with Shellem. It was truly a service! It was just worship! My Adults, and youth loved him and I have had to promise that will have him every year! Rev. Tommy S. (Scottsboro AL)

"Shellem Cline caught the attention of my youth, while stealing the hearts of my Senior Saints! What a young man! My church is still talking about him!" - Rev. Tom R. Greenwood, SC

"Shellem is the best! I saw him at a concert in Troutman, and had to have him at my church! What a service in both places, such excitement and passion he shows for the Lord"- Rev. Harold T. Harmony, NC

"I pastor a traditional Baptist church that averages 250 people as well as a Cowboy church that averages 100. Both churches are unique and very different but both fell in love with Shellem. He reached out and caught the attention of the cowboy as well as the contemporary lover and never left the Christian Country genre. What a service and yes they demanded that he come back and has come every year! I strongly recommend Shellem Cline to anyone! - Rev. Wesley Thomas Sanford, NC

Shellem came to do a drive-in service during the pandemic and I must say I was a little skeptical with all that was going on. He shared his music and comedy but his testimony had everyone crying. It was a great time of Worship and the way he opened up and explained what God did in his life was astounding. I strongly recommend any pastor that wants their church to get on fire for God to invite Shellem to a service. I promise you will not be disappointed.
(Brad- Baptist Network Director- SC)
