## REVIEWS OF SHELLEM

*Wow! What a concert. Shellem had the attention of everyone in my audience. He was a major hit. His music was state of the art. My church loved him- **Johnny W. (Winder GA)***

*We did a special community event and hired Shellem for Entertainment. Everyone fell in love with him. The kids thought he was cool and the older ladies wanted to take him home. He will be a yearly event – **Daniel B. (Jenkins, KY)***

*I brought Shellem in for our Apple Festival Gospel Stage and immediately he became the headliner. We announced he was coming and I received phone calls like crazy. He performed for an hour and a half and the crowd was huge. Usually, most people walk around for the festival and average about 50 people that sit and listen to the performers. The whole time people kept stopping but I would say that he had at least 250 sitting during the entire performance. I had so many compliments about him and so he is the headliner for both our Apple Blossom and Apple Festival that we hold every year. **(Gina K, Taylorsville, NC)***

*“Shellem was a recommendation from a friend to do a Sunday night community concert at our church. We had several members of the community and the church was filled. They loved his comedy and he has become a yearly tradition! **(Eric, Boaz, AL)***
