

Disney World Restaurant Challenge

This challenge started because my friend on my last Disney trip asked me if I had a checklist. I was like a checklist? He was like yeah, a check list of all the Disney restaurants. His wife has a list and they check off every location they go to. Now I'm not sure if he meant all of the food carts and resort restaurants, but since Disney Food Blog had such a comprehensive list, I figured why not. So I made it in more of a checklist format. This list is updated as of 4/3/2019.
