14 Ways to Boost Your Confidence WORKSHEET

Confidence grows through a series of experiences and challenges over a lifetime.

Each day, you are given several opportunities to build your confidence through uncomfortable situations, difficult conversations, and moments of stress. It is your *reaction* to these opportunities that determines your strength, resolve, and courage.

Through practice and preparation, you really can boost your confidence!

Review these 14 self-reflection questions below:

2. How does m	ıy body langu	ıage paint a	vivid pictur	e of my confid	lence?

·	oositive affirmations and motivational quotes do I rely o	<i>7</i> 11
