President's Post Event "Thank You"

Dear Founder President, Former Presidents, Advisors, Executive Board Members, Members and Families

Namaste,

Pun Samaaj UK has recently organised a 14th Annual Get together Party on Sat 14 May 2022 after 2 years impact of COVID - 19.

From my prospective, it was a grand successful event. Everyone else had enjoyed so much. It happened due to your and team's hard work, effort and cooperation.

The programme provided an excellent opportunity for meeting and greeting, exchanging and sharing of feelings amongst the members and families.

I really appreciate for your immense advice, help, contributions, hard work, creativity and productivity.

You all did everything for the community which makes and brings a little difference.

If you missed out or couldn't attend the event please [click the link](#) in our website. Mr Arjun Kumar Tilija prepared newsletters, videos and photos in the website.
