THE YEAR**

NOOSA LIONS

THE CLUB

PARTNERSHIP OPPORTUNITIES

Established in 1973, Noosa Lions Football Club has grown to be the largest football club on the Sunshine Coast. In 2021 there were 693 registered players, competing in 74 teams, with both male and female members aged from 5 to 80+ years old.

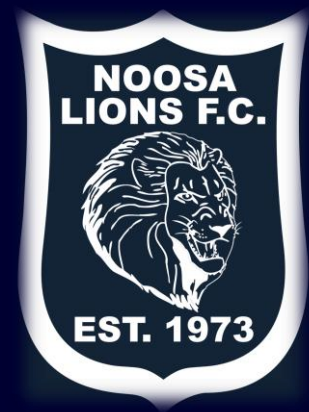

2021 was a highly successful year for Noosa Lions, winning Champion Club for the Sunshine Coast and the Football Queensland Community Club of the year. This prestigious award was a first for a Sunshine Coast Club and was presented to President Brian Stockwell at the City Hall awards dinner.

In 2022 the club again partners with Technical/Academy Director Craig Goodall who will be heading up the Academy program which will offer our junior members the opportunity to receive additional training in both and development and elite programs.

On a weekly basis the club welcome teams from all over the Sunshine Coast from as far afield as Bribie Island to Maleny to Gympie.

In 2022 we envisage our club to grow to 720 members. Your brand exposure and ability to reach thousands of Sunshine Coast residents each week is without a doubt one of the best investments you could make for your business. Packages can be adjusted dependent on needs and tailored to budget.

2022

700 members

550 junior members

from 5-18 years

150 senior member

2 x Womens Teams
