

# INSPIRE, TRAIN, AND RETAIN TEACHERS

with LEILANI BARNETT

***Start the year off right with  
Leilani's Keynote Presentation—  
“A Magical Year for Teachers”***

Leilani welcomes teachers to their best year of teaching ever with truly life-changing concepts that help educators of all subjects tap into the power of their minds—concepts they can then pass down to their students to increase achievement in all areas of academia and life! Leilani inspires teachers to embrace their six higher mental faculties—imagination, perception, intuition, will, memory, and reason, and in doing so guarantees your faculty will be happier and more successful in their classrooms than ever before!
