Chairman's Message

It gives me great pleasure to give you the details of our 2023 events. I hope that you will all find something of interest in the planned events and that you will support your Centre.

The year 2022 was not the easiest, and the current pressures on household budgets and rising fuel prices have meant that your Committee have been ever mindful to offer value for money when planning the 2023 programme.

This year there have been some welcome changes which, I feel sure, will strengthen and add to the work of the West Dorset Centre. I am pleased to have been able to welcome two new Committee members, Jon Cottee and Dave Craft, both are experienced ralliers and have already presented new ideas which will develop the services which we offer. You might know that Jon has started a Facebook Group called West Dorset Caravan and Motorhome Club 22, This is a group which will give you the latest information about the Centre and about our events. I would encourage all our members to log onto the Facebook website and join our group.

Your Committee is also aware of the difficulties which some members have when using our website. It has been agreed that a professional company will be designing a new website which will be operational in the New Year. On our new site you will be able to see the availability of places, book and pay for events and then get an automatic confirmation of your booking. I know that some members are not able to use the online site, so we will still have a printed copy of the programme available for them to complete the booking form and send by post, as they do at present. Please remember to tick the West Dorset Centre box when you renew your membership, this isn't done automatically and is the only way you can retain your membership of our Centre.

During the past year my wife Val and I have represented the Centre on the Southwest Regional Committee. Through this Committee we can put your views and suggestions forward for onward transmission to Head Office. Should you have any comments or suggestions that you would like to be passed on please let me know. We have also been able to help organise our section of the national rally, called Clubfest, where more than 2,500 members come together for three days of music, activities and fun. Tickets for the Clubfest, which this year is being held in Northamptonshire from 26 to 29 May, will sell out early. If you are thinking of going, please book soon and ask to be located in our regional section.

Finally, I would like to thank all of those members who have served on the Committee and those who have marshalled events during the past year. Our Centre depends on volunteers to keep things going and, without those volunteers, we would not have a Centre. Please support our events either by attending or offering to marshal them. I hope to meet as many of you as possible during the coming year and wish you and your families a happy and prosperous New Year.

Graham Brown
Chairman - West Dorset Centre

This amount will be deducted from the cost of the event. Your deposit can be paid by cash or cheque to the marshals, or by BAC's transfer
5. Cheques must be made payable to: 'CAMC – West Dorset Centre' and not to individuals
6. Please ring the event marshal to ensure there are spaces available and address for booking slips to be sent to, before sending a booking slip and deposit
7. When booking tickets for social events, please remember children aged 15 years and over are classed as adults
8. Members booking onto an event, particularly if a meal is included, will be held liable for expenses incurred on their behalf if they fail to attend

PLEASE NOTE: Events held on commercial sites may attract full payment before the event commences. This is not a West Dorset Centre rule, we are governed by the site owners and the contract we have entered into with them. Most commercial sites require the final numbers at least 10 days prior to the start date of the event. After this time should you cancel, the site will expect full payment from the Centre. You are therefore liable for this payment. If you have not made a payment before the event and the Centre has to pay for a pitch because you have cancelled, the Treasurer will send you an invoice for the amount.

Event marshals will always try to avoid paying site fees for cancellations by talking to the site owners to see if the charges can be waived.

When you send your booking slip in you sign to say:- *I accept responsibility for expenses incurred on my behalf should I not attend*

HAVE YOU BEEN ON AN EVENT YET? YOU DON'T KNOW WHAT IT IS?

It is simply a gathering of Caravan and Motorhome Club members, for a weekend or holiday, to promote friendship, pursue many pleasures and pastimes in a light hearted manner, and have some fun along the way. You should never feel obliged to join in anything which does not interest you.

The event marshal is an ordinary member who volunteers to organise and run the event. This usually includes liaising with the land owner, signing the approach to the event field and making sure there is a fresh water supply, facilities for the disposal of waste water, toilet emptying and containers for the disposal of general rubbish.

Event marshals may arrange a social on a Saturday evening, which is family orientated. It may include games for the children or dancing for all ages and during the summer, perhaps a BBQ on the field.

The event usually starts at noon unless stated otherwise; this is to allow the event marshals sufficient time to prepare for the event, so please do not arrive before this time.

On arrival at the field please stop at the event office, where you will be given information on the event programme and simple advice on local amenities, restrictions and arrangements for waste water etc. Towards the end of the event, Centre News Update will be held, for people to gather together to welcome any visitors and new members, announce forthcoming events, hear the results of any competitions and extend thanks to those who have run the event.

For non commercial sites you will need your own toilet with a water container to fill it (toilets **must never** be taken to the drinking water tap as this is a serious health hazard), a waste bin for dry waste and simple wooden wedges and blocks which may be required for sloping fields.

The field is marked out to ensure there is ample spacing between caravans and a pleasing appearance.

it is intended that the front offside corner of the caravan is on the marker and the owner's car is parked along the offside.

PLEASE NOTE: The speed limit on the event field is **5 MPH**

Photographs may be taken to publicise media images of events to all members of the Caravan and Motorhome Club and the public, via the internet and publications. If you do not wish a member of your family to be included in these photographs please inform the event marshals.

ALL PERSONS ATTENDING EVENTS AND SOCIAL GATHERINGS DO SO ENTIRELY AT THEIR OWN RISK. NO RESPONSIBILITY FOR PERSONS OR PROPERTY IS ACCEPTED BY THE ORGANISERS OR THE CARAVAN AND MOTORHOME CLUB.

The personal data you provide is collected and processed for the purpose of the inclusion and publication of the West Dorset Centre event book. We assume any personal data you provide relating to other individuals is done so with their consent.
