

How to get your private pilot license

- Contact a flight school
 - ✓ Costa Air Service, 7N1, 607-962-0053, www.CostaAirService.com
- Register to become a student pilot with a flight school
 - Register and confirm with [IACRA](#)
 - Bring driver's license, passport and/or birth certificate to flight school for ID
- Begin your flight training!
- Make appointment with an AME (aviation medical examiner) for your third class medical certificate
- Acquire airplane renter's insurance that includes at least \$40,000 in hull coverage
- Fly solo!
- Take your written knowledge test
- Take your oral knowledge and practical check-ride test
- Congratulations—you're a private pilot!*
