**EXAMPLE:**

***Blue eyed Frank found his way to my kennel when he was a year old. I had no idea how much this dog would add to my life. Frank has natural feel for stock and a kind way about him. He continues to amaze me with his powerful presence and brilliant mind. He usually knows what I am thinking before I do. He is used on the ranch and travels to trials. He is able to work both sheep and cattle with quiet power and feel. He is such a team mate, always wanting to please.***
