ZION BAPTIST CHURCH RE-OPENS

Praise the Lord that we were able to re-open our church and student Center after almost four months of Lockdown due to Corona Virus Pandemic.

Thank God for wisdom and strength in helping us met the Requirements and Guidelines imposed by the Municipality of Pak Kret before we can re-open.

Thank God for working in the hearts of His people. There were twenty of us who came during our first Sunday, July 12, Worship Service.

Everyone was excited in sharing what they did during Lockdown. One said, she has learnt to trust God to supply her needs every day. Another one said, "I have more time to take care of my family."

It was a blessed time hearing Christians testify how God helped them in those times of chaos and lockdown.

Praise God, Christians are attending Worship Service regularly now.

Please pray for 2 unemployed members to land a job soon.

Testimony and Sharing time

Level 4 students

Thank God for bringing back our students to study English with us although only few of them are back. Please pray for those who are not back yet. Thank God for one new High School student. One of our students invited him to learn English in our center. Please pray for his salvation.

Three from these five students are already Christians. Please pray for the salvation of Kim and Phookun.

Please pray for safety for everyone. We are strictly observing social distancing, sanitation, facial mask/shield and taking of body temperature.

Thank you, Prayer partners and churches for your continued support for Missions here in Thailand.
