SHEMEN AMOUR – The Company

Our company was founded in Israel in 1994 as a leading manufacturer of high quality cosmetics. Over the years, we refocused our efforts on R & D and developed the Shemen Amour Dead Sea line of facial, hair and skin care products for women and men.

Shemen Amour, a high quality and widely respected international brand, has created over 300 products that are rich in healing and holistic minerals from The Dead Sea as well as Natural Oils, Herbal Extracts, Multi-Vitamins, Hemp Oil, Hyaluronic Acid, Gold Powder, Argan Oil, Shea Butter, Anti-oxidants, Pro-collagen, Dead Sea Mud and other natural ingredients that produce products which encourage skin cell renewal, provide anti-aging benefits, nourish, moisturize and promote overall healthy skin.

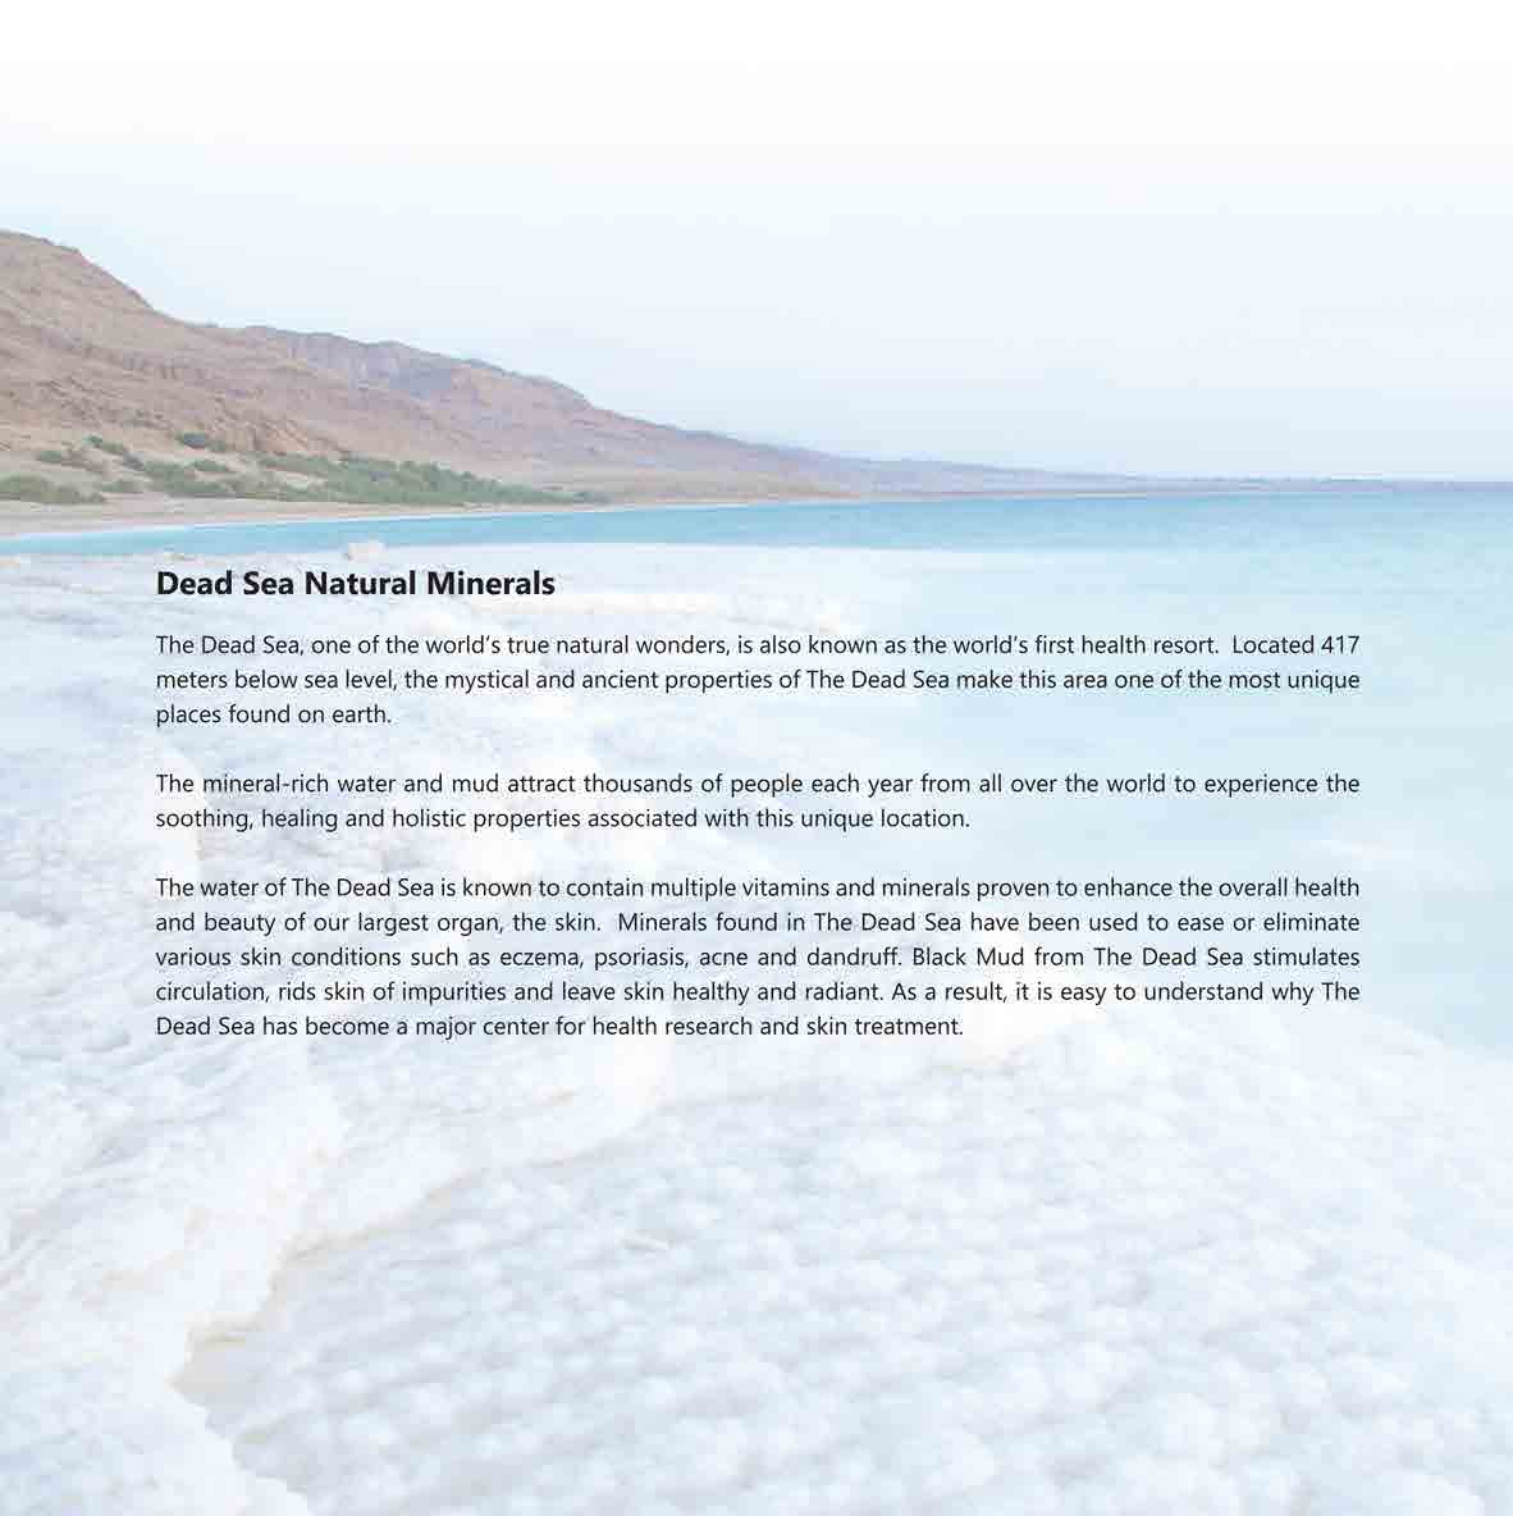

Shemen Amour is licensed by and adheres to the strict guidelines set forth by the Israeli Ministry of Health and the United States FDA. Our products are manufactured in Israel in a GMP and ISO manufacturing facility which guarantees the highest levels of quality control and product quality available and meets all international standards. All products offered by Shemen Amour are certified Original Dead Sea Products, are 100% Cruelty-Free, SLS-Free and Paraben-Free.

About Our Name

Our company name, Shemen Amour, is a loose translation from Shemen H'Amour meaning women's cosmetics, as referenced in the scroll of Ester in the Holy Bible. Shemen means Oil and H'Amour means Myrrh or "Oil of the Myrrh". Myrrh has been used throughout history as a perfume, incense and medicine.

Service Declaration

Shemen Amour is committed to providing the best possible service, quality and value with the same integrity, honesty and passion that goes into our products. We strive for excellence while exceeding our customers' expectations.

Dead Sea Natural Minerals

The Dead Sea, one of the world's true natural wonders, is also known as the world's first health resort. Located 417 meters below sea level, the mystical and ancient properties of The Dead Sea make this area one of the most unique places found on earth.

The mineral-rich water and mud attract thousands of people each year from all over the world to experience the soothing, healing and holistic properties associated with this unique location.

The water of The Dead Sea is known to contain multiple vitamins and minerals proven to enhance the overall health and beauty of our largest organ, the skin. Minerals found in The Dead Sea have been used to ease or eliminate various skin conditions such as eczema, psoriasis, acne and dandruff. Black Mud from The Dead Sea stimulates circulation, rids skin of impurities and leave skin healthy and radiant. As a result, it is easy to understand why The Dead Sea has become a major center for health research and skin treatment.
