Visitors:

1. CALL TO ORDER ROLL CALL

Meeting called to order by Chairman Donn Thane at 10:05 AM via Zoom teleconference Attendance as indicated above.

2. AGENDA AND ORDER OF BUSINESS

ET Questioned the approval of a new contract for the Executive Director in the face of legal issues recently identified. HW explained that the Interim Contract to be addressed would allow FSC to pay the Executive Director in compliance with recent negotiations, and therefore avoid negation of those agreements. ET objected to this decision. RN reminded ET that he had joined the unanimous decision of the Board in the June Board Meeting for the process of addressing the mentioned legal questions that had been raised. ET questioned if FSC legal council will be in the meeting. EDJ explained that he would not be in the meeting, but that the agenda had been developed with legal counsel to address the questions in the two items following on the agenda.

ET stated he would rather hear what was going on with the County and legal questions.

RN called a point of order, stating that that is not on the agenda.

HW suggested that the information ET was requesting would be in items 4 & 5 on the agenda and asked if he wanted to propose that the order of these items be changed.

EDJ pointed out that the first order of business was Public Comment and that Ms Siegenthaller was present on the meeting and time should be made available for comment if she desired first before any other business.

3. PUBLIC COMMENT

Ms Siegenthaller inquired of the Board if FSC was preparing a response to her Email to the Board. EDJ stated that Council had indicated that FSC should not answer any questions about that at this time. Ms Siegenthaller made a statement concerning her intentions for potential legal actions against FSC.

DT indicated that the Board would address her issue and respond by the end of August or sooner.

4. APPROVAL OF NEW CONTRACT WITH THE EXECUTIVE DIRECTOR

DT questioned if any of the Board desired to change the order of business as indicated above. No motion was presented. HW moved to approve the Interim Contract as presented, Seconded by DW. Roll call vote. Yes: PW, SH, RN, TM (by phone), WK, DT. No: ET.

4. UPDATE TO BOARD OF DIRECTORS ON COMMUNICATION WITH COUNTY OF NEVADA

RN reported that the in response to allegations presented to the Board, FSC would hire a third party to address those allegations, and come back to the Board with a report on those allegations. Those findings would be shared with the County in both a written report and a formal meeting. RN stated he had discussed this with County staff and they indicated this was acceptable.

ET asked about the County concerns about in the information supplied to them in the letter.

EDJ stated that the County indicated that most of the issues were FSC Board issues, and that the County was only concerned with issues mentioned with the Ponderosa Project. They indicated that they had not contractual interest in

other issues but were appreciative of FSC sharing the issue with them and hiring an outside contractor to address it. EDJ further stated that the County is already doing a detailed internal audit on Ponderosa, and she has been working with them to provide all information to aid that process. They did want to see the 2018/2019 FSC audit management report which is in the current meeting packet.

EDJ indicated that the Board would have to approve this audit report, and that had to be communicated to the auditor for them to finalize the audit. Only then could it be presented to the County in a formal letter. That same response will go to Susan McGure.

HW pointed out that Board approval for this Audit is not on the agenda. HW moved that this Audit be accepted by the Board for Approval. Seconded by DW. Voice vote: Yes: PW, SH, RN, TM, WK, DT, TM. Abstained: ET.

The acceptance of the request for Board approval was added to the agenda.

DW presented a brief verbal review of the management comments in the audit report to ensure the Board is updated on these items. Auditor specifically identified several mistakes made by the bookkeeper and DW helped correct them. DW also cited a mistake made by previous management in classification of a retirement account that was identified and corrected. Another major item was the Individual Retirement Account developed by a previous Director and adopted by the Board of Directors. This account is described in our employee manual. DW moved that the Board accept the Audit as presented. This program is over a decade old and is being revised by our Executive Director and will be brought to our Board as soon as possible. All incorrect deposits for employees were terminated earlier in 2021. Several other issues of this nature have been identified and are being brought into compliance. As for the audit itself, FSC has a clean audit. A copy of the audit report will be included in the information for the next Board meeting. HW moved that the Board accept the audit report as presented, so that the audit can be finalized, published and passed along to the County. RN seconded. Voice vote: Yes: PW, SH, DW, ET, TM, WK, DT

5. AUTHORIZATION OF RESPONSE TO FORMAL INQUIRIES FROM SUSAN MCGUIRE AND NEVADA COUNTY Action

RN suggested that we continue with the plan as described above and notify Ms. McGuire of how we are proceeding.

SH asked if FSC had signed a contract with the auditor. EDJ replied that we have a cost estimate of from \$14K to \$20K to address each allegation line item by line item. A meeting was scheduled for the following week to meet and contract with her.

RN stated that the auditor has been authorized to discuss any issue that any Board member may have to further address this issue.

EDJ stated it is appropriate for the Board to make a formal response to the County on this issue.

RN stated that formal communications from the Board needs to come from the Chairman.

HW moved that the Board authorize a formal response to bot Susan McGuire and the County. This was seconded by SH.

Voice vote: PW, DW, ET, TM, WK, DT.
