Dear Tom:

You may have heard that we are planning to go abroad for the summer and will be sailing on the Stuttgart - North German Lloyd line - on Thursday the 23d. We plan to drive the car east and leave it until we return about Sept. 4, then pick up Bill in or near New York and bring him home for a visit. We wonder if by any chance you will have a vacant berth in your garage in Roselle. If not, it might be easy to find dead storage somewhere. Our sailing is at 11 a.m. from Christopher Street. As you will probably be out at Anawsting, it might be awkward to try to spend the night with you. Probably the simplest plan for all of us would be for us to spend the night in the city. If you and Dee could have dinner with us, we should like very much to have at least a little visit with you -

W. E. L.
