Dear Mary Dee:

Mother and I reached home last evening about six o'clock. We had phoned ahead so that Barbara had prepared for supper at home. It was quite a strenuous trip and we were glad to be back. We stayed at Homer's Monday night and left at seven o'clock the next morning, reaching Jeffrey at 2:15.

The memorial service was at 2:30; Betty and Tex and her youngest child were there; Billy and Peggy; Jim and his brother and Arthur Wickenden who had been to Poland Spring, Maine for a Beta convention was able to come down. We visited for about an hour after the service and, as Marion was anxious to get away, we left about 4:30 and drove over to Amherst where we stayed at the Lord Jeffrey over night. Homer and Arthur drove back that night in Marion's car as Arthur is taking it back to Ohio. We came on yesterday. Mother is quite exhausted from the trip and I hope she will rest well today as she leaves Sunday for Covington.

I am sorry I made the error in the check. I do not have an extra Trust Fund check at the office so I am sending you my personal check; we will settle when you reach home.

Affectionately,

Mrs. Vincent Scofield
