FROM THE EAST RIVER
NEW YORK

Dearest, Sunday Morning
This is a bright Spring Morning -
and I shall soon be off to church.

But I wish, first of all, to thank you
for the most delightful evening I spent with
you; It certainly was a great pleasure,
and I trust it happens soon again.¹⁰

Hoping your trip to Canada brings
good results to your health as well as
your business.

Ever your devoted wife,

Dec.
