

STRIDER GLIDER QUARTER MARATHON XII

Dear Friend:

After a few trying years the Strider Glider Quarter Marathon got back on track. A big THANK YOU goes out to all the businesses that donated, the runners that came out, and the volunteers who helped make last year's run a success. The Lancaster Striders Running Club was able to help the Trinity Food Pantry and give scholarship awards for the 11th straight year.

So now our sights are set on an even more successful race this year !

The 12th annual Strider Glider Quarter Marathon is set for Sunday October 29th, 2023.

The charity run raises money for the Trinity Food Pantry which helps over 300 families in the Lancaster / Depew area and also provides a scholarship award to two Lancaster High School student athletes who are continuing on to college. With support from many of our longtime race sponsors and caring club members, the Lancaster Striders Running Club has donated more than \$50,000 to the Trinity Food Bank and awarded scholarships to the graduating high school athletes over the last eleven years.

We are seeking your assistance as a local business in supporting the 12th annual Strider Glider Quarter Marathon. Contributions of any amount will support the food bank and emergency service providers who volunteer on race day, and go towards the student athlete scholarships. In appreciation of your support, we will market your business in a number of ways. Flyers and/or business cards are welcome to put in the giveaway bags to the runners. And below are some of the other marketing efforts we will provide based on your contribution:

Open- Any monetary contribution is truly appreciated and welcome.

Bronze-\$250-Company logo on the race application. Road side sign with company name.
