To Florida, MA Property Owners

From Florida Assessors Department

The purpose of this letter is to identify **Duane Adams and Drew Pehoviak** as representatives of Mayflower Valuation who have been contracted by the Florida Assessors Office to perform building permit inspections of certain properties in town. These inspections are required to comply with the mandate from the Massachusetts Department of Revenue.

Vehicle information is as follows:

2013 Nissan Frontier Blue, MA License Plate 9CGK20
2017 Ford F-150 Black, MA License Plate 3CP742

This visit may include exterior photographs, an exterior/interior inspection, and exterior measurements.

The Florida Assessors Office and Mayflower Valuation appreciates your cooperation in providing this representative with access to your property and supplying the necessary information to successfully complete this assignment.

Please keep in mind that if your property is not inspected, an estimate of the condition, finish materials and percentage of completion will be made that could result in a less reliable assessment of the true value of your property.

If you have any questions regarding this process, please contact the Town Administrators Office at 413-662-2448 ext. 0

Sincerely,

Town Administrator
