## President Jan's Weekly Words ...

When you read this I shall be enjoying time on the South Island of New Zealand, attending my husband's grandson's wedding in Wanaka. I have handed over the reins to Jean again, who I know does a wonderful job.

It was lovely for Ashlee & Debbie McLean to come along to our club and for Ashlee to inform us how an insulin pump has changed her daily life. Insulin pumps cost \$9,000 and our contribution was \$3,000. The scheme always provides pumps to worthy individuals.

Kendelle Murphy continues to astound me and very soon will have completed her PHD . She is totally committed to pancreatic cancer research and will continue at The Garvin Institute on the project for the next couple of years. Kendelle gave an excellent, presentation of her work in an easy format for us to understand. Well done, and soon to be Dr. Murphy.

It was opportune that Kendelle's Dad came along. He is Chief Superintendent Fire & Rescue NSW and he gave us an excellent insight into the unusual fire situation and behaviour of the fire, and showed us slides of the devastation of the bush and destruction of our precious wild life. The resources that are being sourced come from afar, and now the US has come to assist after fighting their fires. The Salvation Army is working tirelessly providing meals for the firefighters in Northern NSW and he said any monies collected to be given to the Salvation Army.

Annie is a "Bushie" widow at the moment, as her husband Rob is heavily involved with the Glenhaven RSF and has just spent 5 days up at the Central Coast, assisting as necessary with the fires.

Just a reminder that on 3rd December we have a very important meeting to discuss our major fundraisers and on 10th December our AGM. Please consider a position on the Board and give your nomination form to Secretary Rhonda.

Until next time

*Jan Duffy*

## Community Update

Oz Tag has been struggling this year with two total fire bans and wet weather. This week we were left cooking the sausages as all the kids ran off the field and home due to thunder storm.

Picture of us all sheltering from the rain! At least we can still have a smile.

Thank you to the 5 volunteers last week- Hans, Brian, Bill, Marie, Jenny.

*Jenny*
