

Kluwer Competition Law

The practitioner's leading resource for EU, national and international competition law research

www.KluwerCompetitionLaw.com

Kluwer Competition Law database

Kluwer Competition Law is an intuitive online research platform that combines unparalleled breadth of analysis and primary content to help professionals find answers with ease and speed. Retaining the focus on the European Union for which it is renowned, the service increasingly offers significant coverage of key competition jurisdictions around the world.

Our site has recently been redesigned so that we can provide you with the same trusted expert content, but with powerful, new search functionality.

User-driven enhancements:

- New modern design
- More search power
- Streamlined research
- Improved results
- Improved document display

Antitrust Law

Antitrust Law: An Analysis of Antitrust Principles and their Practice

The essential guide to US antitrust law – comprehensive, authoritative and regularly updated

Competition Law of the European Community

Expert guidance on all aspects of EU competition practice, including in key market sectors

State Aid

EU State Aid Control: Law and Economics

Unrivalled legal and economic insight into policy and practice across a wide range of business sectors

Directory of EC Case Law on State Aids

Accessible, quick reference guide to a wealth of EU decisions

Mergers

Broberg on the European Commission's Jurisdiction to Scrutinise Mergers

Answers practitioners' questions on rules, case law and other developments

State Aid

European Cartel Digest Precedent Finder

Unique practice tool, facilitating rapid and highly focused research into important decisions and their implications

European Private Enforcement Case Summaries

Kluwer Competition Law provides European Private Enforcement Case Summaries; comprised summaries of selected court decisions from three leading jurisdictions in this field – Germany, the Netherlands and the United Kingdom. Edited by a team from the law firm Stek in the Netherlands, the summaries are authored by expert practitioners in each country, who select key cases covering important legal issues.

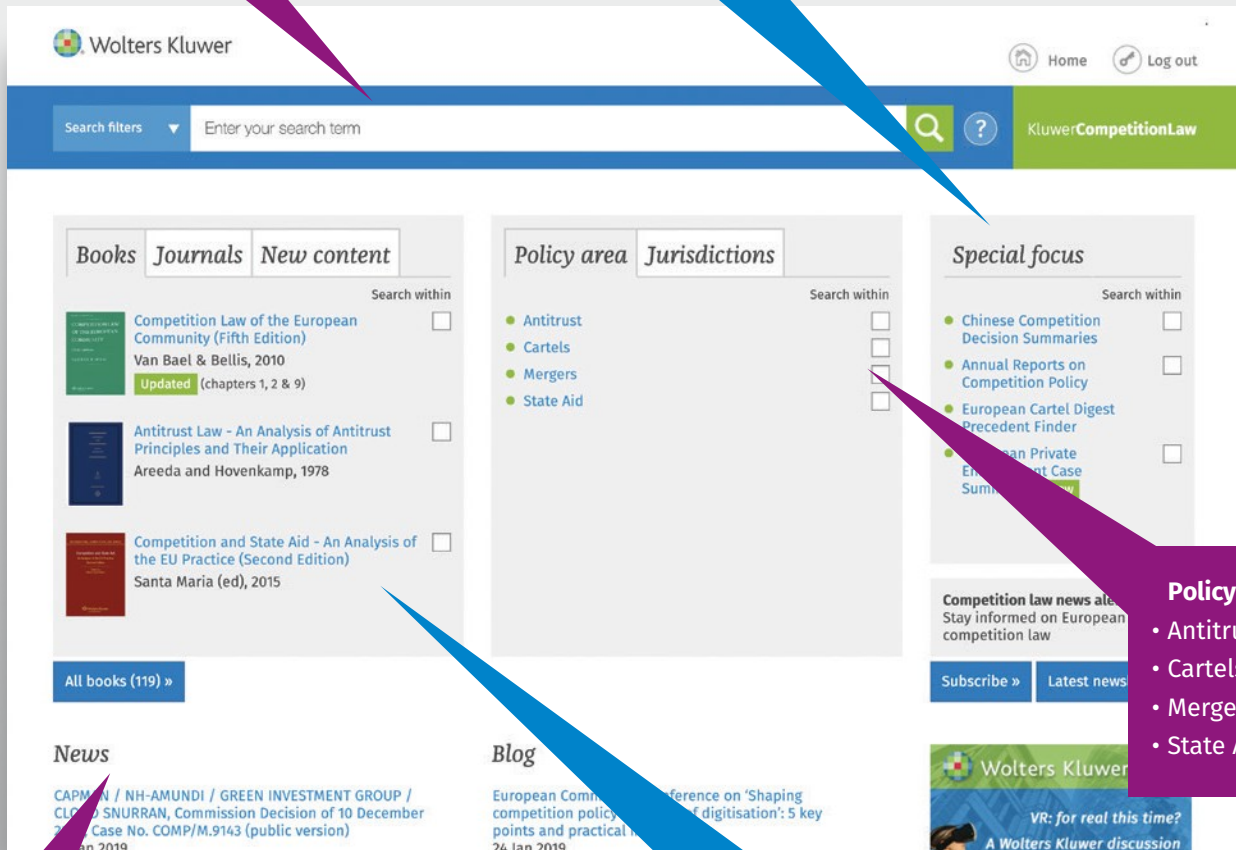

News alerts

The Kluwer Competition Law News Alerts provide snapshots of key developments in competition law and policy in Europe, helping experts in the field to stay up to date. Available fully on the Kluwer Competition Law website and partly by email, the news alerts will appear at regular intervals and will cover developments at both EU and national levels.
