

WELCOME

Assalamu Alaykum Wa'Rahmatullahi
Wa'Barakatuh Parents,

On behalf of the staff, I would like to extend a warm welcome to our students and families at Ottawa Islamic School for the 2019-2020 academic year. It was wonderful to see so many smiling faces and to be caught up in the enthusiasm of the first day of school. Our teachers, custodians and administrative staff have worked very hard over the summer in preparation for your child's arrival to school. The Staff is looking forward to working with parents and the school community to challenge our youth in their learning. Open communication between the home and school is vital in the education of our young students.

Arrive on Time:

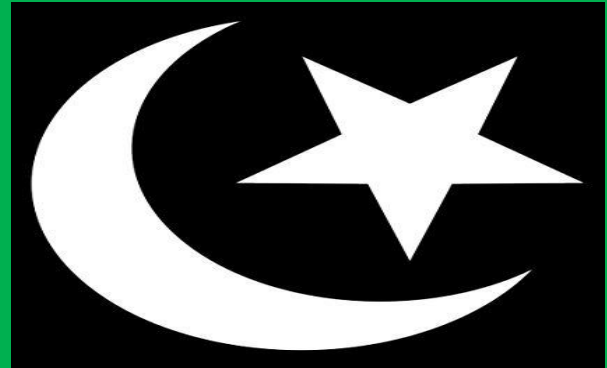

Students are expected to arrive at school on time. Students who arrive late miss the opportunity to become organized for the day and to hear important announcements. Please do what you can to ensure that your child arrives on time and is prepared to begin his/her school day. Students who are late **are required to sign in at the office**, for attendance purposes.

Communication between Home and School:

Please feel free to telephone the school with any questions or concerns. We will have the administrative staff or teachers return your call. Parents are welcome to request a meeting with the teachers throughout the school year, **by appointment**. We appreciate opportunities to work together for the benefit of your child. In addition, **all visitors to the school must report to the front office**.

Planning for Student Success:

Student well-being and academic success are our fundamental goals at O.I.S. Our teachers plan and deliver effective, interesting, supportive and challenging programs. A student's educational successes are enhanced by active parent involvement. By Working together in a partnership, parents and school personnel can ensure that the learning needs of the child are addressed through ongoing communication, cooperation, active participation and shared responsibility.

Islam puts a great emphasis on seeking knowledge. The first revelation ever received by the prophet Muhammad (saw) highlighted the importance of reading and understanding. Furthermore, Abu Hurayrah narrated that the prophet (S.A.W) said, "For him who embarks on the path of seeking knowledge, Allah will ease for him the way to paradise."
