Public Libraries and PBS Partnering to Enhance Civic Engagement: A Study of a Nationwide Initiative. Cociolo. PLA Quarterly. http://www.thinkingprojects.org/preprint_pbsstudy.pdf
This project asks the question: Can libraries act as places for promoting civic engagement through the use of socially and culturally significant documentaries?...Results indicate that the screening of socially and cultural significant documentaries at public libraries, combined with post-screening discussions, can positively impact library patrons' interest in becoming more civically engaged and foster a greater understanding of the issues raised by the films.
