President's Corner

*Ruth Fisher
Emmett Keeler*

"No matter where you are from, We are One" is something I heard recently on TV. I love it! Shan & I first started talking about merging over a year ago. That is really hard to believe. And here we are, approaching our

semi-annual General Meeting, our first full term elections and a perfect time for us to assess what is working, what isn't, and what we want to tweak. There are still things that we looked at prior to merging that we need to decide at this meeting when most of the membership is present, for example if and if so, how we want to continue with fund raising, visitation swingers, sponsorship dangles, etc.

By the time of our General Meeting we will be merged for almost 6 months. We are gradually becoming known in ASqD as an old/new club with our own unique signature. Ribbons & Souls hopefully will be known for our thoughtfulness, helpfulness, diligence, volunteering, enjoyment, friendliness and strong dancers.

CONGRATULATIONS TO ALL OF US on a job well done! We have managed to do something that very few clubs have accomplished in the past and do it extremely well! Our dances run smoothly, with good callers & cuers, classes are highly successful, the newsletter is interesting, attractive and full of important information, we have tasty goodies at classes & dances, with more than ample supplies. We are well represented at the ASqD and Federation meetings and visitations. We have attractive fliers to distribute, and advertise classes & dances in Open Squares, Blue Book, Grapevine, our Website and wheresthedance.com. Our executive board is functioning exceedingly well. We have new club fabric, badges, website and by laws. All of this is thanks to so very many of us.

Alan is now the R&S representative to the monthly meetings of the West Area Federation of Senior Citizens. Judy will assist Claire with the Installation Dinner at Tony P's, which is a lot of fun, has good food and has the added advantage of being a fund-raiser. We have a private room reserved for this occasion and will be sending out an inquiry so we can let them know approximately how many to prepare for. Thank you.

Volunteers are still needed for 2 positions that are vacated by our 90+ year olds who have each been doing their jobs for many years and are no longer able to continue due to their health. We need a volunteer to place the class & dance advertisements in the ongoing sections of Open Squares and

Blue Book. Ruth Michaelson has completed them through 2019, which means we need to start inputting 2020 prior to September 1st. There is a template to follow in doing this, and she is willing to help if asked.

The other position that is most necessary and ASAP is that of Dance Kitchen Scheduling, which Evelyn Maggiore can no longer do, due to a severe health challenge. We currently have a schedule for dance refreshments and sign-ins at the check in table. However we do need a person to stay on top of this and make calls when a dance is not covered. Please contact Linda Harris or me if you are willing to volunteer for this very important and necessary position. You do not need to write an article in the newsletter, if you assume this position about the refreshments, that is optional.

Dance refreshments are the responsibility of all members who are able to do this. We have 28 dances a year, with 2 people per dance, which means a total of 56 places to sign up for refreshments. Our membership list is greater than the number of people that ever come to a dance, for many different reasons, including those who support the club but are too infirm to be present and those who are never able to be present on a weekend night. Thus each person will need to volunteer to do this twice a year, with a few possibly volunteering for three times. If you are concerned about money, there are a few people who have volunteered to assist with this and there is reimbursement for anyone who asks the treasurer for \$20 per dance, or \$10 per person. The newsletter always lists the person responsible for the dance, which is generally a president. We arrive by 6:15, and open the supply cupboard, so you can arrive early and have maximum time to dance.

Sadly, we said good-bye to Charlie Longobart for the last time this month. Fredi has a story about Charlie's Angels in this issue which promises to be heart warming.

Guys & Dolls have their 33rd Anniversary Dance coming up on Friday, May 17. Let's all appear in our new Ribbons & Souls outfits and welcome them back to Inglewood en masse. I look forward to a panorama of clothing in our wonderful fabric present at this event.

Ruth Fisher, Co-President

We are now at four months with our new club and I am thinking about things I miss and things I like. I miss the people who for one reason or another find it hard to get to Felicia Mahood on Wednesday or Saturday night, in particular Louise Dobbs and Kathleen White. What I like most about the new club are the student classes. It was

(SEE Presidents on page 8)

Thank you to all the regular Angels who have helped to make our Winter Session Wednesday night classes such a success! With just one more class to go, the Winter Session is drawing to a close. We still have 10 to 12 Basic/Mainstream

students regularly attending and two Plus students. All of these students are likely to be back for our spring session in one way or another. Seven or eight of our Basic/Mainstream students intend to repeat the Basic/Mainstream class. Three students are planning to try out the Plus class.

Bill Gipson has done a great job in making the classes lively and fun for students and Angels alike. The fact that we have attracted and retained so many students speaks for itself.

Now we need your help to recruit new students for the spring session open classes on May 8 and May 15. With our returning students, we are in a good position to have five squares at the Basic/Mainstream classes and two or even three squares at the Plus class. As you know, word of mouth referrals are an excellent way to bring in new students, so please pass the word among your friends and neighbors. A downloadable version of our flyer is now on our web site www.ribbonsandsouls.org at the top of the [Square Dance Classes](#) page. You can also help by posting on your neighborhood NextDoor or other social media outlets.

Rick Marken and I will be working together to coordinate the spring session. We are currently consulting on how best to divide up various tasks that need to be done before, during, and after the actual classes. Please let us know any suggestions you have for ways we can improve the class experience for Angels and for students.

Students tell me that they really appreciate the 6:55 to 7:15 pm reviews. Thanks especially to **Alan Lubberts** and **Desiree Elliot** who did such an excellent job in walking students through the calls. Depending on demand, we may reinstitute these reviews four or five weeks into our new session.

Ruth Fisher (theotherdrruth@yahoo.com) will be chairing the **May 21** board meeting and hosting both the **May 11 Plus dance** and **May 25 Mainstream dance**.

Please send your **club fabric** order to **Babs Schwartz** (petlwing@yahoo.com) before the May 21 General Meeting.

You may all have heard that Evelyn recently found out that she has cancer. She is well taken care of by her two sons and around the clock caregivers. She is in good spirits as she patiently waits to find out what the course of treatment will be.

Thank you, Evelyn, for your years of service as

Kitchen Witch and for arranging those unique fundraising field trips around Los Angeles.

Now that I can dance, I would really appreciate some help with signing people in and collecting money at our dances. If you can no longer dance, this is a wonderful opportunity to see all of your friends. If you still dance, we can take turns during the night so we both get to dance.

(CLASS CLIPS from page 3)

It takes a village to pull off a class and it has been great to have the support of so many Ribbons & Souls over the past 16 weeks. **Larry McNamee** has been taking our money AND bringing delicious home-baked treats from his daughter Cathy. **Michaelyn Duboff, Jane Gold** and **Jan Bartholomew** have been regulars in the kitchen, laying out a beautiful spread of snack and cheerfully filling in when we needed one more person to complete a square. **Norma Spieker** kept us well supplied with fresh oranges for most of the session and **Phyllis Bass** was always on hand early to help in putting out tables and chairs.

Thanks to all of you Angels and worker bees, our new club is off to a great start. I look forward to working with you all in the coming weeks.

(PRESIDENTS from page 2)

painful last year to wonder which of our few students would show up and to try to call at 7:45 to get a 16th dancer to come. The new classes are fun, we have lots of students and angels, and Bill is both practical and entertaining in his approach to teaching. Shan has done a great job retaining the turnout and enthusiasm, Desiree is a super assistant teacher, and the break refreshments have been consistently excellent thanks to Norma, Michaelyn, Jane and Larry's daughter. Another treat is seeing returning friends from the 80s RAND square dance group come back and participate: Steve, Julie and Frank.

"Tex" Gipson, Dale Hoppers and Sylvester Nealon, all of whom are class instructors for clubs in the District. The dance will be held at the Hawthorne Memorial Center, 3901 W. El Segundo Blvd., Hawthorne, CA. Enter the hall via the back parking lot off of Prairie Blvd. There will be square dancing and line dancing. The donation is \$8. Sorry to say that this year there will not be an experienced clothing sale.

There will be an A Square D General Meeting on May 19 at 2pm. Topics to be covered include unaffiliated dancers and caller contract information. The venue is the Hawthorne Memorial Center. All are welcome to attend.

Charlie and His Angels

You probably met Charlie Longobart when you first ventured into your first square dance class and he was an Angel in your square. You had to notice him despite his small physical stature because Charlie was really a big guy. You knew when you danced with him and everyone knew him. Charlie was a square dancer to the bone. He believed in floor time, angeling classes, demonstrations and nursing home performances, board meetings, banner collections and storage, traveling and carpooling to dances, going to class level dances and after parties galore. When I meet him in 2005 Charlie was dancing a minimum of six days a week and on Sundays (when there wasn't a big dance to attend) he was a member of the after round dance party group that met in West Hollywood. Charlie loved the square dance system and danced and angeled at numerous clubs. He danced in Los Angeles, the South Bay, the San Fernando Valley, Simi Valley, Ventura, Indio, Bakersfield and other parts of the country. He wore super country western shirts and was always dressed as a dapper dancer.

And then there were Charlie's Angels. These were woman that Charlie took under his wing and decided to mentor into good dancers. He took us to other club classes, festivals and the advanced class to get another perspective on the dance and to make sure we had additional floor time. He would tell us about which festivals to attend and was always looking forward to going to the RIVCO Festival in Indio. Charlie was always ready to dance and his stylings were delightful. I could always rely on Charlie for a spin or extra twirl. We lost a great member of the square dance family when Charlie died. I lost my mentor and my friend.

Fredi Levitt

Ribbons & Souls' **Ken Scholtz** and **Frank DaVanzo** will sing with the award winning Santa Monica Oceanaires and their new barbershop quartet, Anchors Aweigh, on **Saturday June 8 at 2 pm** as part of the Oceanaires' new comedy "Oceanaires 11" at the Culver City Veterans Auditorium located at Overland and Culver Blvd. The show will feature Gotta Sing, one of the top women's quartets on the west coast.
