## How do I know if I qualify?

You may qualify for the program if you meet the following criteria:

**Residency:** You must live in Nevada

**Gender:** WHC Services are available to biological women, transgender men (female to male), and transgender women (male to female)

**Age:** Women ages 21-64 years of age may be eligible

**Income:** You must be at or below 250% of federal poverty rate.

**Insurance status:** You must be uninsured or underinsured to qualify.

Let our excellent  
team of doctors and  
staff serve you.

## What Services are Covered?

For women ages 21-39 Women's Health Connection program will provide free cervical screenings for women who meet eligibility guidelines. (If women ages 21-39 are looking for breast services as well they must have the program's approval first: Call our office or email Fatima directly if you have any questions)

For woman ages 39-64 Women's Health Connection program will provide breast and cervical cancer screenings

Other covered diagnostic services such as ultrasounds, coloscopies, or biopsys maybe covered if needed/if eligible.
