Discussions again took place again on re-introducing a newsletter combined with other organisations. I am trying to organise a meeting with all parties. Forge have responded positively as has the Hall committee and Parish Council. Although there is also a very positive feel from the social club, actually getting someone with newsletter knowledge to attend a meeting is proving elusive. Terry Davidson is too busy, Millie Fenton has study commitments. I have been given Nick Dhillons number but as yet have been unable to contact him

Functions in the offing

Bingo Night

Party in the Park (august) Insurance being looked into

90's disco night 18th May
