## THE NOTORIOUS SERVANT AWARD

---

**If you want to be a true professional, you will do something outside yourself. Something to repair tears in your community. Something to make life a little better for people less fortunate than you. That's what I think a meaningful life is - living not for oneself, but for one's community.**

***- Justice Ruth Bader Ginsburg***

## ABOUT THE AWARD

The RBG Notorious Servant Award recognizes an amazing female lawyer who, like RBG, dedicates herself to service outside herself. This outstanding lawyer has committed herself to her community, mentoring and encouraging other women, and bettering our profession through service.

The recipient will receive a \$500 grant with the charge to commit the funds to something in the coming year that will further the mission and life's work of RBG. As the Notorious RBG once said, "Real change, enduring change, happens one small step at a time." If we are all encouraged to do small great things we'll turn this world around.

**Nominations are due by September 1<sup>st</sup>**
