Accounts with Age restrictions

The selection criteria have been made to make sure that all accounts shown are available to anybody, anywhere, in the UK.

We have identified these accounts by researching the entire UK savings market. Our cash management system has every identifiable account held within it. We cannot source details of any account that is not publicly disclosed by any bank or building society.

We review the interest rates on the savings accounts every 30 minutes. The information contained in this document may therefore be different at the time of reviewing the document.

Please contact us for any additional information on any of the accounts shown or for confirmation of the full details of any of the accounts.
