RULES & REGULATIONS

All animal health records must accompany the preregistration form or must be to the fair secretary no later than the Monday before the fair.

All exhibits must have been made or grown, except for animals, since the close of the previous year's fair unless otherwise stated.

The Fair does not pretend to be, and positively will not be responsible for damage to, or theft of, any vehicle or its contents while said vehicle is parked within the grounds or other parking space.

LIABILITY NOTICE

In no case shall the fair or any of its officers or directors be held responsible for any loss, damage, injury or death by disease, theft or from any other cause of any character to any property while same is on the fairgrounds or any other time or place. The management hereby assumes no responsibility either as bailee or otherwise, for any property being brought or kept on said grounds.

If the property owners or others interested in the property desire protection against loss, damage or injury from fire or from any other cause, they must make their own arrangements, and pay for such insurance.

The general supervision of the grounds and the entire exhibition is vested in the president and board of directors of the association.

The duty of the superintendent of the speed department will be to see that order and decorum are preserved, that none of the rules of the association are violated and that the daily program is faithfully carried out. He shall superintend all exhibitions on the track, keeping record of all entries made and contests won, and labor faithfully to carry out his part of the program punctually and with strict impartiality.

The superintendents are expected to have charge of all matters in their respective departments, to receive and attend to the proper arrangement of everything intended for exhibition, to attend the judges in their examination, furnish them with prize badges and see that the program, as it involves their several departments, is faithfully carried out. They should be upon the grounds as early as 8 a.m. on the first day of the Fair and every morning thereafter during the Fair.

All superintendents must remain in charge of their departments until the close of the Fair each day.

The fair officers authorize the letting of only such privileges or concessions as are required to supply the necessary wants of the people or that may add to their comfort, convenience and pleasure; but under no circumstances will privileges of a questionable nature or of a demoralizing tendency be let or tolerated upon the grounds or in the buildings, nor will any privileges be permitted where the business

is conducted in other than a legitimate and trade-like manner and games must be approved by the Department of Agriculture and markets.

Privileges for erecting tenting or refreshment stands can be purchased by applying to the secretary or superintendent of concessions and privileges of the association at any time. All persons renting stands or leasing grounds for shows, booths or special privileges will be required to pay the rental in advance.

Purchasers of privileges must keep their spaces in a sanitary condition by removing them from any filth or refuse, and by placing same in the garbage can provided by the management, where the sanitation department and employees may get to it with ease.

Concessionaires and their help must be neat and tidy in their dress. Persons found working at any privilege not complying with this section may be ordered from the grounds.

The management reserves the right to exclude from the grounds any person or persons who shall violate any part of the rules laid down by the fair officials.

SPECIAL NOTE

All persons are notified that the fair grounds are private property, and any individual detected or known to have damaged locks or broken open buildings, removed boards from the enclosure, or in any other way trespassed upon or injured the property of this association, will be prosecuted to the full extent of the law (Sec. 442 W.S. L898).

INFORMATION TO EXHIBITORS

Entries for cash premiums are restricted to residents of Burnett County and seasonal residents or property owners or members of county organizations.

Premium list will be sent by the secretary to all who apply.

Not more than one prize may be awarded an exhibitor under one entry, prize, or lot number.

The secretary will have the books of entry at the fairgrounds from 9 a.m. to 6 p.m. on the first day of the Fair.

All entries must list the exhibitor number, secured from the Fair secretary, the name of the animal or article entered, the age and sex of the animal and the department, class, and number in which the entry is made.

No animal or article may be entered in any other name than that of the owner, except in the speed departments, anyone violating this rule will forfeit the premium which might otherwise be awarded.

No animal or article shall be allowed to be entered in more than one class, nor will any animal or article be awarded more than one premium except as a part of a herd or group.

No animal will be allowed to run at large on the fair grounds.

After having properly entered their articles, exhibitors must bring them to the proper department so that they are in their places and properly ticketed not later than 6 o'clock on the first day of the Fair.

Exhibitors are required to attend their animals while on exhibition and truthfully answer any questions of the judges. The board of directors will take every precaution in its power for preservation of the articles and stock on exhibit, but the association will not be responsible for any loss that may occur.

Entries must be made on the books and tickets attached to the article before it will be entitled to a place.

Exhibitors must be sure their entries are correct and that the tickets correspond. Entries should be made with care and as early as possible. Corrections cannot be made after the books have gone to the judge.

If it is ascertained that any exhibitor has made, or caused to be made, any false statement regarding any animal or article entered, or if any exhibitor shall attempt to interfere in any manner with the judges in the performance of their duties, he or she shall be excluded from competition.

The decision of the judges shall be final, except upon positive proof of fraudulent collusion or mistake on the part of the judges in making their report.

Exhibitors cannot have access to the books of entry during the fair, but may, upon application to the secretary, have such explanation as may be deemed necessary.

All stalls, pens and coops must be cleaned out and the exhibits put in condition before 9 a.m. each day so that the refuse can be taken away before visitors arrive.

The books shall be returned to the secretary each evening and the judges are requested to make their reports to the secretary as early as possible.

The premium cards shall be placed on the animal or article as soon as a decision is made, blue shall represent the first premium, red the second, white the third, and pink the fourth.

At the time awarding committees are examining stock, no person shall be permitted in the ring except the superintendent and grooms.

Premiums will not be awarded when articles are not worthy, even though there is no competition.

Wisconsin Statutes, Section 93.23.2. (E)

Not later than 30 days after the close of the Fair each year the county clerk, or the person appointed therefore by the county board, agricultural society, association, or board claiming state aid, shall file with the department, on blanks provided by it, an itemized statement verified on oath, showing net premiums actually paid or to be paid at the preceding fair, which premiums must correspond with uniform premium list and other requirements under par. (A) This report shall also include a statement that at such Fair all gambling devices whatsoever, the sale of intoxicating liquors excepting fermented malt beverages, and exhibitions of immoral character were prohibited and excluded from the fairgrounds and all adjacent grounds under their authority or control; and on or before December 31 of the year in which the fair is held, the person filing shall furnish the department a statement of receipts and disbursements, attendance and such other information as the department requires. Upon receipt of the required report, each Fair shall be paid 100 percent or the prorated percentage of the aid due the preceding year.

Wisconsin Administrative Code

160 ATPC 2012

County and District Fairs

ATCP 160.01 Definitions. As used in this chapter:

(1) "Class" means a grouping in which exhibits may be entered, including an animal breed or age group for animal exhibits; a type of produce, crop or food; or a specific age, age group or educational grade level of exhibitor.

(2) "Department" as it relates to the organizational structure of a fair, means an animal species, production group, or other principal classification of exhibits. As used in any other context, "department" means the state of Wisconsin Department of Agriculture, Trade and Consumer Protection.

(3) "Division" means one of three exhibitor group classifications for a fair and is limited to junior division, open division and senior citizen's division.

(4) "Lot" or "lot number" means the numerical designation assigned by a local fair for a specific category of exhibits within a class.

(5) "Premium" means a monetary prize that a county or district fair awards to an exhibitor after judging all competing exhibits in the class to which the premium pertains.

ATCP 160.02 Premium Requirements

(1) General

(A) The state aid authorized by S. 93.23(1), Stats., may be paid only on net premiums, which consist of total premiums paid less total entry fees received. The department may withhold state premium aid from any fair which does not enforce the animal health provisions required under Ch. ATPC 10 for all classes of livestock exhibited at the fair. State aid will be paid only on premiums actually paid by bank check or draft.

(B) No deductions may be made from premium money won by an exhibitor. Premiums may, however, be withheld where exhibition rules established by the fair association are violated. A written statement of violation shall be submitted to the department to justify action taken by a local fair.

(C) Premiums offered shall be definite in amount. No decrease or increase in published premiums may be made because of the financial condition or the organization or for any other reason.

(D) State aid may be paid on no more than two premiums awarded an exhibitor under one premium or lot number in open division individual livestock classes, except poultry and rabbits, and no more than one premium in all other classes, including poultry and rabbits.

(E) No county or district fair may receive state aid for a premium awarded to any exhibitor in the open division if that exhibitor entered the same exhibit in the junior division at the same county or district fair. This paragraph does not apply if the exhibit was entered in the junior division only as part of a herd group, carcass class or performance class.

(F) No state aid will be paid on the cost of ribbons, cups, trophy prizes or entertainment contests.

(2) Premium Lists

(A) Premiums for which state aid is requested by county and district fairs shall conform with the uniform premium list and other requirements set forth in these rules. Fairs requesting state aid for net premiums shall submit to the department a printed copy of the premium list used at the fair, as required under S. ATPC 160.92 (3) (D).

(B) The officers of each fair shall mail a copy of the premium list to other associations, societies, or boards conducting a fair in Wisconsin upon request.

(C) Sections ATPC 160.01 through 160.07 and 160.91 shall be published in premium books used by a fair for which state aid is requested.

(3) Entry Fees

(A) Entry fees not more than 10 percent of the purse offered on any specific article may be charged exhibitors, when no entry fee is charged, stall rents may be charged in the horse, cattle, sheep, goat, swine, poultry, rabbit, and per stock departments. Stall rents shall not exceed \$1.50 per single stall or animal or \$3 per box stall for horses; \$1 per single stall or animal or \$2 per box stall for cattle; and \$.50 per animal or \$2 per pen for swine, goats or sheep. A standard pen for swine, goats or sheep is approximately 64 square feet. Cage rents may not exceed \$.50 per head for poultry, rabbit, and pet stock exhibits.

(B) Exhibitors in educational and school departments shall not be required to purchase an exhibitor's ticket, any other exhibitor may be required, if no entry fee is charged, to purchase an exhibitor's season ticket at a price not to exceed that charged for a non-exhibitor's season ticket.

(4) Split Fair Dates

No state aid may be paid to fairs having split dates unless prior written approval is granted by the department. Extreme hardships must be established by the fair organization before approval can be granted. A split date is one where exhibits or contests are judged, and premiums paid at more than one time or at more than one location during the current year. When split dates are approved, all blue-ribbon winners shall be required to repeat their demonstration or exhibit at the regular fair dates, unless exempted by the department in hardship cases. The repeated demonstration or exhibit may be presented using audio-visual media, still photography or an educational display. Split date approval may not be required for clothing revue, demonstration, favorite foods revue or dogs and small animals.

ATCP 160.03 Exhibition Requirements

A county or district fair shall meet all of the exhibition requirements of this section to be eligible for state premium aid.

(1) No fair society or other organization sponsoring a county or district fair shall require an exhibitor to become a member of the organization in order to enter an exhibit at the fair, nor shall the sponsoring organization make any deduction from an exhibitor's premium as a donation to the fair society or require an exhibitor in any other way to make a donation to the society.

(2) State aid may not be approved for out-of-state exhibits or for separate classes of local and non-local exhibitors. Aid may not be approved for payment of premiums to an exhibitor having an out-of-state address but claiming Wisconsin residency unless the fair secretary provides the department with a affidavit that the exhibitor's residence is geographically located within the state.

(3) State aid may be paid only on articles or animals actually on display in an exhibit building or actually shown in the show ring on regular fair dates unless approval for split fair dates is obtained under S. Ag. 5.02(4). State aid may not be paid on dairy herd improvement

association records, transportation aid, production contests or other special educational exhibits unless prior approval is obtained under S. Ag. 5.04(8).

(4) State aid may not be paid on exhibits removed from the fairgrounds before 4 p.m. of the last day of the fair, or such other later time as may be specified by the fair, without prior approval of the department. Authority for earlier removal may be granted by the department in case of meat animal sales or other special classes, if requested before the beginning of the fair. In other hardship cases, approval may be granted by the local fair. Exhibits in dog obedience and small animal pet classes may be judged during the regular fair but are not required to remain present during the entire fair. The local fair may prescribe the length of time junior fair exhibitors of horses shall keep their animals on the grounds.

ATCP 160.04 Junior Fair Division - General Requirements

(1) Age. In the Junior Fair Division state aid will be paid on prizes offered to exhibitors who are in third grade through twelfth grade and one year beyond on January 1 of the current fair year, except for exhibitors under SS. ATPC 160.65 (1) and 160.80 who may be in kindergarten through second grade on January 1 of the current fair year. State aid will not be paid on prizes for club parades, club floats, song contests, or a project which is not an exhibit or demonstration at the fair.

(2) All exhibitors in the Junior Fair Division shall be members of 4-H, FFA, FHA-HERO, Scouting programs, Breed groups, or any other recognized youth organization under adult leadership and with an education program approved by the local fair and within the county.

(3) Exhibits in the Junior Fair shall be a result of the exhibitor's own labor and may include a study, merit, or other special project, a skill area or a supervised occupational experience in which the exhibitor is regularly enrolled.

(4) State aid may be used for the payment of no more than one premium awarded an exhibitor under any one premium or lot number in the Junior Fair Division, except when awarded as part of a group in livestock exhibits or in showmanship.

(5) Premiums in the educational department shall be paid directly to the exhibitor who made the exhibit and not to the school or teacher, except for group premiums offered to inter-school competitive classes. No aid may be paid on education department premiums unless a complete list of exhibitors and a complete set of judges' sheets for the education department, like those required in other departments, is filed with the department. All educational exhibits shall be displayed at the fair regardless of whether they are judged prior to or at the fair.

(6) If 16 or more animals, items or articles are entered in any Junior Fair Class, the class may be divided into two or more approximately equal groups according to weight, age or other identifying characteristic and each group judged as a class.

(7) Special educational exhibits may be established if the proposal is presented to the Wisconsin Association of Fairs before October 1 of the year preceding its proposed establishment and the exhibit is approved by the department.

(8) In all departments in the Junior Fair Division under Sub Ch. IV, special classes may be established where none are specified for

the item, article, or a recognized breed, including special classes for grade and crossbred females in beef, swine and sheep. State aid may be paid for the created special classes in amounts equal to comparable established classes in the same department.

ATCP 160.05 Open Division - General Requirements

(2) State aid for premiums awarded for horses in Open Division Classes shall be limited to horses which are owned by the exhibitor.

(3) All animals in any Open Division Class shall be owned by the exhibitor, except as provided in S. ATCP 160.05.

ATCP 160.06 Senior Citizens Division - General Requirements

(1) The age of exhibitors in the Senior Citizens Division is limited to persons 62 years of age or over.

(2) Exhibitors in the Senior Citizens Division may not enter identical items or articles in both the Senior Citizens Division and in the corresponding classes of the regular open division.

ATCP 160.07 Classes - General Requirements

(1) Classes may be combined if the number of entries in several single classes is insufficient. If any classes are combined, state aid shall be limited to the maximum total premiums listed for a single class of animals, items or articles in that department.

(2) No state aid may be paid on premiums awarded for any sexually intact male dairy cattle, beef cattle, sheep, goats, swine or horses exhibited in any class unless the animal is a registered purebred as verified by a certificate of registry from the appropriate breed association or society, or by a copy of the application for registration.

(3) Any animal entered as a part of a group class may also be exhibited in a class for individual animals.

ANIMAL HEALTH REGULATIONS

FOR FAIRS AND SHOWS IN WISCONSIN: 2023 SEASON

This is a summary of animal health requirements for fairs, shows and exhibitions only. They are not necessarily the same as requirements for importing animals into Wisconsin or moving them within the state for other purposes. They may change if animal diseases occur in Wisconsin or elsewhere, so you should always check our website at https://datcp.wi.gov/Pages/Programs_Services/FairsShowsSpecialEvents.aspx or contact us at (608) 224-4872 for current information.

General requirements for show organizers

All fairs or exhibitions of any length must obtain, review, and keep for five years all required records and test results:

- Exhibitor's name and address
- Animal identification (number, type, description)
- Documents showing compliance with disease testing, identification, and other health requirements
- Livestock premises number, if any, where animals originated
- If requested by the fair or show organizer, the documentation showing legal importation (if applicable) and movement to the event

* For swine, a record of any swine transported directly to a slaughtering establishment

* For swine, a record of any swine transported to an animal market where all animals sold at the market sale for that day were shipped directly to a slaughtering establishment

Fairs or exhibitions lasting more than 24 hours must appoint a licensed veterinarian to inspect all animals daily.

Please note: *Except in specific circumstances, if an animal already bears an official 840 ear tag, that ear tag must not be removed, and additional ear tags must not be applied. Instead, the existing ear tag must be read and recorded when record of that animal is required.*

Diseases

Animals that show evidence of having contagious or infectious diseases may not be commingled (or housed/kept) with other animals at a fair, show, or other exhibition in such a way as to allow disease to spread. Such animals should not attend the fair, show, or exhibition. Animals may be denied entry if they arrive at these events with contagious or infectious diseases, isolated and/or removed if they develop disease after arriving or be subject to other action as would be necessary to control disease.

Bovine animals with ringworm, mange, warts, or scab will be removed from the fair or exhibition premises, unless the veterinarian in charge finds warts or ringworm lesions are incapable of transmitting disease.

Cattle and bison

Cattle from within Wisconsin have no requirements for tests or health documents.

Cattle from outside Wisconsin must:

- Be accompanied by certificate of veterinary inspection (CVI or health certificate) documenting official animal identification (ID) and all required tests and certifications
- Have at least one form of official individual ID (including steers)
- Meet all of Wisconsin's normal requirements for import (see https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx)

Acceptable animal IDs for all cattle from outside Wisconsin

- USDA metal ear tag number that is part of the National Uniform Ear Tagging System (NUES) (starts with state 2-digit code, also known as "brite" tag); this includes the orange brucellosis vaccination tag
- 15-digit "840" tags (visual or RFID)
- Valid only if applied before March 11, 2015:

Manufacturer-coded RFID tag -15-digit number with the first three digits in 900s

American ID tag -8 to 12-digit number prefaced with "USA"

Brucellosis requirements for cattle from outside Wisconsin

No cattle from outside Wisconsin are currently required to be brucellosis tested or vaccinated to come to fairs and shows in Wisconsin

Tuberculosis (TB) requirements for cattle from outside Wisconsin

For requirements by state, see:

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Cattle from Michigan's Modified Accredited Zone (for cattle from Michigan's TB Free Zone, see requirements by state above) also need:

- Import permit
- To originate from a herd that has a negative whole-herd TB test within 12 months before arrival in Wisconsin that includes all animals 1 year and older
- Negative individual TB tests within 60 days before entering Wisconsin
- To return directly to the state of origin after the show, and there must be a statement on the CVI that they will be doing so

For more information on obtaining an import permit:

- Online

https://datcp.wi.gov/Pages/Programs_Services/AnimalMovementPermits.aspx

- Email DATCPAnimalImports@wi.gov

- Call 608-224-4872

Cattle from Canada must meet current federal requirements to enter the United States. (See

<https://www.aphis.usda.gov/regulations/vs/iregs/animals/downloads/caproto-col-imp-cattle-bison.pdf>)

Requirements are subject to change as conditions warrant. For current information, check

https://datcp.wi.gov/Pages/Programs_Services/CattleBison.aspx

Swine

Swine from within Wisconsin need a Wisconsin intrastate certificate of veterinary inspection (CVI or health certificate):

Note: *Herd of origin means the herd in which the pigs currently reside, likely the exhibitor's herd. When pigs are purchased from a herd, the herd from which they originate is the herd of origin for the seller. Once the purchased pigs are added into the buyer's herd (even if the buyer's herd only consists of one or just a few animals), the buyer's herd becomes the new herd of origin and that herd must meet testing requirements to move pigs again.*

- Stating that the entire herd of origin was inspected on the farm within 30 days before the show and showed no signs of disease.

• **Non-terminal Exhibitions:** All swine must have a PRRS (Porcine Reproductive and Respiratory Syndrome) and PEDv (Porcine Epidemic Diarrhea virus) test of the herd of origin within 90 days of the exhibition. Include test date, type, and results on the CVI. For swine originating from herds with positive tests, include the herd plan number on the CVI.

- **Terminal Exhibitions:** No testing requirements.

Note: *Terminal Exhibitions are those at which the swine go directly from the fair/show to the slaughtering establishment OR to a slaughter only market sale. If going to a slaughter only market sale, contact the Division of Animal Health fair inspector for required information to collect.*

Swine from outside Wisconsin need a certificate of veterinary inspection that includes the following:

- The negative results of the PRRS test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- The negative results of the PEDv test from the swine's herd of origin conducted within 90 days prior to movement into Wisconsin including test date, type, and results.
- A statement that the veterinarian has inspected the entire herd of origin within the past 30 days and that no clinical signs of PRRS and PEDv or any other apparent disease was present at the time of inspection
- Official individual identification (ID)
- If the herd of origin tests positive for PRRS and/or PEDv, contact the Department of Agriculture, Trade and Consumer Protection at 608-224-4872 for options.

Acceptable methods of ID for swine are:

- USDA silver ear tag
- USDA 840 button ear tag, either visual or RFID
- Breed association tattoo if the pig is a purebred and the tattoo is registered
- An ear tag with the premises identification number and a unique identifier
- Ear notch if the pig is a purebred and the notch is registered

Requirements are subject to change as conditions warrant. For current information and for PRRS and PEDv testing options, check https://datcp.wi.gov/Pages/Programs_Services/SwineMovement.aspx.

Sheep and goats

Note: *These rules do not apply to non-domestic sheep and goats. For these animals see the section on Exotic ruminants below.*

Sheep and goats from within Wisconsin need:

- If sexually intact, need official individual identification (ID) at any age
- If not sexually intact, need official individual ID if they are 12 months or older

*Cannot be under restriction for movement to fairs and shows

*Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

*See below for Official ID options

Sheep and goats from outside Wisconsin need:

- Certificate of veterinary inspection (CVI or health certificate) and official individual ID for all animals

*Sheep and goats that go to a market or slaughter establishment after the fair should have an owner hauler statement to move from the fair to the market/slaughter establishment.

*See below for Official ID options

*See below for additional requirements for goats from Michigan's Tuberculosis Modified Accredited Zone

Official Identification Includes:

* Scrapie ear tags (including tags on neck straps for animals with absent/injured ears or with official tattoos -see DATCP Website and note below)

*USDA 840 Ear tags

*Legible breed tattoos (see DATCP Website and note below)

*Legible scrapie tattoos (see DATCP Website and note below)

Guidelines for housing and managing animals

The State Veterinarian recommends that exhibitors:

- Vaccinate breeding cattle against bovine viral diarrhea (BVD) at least 30 days before the event

- Test cattle for BVD-PI by immunoperoxidase test, and bring them to shows only if they test negative

- Test cattle for John's disease by ELISA test, and bring them to shows only if they test negative

- Clean and disinfect vehicles used to transport animals to and from the show, and vehicles used on the grounds before, during, and after the show

- Isolate exhibited animals returning to their farms or animals purchased at the show for 21 days before mingling them with other stock

The State Veterinarian recommends that show organizers:

- House cattle separately from South American camelids and other exotic ruminants

- House cattle separately from small ruminants, especially sheep

- House ostriches, emus, rheas, and cassowaries separately from domestic poultry

- House swine separately from any other mammals

- Include a space for the premises registration code on livestock entry forms

- Provide hand-washing stations near all livestock facilities

- Provide individual watering and feeding troughs rather than common ones

***ALL ANIMALS MUST BE ABLE TO BE SHOWABLE
OUTSIDE OF STALL OR CAGE. IF NOT
SHOWABLE, NO PRIZE OF PREMIUM OR RIBBON
WILL BE GIVEN.***

Little Britches Show

Burnett County Agricultural Society Fair – Grantsburg WI

Saturday, August 27, 2022 – 2 PM

Saturday August 26, 2023 – 2 PM

Purpose –

To allow children an opportunity to get involved in the Fair by showing livestock in a non-competitive, positive experience.

Who Shows –

Children ages 5-9, who have worked with the animal prior to the fair.

How is it set up?

- Children need to have a parent/guardian or older teenage siblings at ringside or in the ring the child and animal are in the ring.
- The animal must be shown with a halter (rope or leather). Adult may assist.
- The animals are in the youngest class allowed in the species.
- The animals may be brought in the day of the show and taken home the same day. Or they may be kept at the fair for the entire time.
- The “judge” has the child and animal circle the ring and possibly posing the animal. Then the judge will ask each exhibitor questions related to the animal.
- “What is your name?”, “What is your animal’s name?”, “How old is your animal?”, “What does your animal eat?”, “How much does your animal eat?” “Do you like showing at the Fair?”
- Each child is given a participation ribbon and items donated by local businesses.

Questions? Call Coke Scheider at 715-488-2472

All animals must have a permanent ID upon entering the fairgrounds and be in good health according to animal health regulations in the fair book.
