ST FAITHS PARISH CHURCH **OF ST MARY AND ST ANDREW**

**The Church of England and the Methodist Church
Worshipping & Working Together**

The end of June is known as Peter-tide, when we celebrate St Peter, who is acknowledged as the first ever Pope. All over the country around 29th June, hundreds of men and women will be ordained as Deacons and Priests in the Church of England. They will be committing themselves to the service of God as his ministers in the Church for the rest of their lives.

This year sees the anniversary of my own ordination – 21 years since that day in Exeter Cathedral which changed my life forever. Although that day seems a long while ago, it is still very clear in my mind: it was the first day I wore a dog-collar around my neck. Who would have thought that that little piece of almost insignificant white plastic could make such a difference? Yet, from then on, I became a public figure; everyone and anyone would stop to chat – in the supermarket, in the street, in the hospitals, in the schools and so on. Some would pour out all their troubles, others would tell their life story, others had deep theological questions, others asked for prayers of blessings and so on. It is a huge privilege and a massive responsibility.

Those promises I made to God all those years ago, and which countless others have made and will continue to make, are not the easiest promises to keep; but, with God's help they are not impossible.

Commitment to clubs, classes, even marriage, seem more difficult to find these days. When I was young, if I signed up for something I was expected to see it through. Now, you see folks signing up to all sorts of things with great enthusiasm, and yet, within a short space of time they seem to be bored with it, or perhaps find it too much like hard work, and they want to move on to something else.

As priests and deacons, we don't have that option; we are ordained for life – even beyond retirement – which is why the initial process is so long and rigorous. But, like I said, we have God on our side; and hopefully, church congregations who will support and encourage us, and pray for us, through the good as well as the tough times.

I am so grateful for that.

Anyone who is baptised into God's family is also baptised for life and has those lifelong promises to live up to, however hard that might be.

A student went into a photography studio with a framed picture of his girlfriend. He wanted a copy of the photo, which involved taking it out of its frame. The studio owner noticed an inscription on the back of the picture. It read: 'Dearest Tom, I love you with all of my heart, and I love you more and more each day. I will love you forever and ever. I am yours for all eternity.' It was signed, Diane. Then there was a PS, which read: 'If we ever break up, I want this picture back!'

All of us who have been baptised, confirmed or even ordained have professed our love for God and for our fellow human beings. We belong to Christ. There is no 'PS' in our life given to God. We can never break up with him. We are his. We belong to him – forever. And he will never, ever let us go.

How good are you at keeping your promises?

With my good wishes and prayers

serving the villages of Horsham and Newton St Faith

Call us on 0750 696 7280

Dear Neighbours

Can this really be the beginning of the end of the pandemic or is it a false dawn?

These past 15 months have been horrendous for us all but we can look forward to better times ahead. Now is the time to decide on the future of the
St Faiths Good Neighbour Scheme.

We have been running for 10 years now during which time we have been able to assist quite a few people. However needless to say none of us are getting any younger. We do
need younger helpers.

Assuming the Government's RoadMap stays on schedule and all remaining restrictions are lifted on Monday 21st June, we will be holding an open meeting the following day, i.e. at 19:00 on Tuesday 22nd June 2021 in Margaret's Room at the St Faiths Centre. If you are already a volunteer for the scheme or you want to express an interest, please come along.

If you can not attend but would still like to make contact please call the number above
(or below)

Our telephone is still manned so call

0750 696 7280

Hoping you are all staying healthy and can keep smiling.

The Parish Council had been meeting via Zoom but with COVID restrictions easing the next meeting will be held at St.Faiths Centre on June 21st. but in the “band room” to enable social distancing.

Complaints about cycling on the public footpath between Newton Street and Mill Street have continued and residents are reminded that it is **ILLEGAL** to cycle along this route which is for pedestrians only.

It is also an offence not to clear up dog-fouling.

The work on the new recycling centre to be accessed off the Cromer Road roundabout is progressing well and is still on target to open in September.

The notice board at Newton Park has been vandalised beyond repair and after considering the rather dilapidated state of the other three council boards the Council has decided that they should all be replaced with new metal ones.

At the annual meeting in May the accounts for 2020/21 were presented and are summarised below.

Finally the Parish Council has now received approximately £70k in community infrastructure levy from the Lovell development off Manor Road. £18k was spent on the upgrade of the street lighting and other infrastructure projects will be considered in due course. These funds may not be used for general running costs.

Birthstones

Many of the civilisations believe that precious possessions including gems had strange and mysterious powers and that certain gems could even prevent or cure diseases. The custom of wearing a birthstone for the month in which one was born started around the 16th century.

The traditional birthstones are:-

January	Garnet	July	Ruby
February	Amethyst	August	Peridot
March	Aquamarine	September	Sapphire
April	Diamond	October	Opal
May	Emerald	November	Topaz
June	Pearl	December	Turquoise

Amongst the powers these gems are supposed to possess, Turquoise is believed to prevent disagreement between a husband and wife, Aquamarine promotes the love of married couples, Topaz is a symbol of loyalty. Amongst the stones believed to have the power to cure or prevent illness the Amethyst is said to be especially effective against headache and toothache and diamonds are believed to cure leprosy insanity and nightmares. Agate reduces fever, Sapphire gives protection from the spirits of darkness the Chinese put jade bracelets or anklets on the children to protect them from harm. The Hindus believe Pearls guard them from all evils. The Garnet because it is the colour of blood is worn to keep the wearer from injury. Turquoise is also said to be a charm against falling off a horse and some people believe an Opal necklace guards the life and colour of blonde hair!

Meetings are normally held in the Mission Room on the third Thursday in each month at 7.45 p.m.

This is a friendly, sociable group and new members are always welcome

Mary Hewitt on 01603 867140 can answer any queries you may have.

All meetings remain **CANCELLED** until the current Covid 19 threat restrictions change to allow it to restart

ST FAITHS OVER 65 CLUB

Meetings are held on the 2nd and 4th Wednesday in the month at the Mission Room and start at 2.00 p.m.

We are all looking forward to getting back to normal - whatever that will be - and welcoming you all back to the Club when it is safe to do so.

I will telephone you all when this will happen.

ST FAITHS CENTRE OUTDOOR AREAS

Our woods, football pitch and childrens' play area are
open to public use

Unfortunately, some people do not give it the respect it
deserves and there has been some damage done and, in
spite of the numerous bins, rubbish left on the pitch and
car park areas

Also although we have provided a bin some still deem it
acceptable to let their dogs foul the woodland path

This is your Centre and everyone who helps to keep it in a
good condition is an unpaid volunteer

Please do consider what a benefit to the community the
Centre is and help to keep it that way

As previously mentioned we are hoping to have a general
maintenance day on Saturday 10th July
and it would be great to receive any help you can give

By way of thanks refreshments will be provided

Bubble Equipment

The Friends of St Faiths' secured a grant from Broadland District Council towards the end of last year. This month, the equipment started to arrive, and we've enjoyed playing with it at break and lunch! We have everything from frisbees to new footballs and there's still more to come!

Interactive RE Lessons

Our Foundation Governor, John Hindley, has been beaming in to our RE lessons this term. The children have been learning about different elements of Christianity and have raised lots of questions, which John has kindly helped them to answer. It has been a nice way for the children to keep their links with the church while maintaining social distancing!

Nebula Sports

As lockdown restrictions continue to ease, we are looking forward to meeting up with our friends from our other Nebula schools in July to participate in some Nebula sports competitions. Children in Key Stage 2 will soon be representing our school in a cricket competition. We are also looking forward to working with the Community Sports Foundation, who will be coming into school to deliver a Sports Activity Day for all our children.

New Intake

Families across Norfolk have been allocated school places for September and we are no exception. We're currently working hard to arrange a full transition programme for the children joining us to begin their school journeys in September. All being well, we look forward to inviting our new pupils and their parents and carers into school in July.

Farewell and Good Luck to Year 6

Over the past 7 years, the children in Year 6 have shared a variety of experiences and have many wonderful memories of their time at St Faiths'. As the year draws to a close, we will make sure this past year is no exception. We hope to have a final farewell with the children in July, ready to send the children onto their next schools. I'm sure you'll join me in wishing them every success in their futures.

And Finally... The St Faiths' Bug Hotel

Mrs Hopkins has worked really hard with the children to create an engaging and inviting bug hotel. After the older children worked on the structure with Mrs Nerney, our youngest children spent the week 'furnishing' the hotel, creating a palace fit for a queen (bee!). Thank you once again to everyone who provided the materials to make this project possible. The children in Key Stage Two have used this experience towards getting their green Blue Peter Badges!

Thank you for reading. We wish you a wonderful summer full of laughter, friendship and hopefully sun! We look forward to sharing lots more with you in the new academic year!

NORTHERN DISTRIBUTOR ROAD **(NDR)**

After all the fears and worries about the effect of the NDR on our lives one advantage has been to produce an easy and accessible walk from Horsham St Faith through to Spixworth.

Access to this circular walk is gained via
Bullock Lane
and takes you either side of the NDR

Once on Quaker Lane the walk can be extended by taking the permitted footpaths that lead off this lane and into the woods where bluebells are in bloom

‘Miles for Momo’

Hello again, as promised a little update about my training for the 200-mile Tunnel ultra-running race in September. I have been covering between 60-70 miles a week, some of it slowly and some at a good pace including hills and speedwork.

In April I completed the Peddars Way 48 mile ultra and I am soon taking part in the Angles Way Ultra (50k) and the Norfolk Ultra (100K). At the end of July, I will be doing the Dead Man’s ultra, an exceptionally long footrace around Norfolk. All these events combined with my regular training will help me to prepare for the big one in September.

So far this year I have ran over 1,500 miles for Momo and expect to hit the 2,000 mile mark in July or August.

I am running to help the ‘Mirkwood Rest Home for Retired Sheep’ a small animal sanctuary in Lincolnshire.

Thank you to everyone who has already sponsored me and if anyone else would like to donate I would be truly grateful. Any kind contributions can be posted through my letterbox at 17 Abbey Road, Horsham St Faith and will be passed on directly to the sheep sanctuary. I will do another update in the next Journal.

Thank you all for your kind support

Mandy Foyster
