ST FAITHS PARISH CHURCH **OF ST MARY AND ST ANDREW**

The Church of England and the Methodist Church
Worshipping & Working Together

Christmas and Epiphany have now reached their conclusion with the Feast of Candlemas (Feb.2nd) rounding it all off. Candlemas is when we celebrate Jesus being presented in the Temple. It was the moment when Mary and Joseph dedicated their Son to God's service, at the same time agreeing to bring him up in God's ways. On entering the Temple, the baby was instantly recognised as the promised Messiah that had been long awaited. Both Simeon and Anna spent most of their time praying in the Temple, and had looked forward, with eager anticipation, to the coming of this Messiah. Simeon had been promised by God that he would indeed see the Messiah before he died, and he was already a very old man. Both Simeon and Anna were very close to God and spoke with him regularly which was why, when Jesus arrived with his parents, (although there were no fanfares or parades) this special baby was, at once, familiar to them. They saw his face and they saw Emmanuel – God-with-us.

As I mentioned, the seasons of Christmas and Epiphany are now behind us; the trees and the cribs have been removed from our homes and churches, and very shortly we will be entering into the season of Lent. This year Ash Wednesday falls on March 2nd, and so Lent begins as we work our way towards the biggest Feast of the Christian Church – Easter (April 18th). I wonder what you might do this year in order to make Lent 'count' for you? Churches across the country will be holding Lent Groups. Through our discussion and reading we will learn more about the love of God and we will discover how that impacts on our lives in this 21st century.

Our Lent courses are open to everyone who has an interest so why not come and join us – come and see for yourself.

See our notice boards for further details and times etc.

We hope that as we learn more about God we will be drawn closer to him, and so, like Simeon and Anna, we might recognise God in the people he sends to us.

With my prayers and best wishes for a happy and healthy Lent

The cemetery drive issue still remains un-resolved. The installing contractor has marginally improved their proposals for remedial action but the Council did not feel that this met their requirements. The Council is now in discussion with their legal advisors which may involve future formal court proceedings.

At the December meeting the Council set the parish precept (the Parish share of the Council Tax) and they have made an increase of 4.7%. In reality this is no increase as the number of properties coming on stream in the Manor Road development which will contribute to the total means that individual households will pay approximately the same as last year.

Although Covid restrictions are being relaxed the Council has decided that the February, March and April meetings will be held in the Mission Room to allow more space for members and residents.

On the 15th December we celebrated our 50th Anniversary with an afternoon tea at the Mission Rooms. This was thoroughly enjoyed by all especially with nice music ably provided by Nick South. Our celebration cake was cut by three of our original members - Sally Howe, Shirley Clarke and Greta Howe.

We would like to thank all our members who have supported us during these challenging times and look forward to a busy programme for 2022

So Winter has arrived and the Winter Sunday League games are being played every other Sunday morning.

Wednesday Winter Casuals continue to meet at 10:30 at St Faiths. If you want to try Pétanque just come along then and say hello. We do have some spare boules that have very kindly been donated to the club so they can be borrowed.

In the meantime we are now planning our future Summer League games that will commence in April

If you have any questions about the game of Pétanque or the Wanderers St Faiths Pétanque Club itself, please call Michael on Norwich 890710.

It feels a while ago now, but we wish you all a Happy New Year!

Christian Values

Our most recent Christian value focus was 'Creation'. This was a point of interesting discussion in the lead up to Christmas and the children took to sharing their creativity in a variety of ways.

We celebrated our children's creativity with our Christian values award. Each class put forward an award receiver:

Elm Class - Ella-Bea for being creative with learning through play

Chestnut Class - Elsie for a beautiful original song and dance in our Children in Need talent show

Oak Class - Betsy A for being creative and thoughtful with cards and gifts for others

Willow Class - Tommy for a unique interpretation of a Design Technology project in class

A special congratulations goes to **Elsie**, who also received our '**Character Award**' for going above and beyond when demonstrating this term's Christian Value.

This half term we are focusing on one of our school's core values:
Responsibility.

New Year, New Term

As we head into a new calendar year, we have lots of exciting things to look forward to in the Spring and Summer term. Our Year 5 children are participating in 'Charley Charley One', a fantastic alternative education provision. It is designed to help students develop teamwork, problem-solving, leadership and communication skills as well as boosting their self-esteem and confidence. Participants who complete the award gain recognised awards in First Aid and Navigation skills, as well as a completion certificate... And the chance to build a bonfire and eat Smores!

Some other events we are looking forward to including Romeo and Juliet at Hellesdon High School, Nebula inter-school sports events – starting with cross country and, hopefully, some more class trips!

Children in Need

I've always known the children at St Faiths' were kind and generous but the donations received for Children in Need have once again shown what wonderful families we have. We raised around £109!

And it doesn't stop there...

This year's Talent Show was quite the performance! We had everything from football skills to hula hooping, interpretive dance and even a violin piece. It was a lovely afternoon, with lots of children having confidence to share their interests with us all. I couldn't be prouder of our children; they really excelled themselves in their performances and audience participation!

Watch out!

Someone has stomped into St Faiths' Primary... More will be revealed to the children over the coming weeks so please visit our school website to find out what's happening each fortnight in our school newsletter. We'll offer a sneak peak of the newest addition to the St Faiths' family in the next Journal!

Thank you for taking the time to find out about our school. If you are interested in joining our school community, please do get in touch!

Table tennis at the Centre

The second half of this season is upon us, and we can continue to play matches at the Centre and elsewhere, thank goodness. Just a few less fixtures than pre- covid days, of 2 years ago!

One major improvement for our players was the upgrading of the lighting in the room we use, with brighter and efficient L.E.D ceiling panels, and all players thank the Centre for a lighting level up to League play standard, as our eyes , in some cases, may be, but in fact, are dimming with age!!!! So no excuses any more, lads.

Our Norwich league teams are doing OK, but the SFC B team need to gather a few points to be in a safer position, as the end of the season will soon arrive. We are definitely too far down the table at mid season, despite a fairly good start to the season in September.

Our A team are steaming ahead in top spot at the moment, and are likely to return to Premier status next season if they keep it up. Whilst we are all enjoying our return to play, it is noticeable and such a shame that a lot of players have not returned from lock downs for one reason or another.

Moving to Norwich League Premier B, newbees, St Faiths Rams, are currently in second place behind UEA who are currently unbeatable , so the St Faiths Rams could even go into Premier A if they carry on like this. They are a “family” side consisting of Steve Gurton, with son, Jack, and daughter Sophie. Dave Charles helps out when one of them is unavailable

In the Dereham League, St Faiths are mid-table, although there are only 9 teams this season in Division 1. They must stay there to avoid any threat of relegation.

Horsford Heroes

In Memory of Carol Kemp

As an aside to our usual submission to the Journal, we would like to use this entry to pay tribute to the memory of our long time, fellow club member and friend Carol Kemp who died on Christmas Day 2021 following a long illness.

Carol was a founder member of the Horsford Heroes SMBC which was established in 1993. She often led and also took an active part in organising club social events. We have the happiest memories of the fun we shared at the Ten Pin Bowling evenings she arranged at Coltishall. Carol also served on the Committee as Treasurer and looked after collecting match fees and selling raffle tickets right up to the Covid Lockdown.

Playing in the club's in house competitions, Carol was the Singles champion and on several occasions as part of a team, won most of the other club competitions – Anniversary Triples, Pairs, Triples and Fours.

Carol has left us all with the fondest memories of her and has left a void in our club and lives', we will miss her and her cheerful banter. R.I.P dear friend

Our thoughts are with her husband Mally; son Mark and his family; and daughter Tracey.

VIEWS ON AGING

Do you realise that the only time in our lives when we like to get old is when we're kids? If you're less than 10 years old, you're so excited about aging that you think in fractions.

How old are you? I'm four **and a half!** You're never thirty-six and a half. You're four and a half, going on five! That's the key.

You get into your teens, now they can't hold you back, You jump to the next number, or even a few ahead.

How old are you? I'm going to be 16! You could be 13, but no you're going to be 16! And then the greatest day of your life - you become 21. Even the words sound like a ceremony.

But then you turn 30. Oh, what happened there? Makes you sound like bad milk. He **TURNED**; we had to throw him out. There's no fun now, you're just a sour-dumpling. What's wrong? What's changed?

You **BECOME** 21, you **TURN** 30, then you're **PUSHING** 40. Put on the brakes, it's all slipping away. Before you know it, you **REACH** 50 and your dreams are gone.

But wait! You **MAKE** it to 60. You've built up so much speed that you **HIT** 70

After that it's a day-by-day thing; you **HIT** Wednesday!

You GET INTO your 80s and every day is a complete cycle; you HIT LUNCH; you TURN 4.30; you REACH bedtime.

And it doesn't end there into the 90s you start going backwards!
i was JUST 92!

Then a strange thing happens. If you make it over 100 you become a little kid again. I'm 100 and a half!

May you all make it to a healthy 100 and a half!

HOW TO STAY YOUNG

Throw out non-essential numbers. This includes age, weight and height. Let the doctors worry about them.

Keep learning. Learn more about the computer, crafts, gardening, whatever. Never let the brain idle

Enjoy the simple things

Laugh often, long and loud

The tears happen. Endure, grieve and move on. The only person who is with us our entire life is ourselves. Be ALIVE while you are alive.

ALWAYS REMEMBER - Life is not measured by the number of breaths we take but by the moments that take our breath away!
