First Culinary Restaurant Upgrades with GECKO®

The popular First Culinary Restaurant (第一食为鲜) located in ITE College Central offers sophisticated, yet relaxed and brasserie ambience and is an ideal place for hosting community events, business and private functions.

Sound quality plays an important part for the whole of First Culinary Restaurant's experience, and for that GECKO® C.R.I.S.T.A.L.® Audiophile systems were selected and installed.

The dining area enjoys an evenly covered C.R.I.S.T.A.L.® clear sound with two pairs of GECKO® REVELATION SR 606R (6.5") speakers, driven by a unit of GECKO® GENESIS ELEGANCE AGE 600H Class-H power amplifier, with GECKO® EXODUS ALPHA MXR 1800 18-channel mixing console.

EXODUS ALPHA MXR 1800

EXODUS ATOM MXR 808A

VVIP room with GECKO®
C.R.I.S.T.A.L.® Audiophile system

The VVIP room enjoys high fidelity sound, produced with a pair of GECKO® REVELATION SR 606R speakers and driven by a unit of GECKO® EXODUS ATOM MXR 808A 8-channel active mixing console.

Other GECKO® equipment includes PASSION MP 830S supercardioid microphones, PASSION MP 621W/RP 211U wireless microphones, TRUTH T2 speaker cables, TRUTH T3AL signal cables, and OLYMPIAN series connectors.
