Echuca was founded by one of the most enterprising characters of the early colonial days, an ex-convict named Henry Hopwood. In 1850 he bought a small punt, which operated across the Murray river near the Campaspe Junction. Originally known as “Hopwood’s Ferry” the name was changed to Echuca as the town grew.

Hopwood worked to establish a town, which eventually had a major influence on the development of the great inland river system. When he died in 1869 he left a thriving town where nothing had existed 16 years earlier, when he built his first slab Inn.

Day 3:

(B/L/D)

This morning after another lovely breakfast we make our way to the **Great Aussie Beer Shed & Heritage Farm Museum** for a guided tour. Opening in 2003, this is one of the most unique and entertaining tourist attractions in Australia. Owner Neil Thomas has collected this amazing array of Aussie collectables and is on hand to provide you with an enthusiastic and entertaining guided tour highlighting the history and uniqueness of some of the items in this massive 5,000sq ft. shed. Then we are off to the **Historical Port area of Echuca**. Here we meet a local character who will help us understand the history and stories relating to the **Echuca Port**. Our guide will point out areas of interest and share tales of the colourful personalities that crewed the old river boats. All the events we learn about happened when trade was booming here at the turn of the century. Off we go to lunch at the **Echuca Workers Club** – lunch is on us today – please enjoy!.

After lunch we head out to the tiny historic village of Womboota to the **Old School Winery & Meadery** - not just another winery (although they do make small batches of handcrafted red grape wines). They are also a meadery! Mead is honey wine – possibly the world's oldest fermented drink – and it's very special - maybe you've always wanted to try the favourite drink of heroes, kings and queens, Norse gods, Vikings, monks – and wizards! Be tantalised and delighted by just how subtle and enchanting mead can be in the modern world, when it's brimming with the flavours of Australian bush honeys. There are some lovely pottery works also on show in the cellar door. After an enjoyable afternoon we head back towards Echuca, our motel and a lovely 2 course dinner. After dinner we head out to our **Port after Dark tour**. Here we will discover dark secrets of the past. Exploring the nooks and crannies of Echuca's Port side which plays host to lingering spirits. Feel the eerie presence of orbs in the dark alleyway and learn about the tales of greed, murder and betrayal leading to the lost souls and sightings of ghostly apparitions. Sleep Well!
