## INTRODUCTION

### **Centenary Year Introduction by Athol Fullwood. 1997**

In this centenary year of the South Brisbane District Cricket Club, a decision was made to update the history of the Club. After the first fifty years, the then Secretary, Jack Hoelscher, wrote the Club history. In his speech at the nineteenth anniversary dinner, Bob Young enlarged on this history. This history has drawn upon parts of both efforts. Prior to this current publication there has not been a list of players. Information has been gathered from annual reports post 1924, and newspaper results from 1897 to 1924. My thanks to QCA historian Warwick Torrens who provided information from his vast knowledge of Queensland cricket, and Ian Sturgess also of the QCA who is collecting information on club cricket in Brisbane. The material contained in this book has been collected over a period of three years. I hope you enjoy reading the Club's history in its hundredth year. I apologise in advance for any errors and omissions and would appreciate any corrections so that the master copy can be updated.

### **Forward by Clayton Bradford, 2019**

For a number of years, I have been collating the history of the Club using the incredible amount of information already gathered, and memories of such club luminaries as Athol Fullwood who wrote the original version of this document in 1997 on the occasion of the 100<sup>th</sup> anniversary of the club. Other Club statesmen such as David Applegarth, John McKnulty and many others have also provided material for this club history update. My intent was not to re-write, but to add to the information, using modern technology and research, including archive material, images and war records that were not available previously. I hope you enjoy this updated version. Like all of our members, and as a member driven club of over 120 years, I hope you will all add to the glorious history of South Brisbane District Cricket Club during your time here.

### **Forward by former President and Life Member, Sal VASTA (Former Chairman, Queensland Cricket)**

South Brisbane District Cricket Club has one of the richest histories of any cricket club in the nation. We are a foundation club, and it is to our club that others look for guidance and example. But in the rush of modern day life, it is sometimes difficult to take stock of where the club has been, and therefore, the historical importance of decision that are to be made. This is why it is imperative that our Club has a record of its history. But this history is not a dead document, on the contrary, it is a living document and, as Clayton has said, all member of our great Club are contributing to writing the next chapter. I commend the work of both Athol and Clayton who have ensured that our Club will always know our history. For it is in knowing from where you have come, that you can truly know where you are going.

NOTE: This book contains the names and images of deceased indigenous players. The club has determined to use these images to celebrate their inclusion in the rich history of the club and what was likely some of the first inclusion into grade cricket in the early 1900's.

## History

One of the first mentions of cricket in Queensland was in the Sydney Morning Herald on 18 April 1844, when it was reported that a cricket club had been formed at South Brisbane. This was the Albion Cricket Club. The article announced that field operations would commence as soon as bats, ball and stumps were received from Sydney.

There was mention of a South Brisbane Cricket club as early as 1859 including many games against various clubs in the area. A diary entry, kindly donated by Mr M W Stevens of Montague Rd Hill End in the late 1970's, from his late Grandfather Samuel Stevens. The diary entry says – Aug 5th/59 – Attended a meeting for the purpose of organising a Cricket Club in South Brisbane which was done, the entrance fee being fixed at 5/- and the Annual Subscription 10/6. About 18 or 20 gave in their names for enrolment after which a Committee were balloted for when the following Members were returned in order given – Messrs D Peterson, S Stevens, J Harrison, J Wonderly, D Donovan, Mr Seth Peterson Hon Secretary and Treasurer.

After 1876, the Queensland Cricket Association was established as the official body to control cricket in Queensland. For some years there were rival associations and clubs, and it was not until 1899 that the three rival associations – the National Cricket Union, the South Queensland Cricket Union and the Queensland Cricket Association were amalgamated. The amalgamation and the Electoral System brought to a close the strong clubs, such as Alberts, Balmoral, Graziers, Oakfield, Stanley, Corinda, Oxley, and Ivanhoe, which had existed in Brisbane for years.

In 1896 only 17 clubs were affiliated with the QCA, in 1907 it stood at 82 by 1912 had grown to 123 clubs. There were no regular fixtures until the QCA commenced electorate cricket in the 1897-98 season. Prior to this, matches were arranged on an ad hoc basis.

Many of our founding players played for strong clubs such as the Graziers prior to the electorate system being introduced, modelling the Sydney Electorate Cricket system at the time.

**Alderman, Mayor of South Brisbane Municipality (3 years),**  
**First Patron and Founder of South Brisbane District Cricket**  
**Club in 1897.**

Presided over the First meeting of South Brisbane District Cricket Club. Mr A F LUYA passed away in 1899 and his wife, only mentioned as Mrs A F LUYA, lived until 1923. The newspaper report of the time indicates that she was a much loved resident. Mr LUYA, with fellow MLA and former South Brisbane Mayor Williams Stephens held the first meeting of the club. He was a business man who had many interests and involvements within the area.

Mr and Mrs LUYA are apparently buried at the South Brisbane Cemetery (possibly now Dutton Park).

## **The Foundation Meeting of South Brisbane Electorate Cricket Club**

A meeting was called of those interested in forming an electoral cricket club for South Brisbane at the Municipal Council Chambers, South Brisbane, on **13 August 1897**.

His Worship the Mayor of South Brisbane, Alderman A F Luya presided, also present were Mr C McDonald MLA and the Honourable W Bulcock MLC.

Alderman Luya moved:

*That it is desirable to form an electoral cricket club in South Brisbane on the basis laid down in the constitution and rules of the Queensland Cricket Association.*

This motion was seconded by Mr C McDonald MLA and unanimously adopted.

Mr George Fish moved:

*That the club be called the South Brisbane Cricket Club and that the subscription should be such as to prevent the necessity of making any collection from visiting teams. The subscription should be as low as possible and should not exceed 10 shillings and 6 pence per annum.*

This was seconded by Mr Thurley and carried unanimously.

Mr Arthur Midson moved:

*That gentlemen seeking membership be requested to subscribe to the roll at once.*

This was seconded by Mr J Davies and carried.

The chairman announced that the club would start with a strength of 40 members. The general subscription was fixed at one guinea.

The following officers were elected:

**Patron - Alderman Luya**

**President - Mr W Stephens MLA**

**Honorary Secretary Mr J J Taylor**

**Assistant Honorary Secretary Mr G Pope**

**Honorary Treasurer Mr W T Fisher**

### **Committee**

Messrs O Hitchcock, G Fish, A Brown, R Wilson, W Lewis

### **Delegates to Queensland Cricket Association**

Messrs Taylor and Pope

### **Selection Committee**

**William Stephens**  
**MLA (1888-1904 & 1907-1908),**  
**Alderman and Mayor of South Brisbane (1888-1889). b. 1857 – d. 1925.**

**Founding Member and the First President of South Brisbane District Cricket Club in 1897.**

Son of a Baptist Minister and also a member of Parliament of Qld (MLA).

If you are around Annerley, you may notice that there is a municipality in the area called 'Stephens' which is named after his family, i.e. Stephens RSL.

If you remember the Clansmen Restaurant in Waldheim St, Annerley, which was opposite the Junction State School, you may be interested to know that the house was owned by Stephens father and then William.

It is also the site of an old rifle range!

The eldest of 11 Children, he was described as a versatile man who owned a Tannery (possibly at Ekibin), and a newspaper. His father died when he was 20 and he was required to manage his fathers considerable estate on behalf of his mother and siblings.

He was a councillor for over 30 years, including 7 terms as chairman. He was elected as first Mayor of South Brisbane and twice more after that.

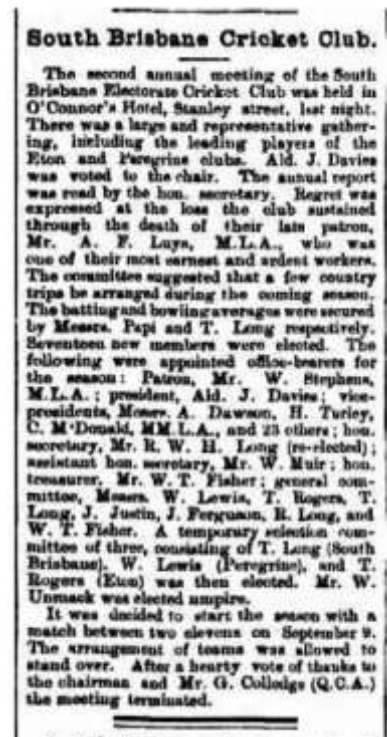

Married in 1900, built 'Waldheim' (German word meaning home in the forest – refer Waldheim St if you know Annerley) and then another house 'Knutsford, in 1907.

## **ELECTORATE AND GRADE CRICKET**

Electorate cricket (changed to District in 1931) started with eight "A" grade clubs- Bulimba, Fortitude Valley, North Brisbane, Nundah, South Brisbane, Toombul, and Woolloongabba. Only South Brisbane and Valley have played in every season under their own name, Bulimba played two matches before withdrawing from the competition.

Grounds used were the Brisbane Cricket Ground, Davies Park, Exhibition Ground, Maggs' Paddock (Kedron), Queen's Park and Toowong Sports Ground.

## DAVIES PARK, WEST END

Six acres of land was purchased in West End by John Hardgrave in 1860. Brisbane City Council took over the land from owner Phillip Hardgrave in the 1880s.

Alderman John Davies, then President of South Brisbane Electorate Cricket, arranged for the acquisition of land in West End in 1901 (Now called 'Davies Park') which served as the home of South Brisbane Cricket for many years.

Davies Park also hosted speedway, and is still the home of the Magpies Rugby League club.

### John Davies esq. Patron 1905 – circa 1912, President 1898-1905

Alderman Davies completed his pharmacy degree at Guys Hospital in London before emigrating to Australia in 1885 where he bought a pharmacy in West End (JP Davies Pharmacy).

He served as Mayor of South Brisbane, elected in 1905.

He served as member and president of the Qld Pharmaceutical Society and the Royal National Association and was also President of the South Brisbane Bowls Club. Davies passed away in 1948.

Also President of the South Brisbane Bowls Club in 1942-43.

### Newspaper description of the First Match

Electorate cricket was introduced in Brisbane in 1897-1898 season and only two clubs, South Brisbane and Valley have retained their original identity. South Brisbane's first match was against Toowong at the Toowong Sports Ground commencing on the afternoon of Saturday the 2nd of October 1897.

#### Day One (From the newspaper reports of the time)

South Brisbane won the toss, occupied the wickets first and continued in possession until time was called. S Donahoo and W McGlinchy opened the innings for South Brisbane. The former batsman, by free and vigorous play, soon had 50 runs to his credit, his partner being content with playing a more careful and painstaking game. (At the fall of the third wicket) W T Fisher now became associated with Donahoo and runs came at a great rate. Both men hit very hard, and boundaries were numerous. Donahoo had now reached the coveted century (The first to be scored in Electorate Cricket) and was batting as vigorously as when he first started: ball after ball was either dispatched over the fence or to the boundary. A slight adjustment was made, and on the resumption of play Donahoo was clean bowled by P Pratten. Donahoo played a splendid innings.

His Batting was free and vigorous from the start, and stroked all-round the wicket were well timed and hard. His cutting was perfect but the special feature of his innings was the capital driving, the ball being hit seven times out of the ground. All bowlers were treated alike, and they had a very

South Brisbane, who had lost 5 wickets for 227 at the conclusion of the previous Saturday's play, were all dismissed for 290 runs. A Jones, the not out batsman on the previous Saturday, very quickly compiled 33 runs, and was unfortunate in being run out when well set and playing good and sound cricket. He was the only batsman who troubled the bowlers.

Toowong quickly started their innings by sending in Hulle and F Pratten. The former quickly retired, behind bowled by McGlinchy. De Winton, after hitting three runs, was sent to the right about, and Colledge soon after followed in his footsteps. Green was Pratten's next partner, and a serviceable stand was now made. Pratten was the first to go, being caught by A Jones. Doran was next in, but did not last long, for after scoring a double and a single was clean bowled by McGlinchy. Shields followed and helped Green to raise the total slightly. He, however, was disposed of after making 8 runs. Hassall joined Green, and was eventually bowled by Tanner. The succeeding four batsmen failed to make any prolonged stand, and the innings closed for a small total of 39 runs. After a quarter of an hour's adjournment, the local team started their second innings. (When time was called) Toowong having lost 4 wickets in the second innings for 66 runs, the local team have 196 runs to get, with six wickets to fall to save a 1 innings defeat. W McGlinchy trundled in grand form, obtaining 7 wickets for 46. Tanner bagged 5 for 41 and J E Justins 1 for 6. The fielding of the Toowong's was patchy, but that of the South Brisbane Team was of the highest order.

Wet conditions prevented play on the final day of this match and the match was listed as a draw.

(Editor: Whilst the correspondent of the time lists day 3 as weather affected and a draw result, the score card from newspapers of the time show that the final score was an innings win by 118 runs.)

## TO WORLD WAR 1

The first century in electorate cricket was made by a South Brisbane player, S J Donahoo, on the first day of the 1897/8 season. He scored 124 in a total of 290. By dismissing Toowong for 39 and 133 South Brisbane won outright by an innings and 118 runs. The scorecard of the first match is printed in full later in this booklet.

Premiership honours first came to South Brisbane in the 1900/01 season. The team included many leading players of that time, W T Fisher, A Marshal, H B Griffith, T T Long, and H J Lewis who all represented the state. The leading run scorer was Alan Marshal with 329, and the leading wicket taker was W B Griffiths with 50.

South Brisbane again won the "A" Grade premiership in 1903/04. Most runs were scored by Alan Marshal with 295 and most wickets were taken by Albert Henry with 39.

**Seated:** T B Faunce, John Davies esq., W T Fisher, T S Wotton (Hon Sec), B Papi.  
**Front:** A H Jones, W Marshal, W A Greenwood

Then we come to the first of three "Golden Eras" as far as results are concerned, the club being successful in winning the "A" Grade premiership four years in successions from 1906/07 to 109/10, and again in 1912/13, while from 1907/08 to 1912/13 the "B" was successful on five occasions (there were only two grades in those days).

Seated at front – J Thompson, W Clark.

No detailed results have survived for “B” Grade, but the leading run scorers and wicket takers in the “A” Grade in this era were:

SEASON	MOST RUNS	MOST WICKETS
1906/07	T B Faunce 469 W B Hayes 405	C B Barstow 86 W B Hayes 47
1907/08	J Thomson 420 W B Hayes 346	C B Barstow 61 W B Hayes 43

1912/13	J Thomson 387 L O'Connor 429 W B Hayes 362	W B Hayes 37 W B Hayes 53 C B Barstow 39

During that period South Brisbane had many fine players, the most prominent being Alan Marshal who first played in 1897/98 at the age of 14 and continued until 1911/12. Albert Henry, an Aboriginal fast bowler, was claimed by many to be the fastest bowler in the world at that time.

### Pre World War 1 players

#### Albert Henry

(born circa. 1880 – d.1909)

#### **First Grade player number 75**

Albert played for South Brisbane in the 1903/1904 A grade Premiership Team and was reputed as the fastest bowler in the world at the time. This photo from the South Brisbane A Grade Premiership Team of 1903/1904 is probably one of only 2 images of Albert existing. He was among the first Indigenous Grade Cricketers of his time. His Wikipedia entry is as follows: [http://en.wikipedia.org/wiki/Albert\\_Henry\\_\(cricketer\)](http://en.wikipedia.org/wiki/Albert_Henry_(cricketer)).

Albert Henry (also known as Alec Henry; c. 1880 – 13 March 1909) was one of the first Indigenous Australians to play first-class cricket. He was a right handed fast bowler. Henry was born in Boonah, Queensland and lived at the Deebing Creek Reserve near Ipswich, Queensland.

He played in seven first-class matches for Queensland between March 1902 and April 1905, scoring 36 runs in 13 innings and taking 21 wickets at an average of 32.04.

He made his first-class debut in the match between Queensland and New South Wales in Brisbane in March 1902. This match became the subject of much media attention in Australia, because it was the first time that two Aboriginal Australians had played in opposing teams at first-class level, with the New South Wales team including Jack Marsh, another fast bowler who had been accused of throwing. Henry was reputedly the fastest bowler in the world. As part of the media promotion

of the match-up between the pair, Henry was taken to Ipswich station to meet Marsh. Marsh was reported in the media as having said “Say old man, toss me up a soft one so I can get a smack at you”.

Marsh took 2/64 and 3/67 and Henry took 2/59 and 1/38 in a drawn match. Marsh and Henry each bowled three of their victims. They also dismissed one another once, each being bowled for nine in their respective team’s first innings, and neither batted in their team’s second innings, creating some symmetry in the scorecard. Nine was to remain Henry’s highest first class batting score.

Henry also played against Marsh in his second first-class match, between Queensland and New South Wales at Brisbane in November 1902. Henry scored 2 and 4 not out, and took 0/39 and 5/40, his best single-innings bowling return, but New South Wales won by 77 runs.

Henry played against New South Wales at Sydney in December 1902, scoring 7 and 0 and taking 3/86 and 0/70 as New South Wales won by 2 wickets; against Victoria at Brisbane in January 1903, taking 3/76 and scoring 4 and 1 not out as Victoria won by an innings and 327 runs; against the touring Marylebone Cricket side in November 1903, taking 2/60 – the wickets of Len Braund and Ted Arnold – and 0/21 and scoring 0 not out twice, as MCC won by 6 wickets. He played in his last first-class matches against New South Wales, at Sydney in December 1903, taking 0/57 and 4/49 and scoring 0 and 0\*, with New South Wales winning by 2 runs, and at Brisbane in April 1905, taking 1/78 and New South Wales winning by an innings and 12 runs. After he was no-balled for throwing in a club match in 1904, he confronted the umpire AL Crossart, saying that his good balls were no-balled, but the balls he threw deliberately were not!

After disagreements with the authorities at Deebing (near Ripley), he was moved to Barambah (now Cherbourg) and then Yarrabah, where he died of tuberculosis before his 30th birthday.

### **William Bede ‘Billy’ HAYES**

#### **First Grade player number 67**

William B Hayes was a most outstanding all rounder both for club and state for many

years. His opening partnership of 291\* against Valley in 1905 with T B Faunce is still the A Grade (First Grade) Opening Wicket club record. Faunce also played for Queensland. J Thomson was a forceful left hand batsman who scored many runs for both club and State.

*See World War 1 and Qld Profiles.*

**Pic: William B Hayes – 1908 Qld Team**

**Charles B BARSTOW****First Grade player number 87****Queensland Representative Player**

Charles B Barstow came from the Etons Juniors in 1905, and in his two first seasons with the club took 164 wickets. His 86 wickets in 1906/07 is still the greatest number taken by any bowler for the club in one season. Charles played for Souths from 1905-1911 when he transferred to Toombul under the Electorate residential rules.

Barstow was unlucky, in that he mainly played for Queensland before it entered the Sheffield Shield and was considered to old to play for Australia. On his day, he was reputed as being unplayable in club cricket. In 1909/10 he took 10/34 against Oxley and also had Toombul at 8/1 at one stage against Toombul. He won 16 grade premierships with various clubs. His first class record was 78 wickets at 78.2. Barstow died in 1935 at only 52 years of age.

**Charles B Barstow – Qld Team (Image State Library of Qld)**

**John Sidney (Sid) REDGRAVE****First Grade player number 109****Queensland Representative Player**

Born in North Sydney in 1878, John Sidney (Sid) Redgrave was brought to Queensland by the QCA in 1908 as state coach after playing for New South Wales from 1901 to 1908. He played for the club until 1941. A right handed bat and Right arm medium bowler, Sid all round figures were impressive. In 1909/10 Sid scored 732 runs at 66.54 including 4 centuries and took 41 wickets for 442 at an average of 10.78 including 3 five wicket hauls. Sid is the namesake for the South Brisbane All Rounder trophy. Sid was made a life member of the club in 1922.

**J S Redgrave in the 1910 Queensland Team**

**Cecil Bertram Vernon ST JOHN**

**d. Sept 1932 (Aged 54 years)**

**First Grade Player 98.**

C B St John was a very useful all-rounder who although having only one hand was a fine athlete and represented Queensland in both rugby union and tennis.

Cecil held several State Tennis championship titles and also won the Australian Doubles Championship in 1923. He was the Secretary of the Qld Lawn Tennis Association and coach.

He is pictured here winning the Metropolitan Tennis championship, Brisbane 1915.

Wicket Keeper for Queensland. Prior to playing Cricket for Queensland, O'Connor briefly played Australian Rules Football for Essendon in the Victorian Football League. O'Connor joined

South Brisbane in 1912/13 and first represented Queensland in 1913. He represented Queensland for over 15 years before being named as the inaugural captain for Queensland in 1926 when we entered the Sheffield Shield Competition.

In his first game for South Brisbane, Leo added 265 for the first wicket with W B Hayes.

The first game against the old enemy New South Wales in Brisbane, Queensland had to chase 400 runs in the 4<sup>th</sup> innings. O'Connor opened the batting and score 196 before being run out. As the last wicket to fall, Queensland lost the match by a measly 8 runs. The next week, O'Connor travelled to New South Wales for the away fixture and scored a century in both innings, being the first to achieve the goal in Shield competition. Leo's son, Brian O'Connor also played cricket for Queensland.

Leo moved to the Valley Electorate and also played for Valley District Cricket Club.

## WORLD WAR 1

South Brisbane District Cricket Club has been able to identify some of our players who served in World War 1, and who also paid the ultimate sacrifice in the service of our Country. This list is not exhaustive but is limited by club records of the time.

### Alan MARSHAL

**Born** – 12/06/1883, Warwick

**Enlisted** – 19/10/1914 (30 years of Age)

**Service number** 163

**First Grade Number** 14

Served with the 15<sup>th</sup> Battalion in Gallipoli as a Private.

On catching Enteric Fever (Typhoid) Alan was evacuated to Malta where he passed away in the Malta Military Hospital on 23/7/1915.

**Buried** – Pieta Military Cemetery, Malta, Grave 1, Row B3

**Queensland Representative Player**

The Club's first premiership came in 1900-1901 when the Club won the First Grade Premiership.

No doubt the most outstanding player for South Brisbane in the early years was Alan Marshal who in 1904/05 scored 221 runs for South Brisbane against Nundah. This score stood as the highest individual score until it was surpassed by Glenn Trimble who scored 230 n.o. against Wynnum-Manly in 1986-87. He was a tall man, standing at 6ft 3".

Marshal was the son of a Lincolnshire

Englishman who had

emigrated In 1909, while playing for Surrey, Alan Marshal was included in Wisden's 'Five Cricketers of the year'. In 1910 he returned to South Brisbane and played for the club until the outbreak of World War 1. Alan enlisted with the Australian Infantry Force (AIF), 15<sup>th</sup> Battalion.

Marshal was a hard-hitting middle-order batsman and a fast-medium bowler who got some spin off the pitch. Alan was a naturally talented cricketer from a young age playing for both South Brisbane State School and Brisbane Grammar School. He started playing grade cricket at age 14, later playing some grade games in Sydney and then for Queensland before heading to England where he made his mark in County Cricket.

Marshal had played just eleven games for Queensland – at that time not part of the Sheffield Shield competition – when

GRAMMAR AT GALLIPOLI: BGS Old Boy Alan Marshal played cricket for Surrey and was one of Wisden's Five Cricketers of the Year in 1908. It was said 'he could hurl a jam tin bomb no less than 60 yards'. Visit: <http://www.bgs.org.au/11555481>. Marshal fought at Gallipoli and died soon after of Trench Fever in Malta. Read his story in BGS' 85-page commemorative book Grammar at Gallipoli, order your copy here: <http://bit.ly/1H9GW4H>

he arrived in England in 1905. He proceeded to make more than 2,700 runs in club cricket, principally for W. G. Grace's London County Cricket Club, and also played a few first-class matches for amateur teams. In 1906, he did even better: in all cricket, he scored more than 4,300 runs in the season. Qualified by residence to play Championship cricket for Surrey in 1907, he passed 1,000 runs at a respectable average of almost 25 runs per innings.

But in 1908 his career took off: he scored 1,931 runs at an average of more than 40 runs per innings, and his clean hitting – he was particularly strong at driving – made him the sensation of the county cricket season. He was duly named as a Wisden Cricketer of the Year in 1909.

(Marshall seen replicating the famous Victor Trumper batting picture in Surrey)

Marshall was unable to repeat the success of 1908, however. He scored 1,000 runs again for Surrey in 1909, but at a much reduced average. He was suspended for some games by the club committee following an incident when Surrey were playing Derbyshire at Chesterfield. The committee did not publicly give the reason for their decision but, according to Jack Hobbs' autobiography published in 1935, Marshall and some teammates had been heading and kicking a ball about in the street on their way to their hotel. A police constable asked Marshall for his name. However he refused to give it, so was taken to the police station. The case was sent to the Chief Constable, but he dismissed it and it did not reach court. Hobbs himself was not in Chesterfield, as he was playing for England at the time.

After a handful of games at the start of the 1910 season, Marshall's contract was ended. He returned to Australia, where he again appeared in occasional matches for Queensland, but with limited success.

His first-class figures were: 119 matches, 198 innings, 13 n.o., 5,177 runs, highest score 176, with an average of 27.98; 114 catches. Bowling: 119 wickets for 2,718 runs, at an average of 22.84. His best bowling was 7 for 41.

His nephew Alan William Marshall played for South Africa from 1941 – 1956. He was also Great uncle to Actor, Alan Marshall (1909-1961)

# A HERO ON TWO FRONTS

Australia lost men of all kinds on battlefields and in field hospitals – including an unsung sports great

**PAST AND PRESENT:** South Brisbane District Cricket Club's current first-grade captain Emmanuel Peterson (inset) with the 1903-04 team photo featuring skipper Alan Marshal (main), who was judged one of Widen's best cricketers of 1909 and who served at Gallipoli. Picture: Liam Kishon

ALAN Marshal was tall, dark and debonair, and when he stares at you out of a sepia-tinted photograph, you find yourself staring straight back. With a face that is somehow strong yet soft, he had the looks to charm the women and a robust life story to impress the men. His gaze is committed and strong.

His features suggest he might be more at home on stage than playing cricket, but he managed to combine both one night in 1908 when he and his Surrey teammates put on a game of cricket against Middlesex on stage in mid-winter on a 15-yard pitch at the London Coliseum Theatre.

**ROBERT CRADDOCK**

It summed up the colourful life of a man who travelled by his own compass.

Marshal's calling was cricket, yet even the game's most devoted historians would struggle to remember him.

He never earned a Baggy Green. He never played a Sheffield Shield match because his 11 games for his state came before his state was admitted to the competition.

As well as being an impress-

ive medium-pace bowler, he was also one of the biggest hitters of his time.

Despite relative anonymity, Private Marshal did something more brave and more honourable than anything possible on a cricket field.

He died for his country. In pain. A long way from home. He was just 32.

His life story is one of great fulfilment and adventure yet, ultimately, abject waste.

There was no fanfare for the fallen in the Malta hospital where Marshal died on July 23, 1915. Suffering from gastro-intestinal diseases, he had been evacuated from Gallipoli where, three weeks later,

hundreds of his fellow soldiers from the 15th Battalion were slaughtered.

He is buried with many of his countrymen in Pieta Military Cemetery in Malta. His humble resting place masks a story of rich and exotic flavour.

In 1909, Marshal received the greatest honour of his career when named one of the five cricketers of the year by the game's bible, Wisden.

Yet the same man was happy to be captain, secretary, treasurer and ground-keeper for the Clifton, a semi-social team in Brisbane.

Born in Warwick and educated for a time at Brisbane Grammar School, Marshal

learnt the finer points of the game playing brothers Marcus and Isley in the front yard of his home in Gladstone Rd, Highgate Hill, South Brisbane.

At Brisbane Souths he stood tall as the club's best player in their early years, delivering the club their first premiership in 1900-01 and later scoring 221 against Nundah, an innings that remained a club record for 84 years.

His career was filled with quirks. When he first made his way to London, he played in the club team of the game's pioneer, W.G. Grace.

When he decided to sail home to Australia for good on September 12, 1910, Marshal

squeezed in one last game on the day before he left and struck 259 for the Whitehouse Wanderers against W. Jones's XI, including 13 sixes.

Marshal never quite achieved the success tipped for him, but he still left a mark.

He is one of the 62,000 Australians who lost their lives in the First World War and whose names flash up on the facade of the Hall of Memory at the Australian War Memorial in Canberra.

Each name will appear for about 30 seconds, about 30 times, between August 2014 and November 11, 2018.

It is the very least Australia can do.

## Thomas Bowman FAUNCE

**b. 1883**

**d. Greenslopes May 1968 (aged 85)**

**First Grade Player number 17**

**Enlisted Brisbane 1915**

**Treasurer 1905-1906**

Served in the 3<sup>rd</sup> Machine Gun Company in France. Thomas was gassed in France and was in and out of hospital before he was discharged in 1917.

Thomas lived with his parents and 11 brothers and sisters (including Kenneth Faunce) at 245 Main Street, Kangaroo Point.

Thomas played for South Brisbane between 1897 to around 1908 and served as Treasurer from 1905-1906. Thomas was part of the Premiership team in 1903. On return from the War, Thomas captained the Returned Soldiers Cricket Team in 1918.

Thomas Faunce and Billy Hayes still hold the Club First Grade record partnership for the first wicket scored against Valley District Cricket Club in 1905/06 with a partnership of 290 runs.

(Thomas Faunce, seated 3<sup>rd</sup> from the left in the Returned Soldiers Cricket Club)

Mr Leigh Goldsmith, of Canberra recounts his memories as a child of Thomas Faunce.

*"One of my fondest childhood memories was of Tom Faunce, who lived at 19 Lambert St Kangaroo Point, next door to my mothers family home. The old Faunce family home, which by then seemed to be slowly decaying, was always my first port of call when we visited my grandparents home. It was an Aladdin's Cave for a small boy in the 1960s. Pith helmets, war memorabilia, threadbare carpets, mysterious rooms, the kitchen, scullery and what I like to suppose was the maids room out back, the collapsing chook shed, the coal pile under the house, the iron lace veranda. What a home! I will always have such warm memories of that house.*

*I remember Tom as a quietly spoken, kind gentleman who smoked Dr Pat. (The empty tins were a prized gift), would sometimes give a Bertie Beetles, and would tell us he could hear the chickens chirping through eggs as he would hold them to our ears.*

*He was also a great supporter of my elder brother's love of cricket. Not surprising. He had a small album of photos with a picture of him from the newspaper after he had scored a century. He told me that he had been gassed at the Somme (That was, according to the*

Faunce in the 1909 Queensland team

*Australian Archives, on 9th June 1917, when he served with the 11th Machine Gun Company, suggesting that it was at the Battle of Messines Ridge). This had some significance, as my aunts and uncles and grandfather had told us many times of that terrible time and the effect it had on the boys who came home."*

South Brisbane District Cricket club would like to thank Mr Goldsmith for allowing us to share his memories of Tom Faunce on our page.

Brother of Thomas, Kenneth enlisted at the outbreak of the war in 1914. He landed at ANZAC cove, Gallipoli on 14 November 1915 where he served as a driver in the 1<sup>st</sup> Lighthorse Regiment, and later the 6<sup>th</sup> Lighthorse Regiment in Alexandria, Egypt. Kenneth then served in the Somme in France, and then in Belgium where he suffered a severe leg wound eventually leading to amputation in 1917. He returned to Australia and was discharged.

Kenneth lived in Lambert St, Annerley and was married to Agatha Harney in 1930. He worked as a clerk. Kenneth moved to 5 Headford St Greenslopes in the early 1940's and lived there until his passing in 1976.

**No Q.C.A. Fixtures This Season.**

The annual meeting of the Queensland Cricket Association was held in the Y.M.C.A. rooms last evening. There was a fair attendance of delegates. Mr. J. Allen presided. Mr. Evans moved that no competition matches be played during the war, the executive to arrange fixtures for those clubs wishing to play cricket on Saturday, and the matter of registration and fees be left in the hands of the executive. This was agreed to unanimously. A resolution was carried that a letter of condolence be sent to Mrs. Marshal, mother of **Alan Marshal**, who was killed in action at the Dardanelles. The motion was carried in silence, the members standing. The receipts during the year totalled £601 8s., and the expenditure £519 12s. 6d., leaving a debit balance of £81 15s. 6d.

The soldier cricketers on active service were given three cheers, and the meeting closed with the singing of the national anthem.

**MINERS' DEMAND REFUSED**

**Personal Notes.**

By last overseas mail, Mrs. T. T. Faunce, of Kangaroo Point, received a letter from her son, Gunner Kenneth Faunce, who is with an artillery brigade in France, where he has been on active service for the past 12 months. When he wrote, he was in London on furlough, enjoying with his comrades well deserved recreation, after taking part in the great struggle on the Somme. Gunner Faunce was in good health at the time of writing, and in relating his experiences in the trenches on the Somme he referred to the extremely cold and trying weather then prevailing, one of the coldest winters on record; but his memory took him back to what he considered was a greater trial—the blizzard that he and others endured while in the Gallipoli Peninsula. It may be mentioned that Gunner Faunce was a member of the first expeditionary force to leave Australia, and it will be three years next month since he entered the service and went into camp at Enoggera. He was with the forces in Egypt for over 18 months, and then took part in the Gallipoli campaign until the evacuation.

Mr. and Mrs. James Hunt, Holland Park, Logan road, have received the sad news that their fourth son, Driver Ernest Hunt, was killed in action on 14th June.

Mrs. Shields, Stafford street, East Brisbane, received word on Saturday that her son, Private J. Shields, has been severely wounded, and was admitted to Shorncliffe military hospital, England, on 9th June.

Mr. and Mrs. William H. Clark, Wilmar, Lutwyche road, Woolloowin, have received news that their second son, Lance-corporal Harry Clark, has been wounded. He left Brisbane 18 months ago, and was some time in Egypt, before going to France. Their youngest son, Victor Kingsley Clark, is in England, and expects shortly to leave for the front.

Gunner G. V. Eekersley, son of Mrs. Eekersley, of Howen Hills, has been detained at Capetown military hospital, suffering from appendicitis. This fact was not known to his family until the arrival of the troop train on Saturday.

**Enlisted 24/3/1916**

Enlisted as a Private in the 1<sup>st</sup> Cavalry, Signals.  
Commissioned as a Lieutenant 24/3/1916. 2<sup>nd</sup> Lt Gill served in Basrah as an Acting Captain and was mentioned in Dispatches on 15/4/1918 by Lt General W R Marshall. Again Mentioned in Dispatches for Distinguished and Galant Service in 1919 on return to Australia.

Lynwood joined South Brisbane Cricket Club on his return from the war.

Lynwood was Australia's oldest surviving First Class player, indeed probably the world's at the time of his passing. A right-handed batsman and medium pace bowler, he had already represented -his native Tasmania against the 1911-1912 MCC side and twice against Victoria. Lynwood settled in Qld after the war and represented Queensland in 1926-1928 and in 1930-31 when many of the team were in dispute with Qld Cricket. He was recalled to play against Victoria and served as Captain of the team. The match, however, was abandoned due to weather prior to a ball being bowled.

In 10 matches, he scored 447 runs at 29.80 and took 8 wickets at 81.62. He was a selector for Queensland from 1924 to 1944. Although his birth registration shows his first name as Lynnwood, he always indicated it with only one 'n'.

As an A grade player, President and later Patron, Lynwood served the club for many years.

Some information indicates that William suffered mustard gassing during his time in France which may have contributed to his issues.

Right – WRE Sabine during the Boer War.

Main – Major (Hon) Sabine after enlistment in the First World War.

## BETWEEN THE WARS

QCA competition matches were suspended during the First World War but the club still played, arranging matches with other local clubs.

After the War the club felt the loss of several of its leading players but were still able to field a good "A": Grade side. Some of the prominent players being J S Redgrave, E Tranent, K Hunter, W G Sherry, E Silverton, L L (Les) Gill, J Hall, N Beeston, N Gray, F C (Cecil) Thompson, F Conde, W D Rowe, J Fletcher, W Thompson, V C McCarthy, and O A Davenport.

1926 saw Queensland make its official entry to the Sheffield Shield Competition and South Brisbane District Cricket Club was well represented. Leo (LDP) O'Connor played for Queensland from 1913 and captained Queensland in the first Shield Match against New South Wales in 1926. Cecil (FC) Thompson played five matches, Les (LL) Gill 4, and N C Beeston 1.

In the decade after the war premierships were scarce, only three collected by "C" Grade in 1922/23, 1925/26, and 1927/28. The team was undefeated in 1927/28. The club finished in the top 4 in all grades almost every season.

No "C" Grade results could be found for 1922/23. In 1925/26 the leading run scorer was T S Redgrave with 455, and leading bowler was J Keir with 51 wickets. In 1927/28 H MacInnes scored most runs with 308 and J Woodward took 55 wickets.

In 1927/28 the "A" Grade tied with Toombul but was relegated to second on a count back. Leading run scorers were F C Thompson 316 and K Hickey 308, most wickets being taken by L L Gill 35 and H G Sherry 32.

The club secured the Sports Depot Shield in 1925/26 and 1928/29. This trophy was won by the club with the highest aggregate points in all grades and was the forerunner to the Club Championship.

Long serving players in the period 1919 to 1930 were J S Redgrave (12 seasons), H G Sherry (12), T S Redgrave (12), L L Gill (10), V McCarthy (9), and C Mellish (8).

The 1930s started with premiership wins to "B" Grade (undefeated) and "C" Grade in 1930/31. In "B" Grade Bert Peck scored 428 runs and M Junner took 30 wickets. In "C" Grade Jack Harris scored 244 runs and D Wilkie took 33 wickets. The club also won the Sports Depot Shield in this season.

Success for the "A" Grade team came close in 1934/35 when they tied with Toombul and were again beaten on average. The highlights of the season were the second wicket partnership by H Leeson and K Hele of 144 in 42 minutes and the batting of Leeson who scored 685 runs at an average of 68.50. This included 3 centuries. A Muhl took 35 wickets. After coming close in

1934/35 the "A" Grade won the premiership in 1935/36.

The team was captained by Ken Hickey who headed the batting scoring 406. The most wickets were taken by A Muhl with 40. The club also won the Sports Depot Shield and the District Club Championship. For a few years both trophies were awarded but after 1971 the Sports Depot Shield was discontinued.

The "Reserve" Grade team captained by R A Connolly were undefeated in 1936/37 to win the premiership. Most runs were scored by J Podgornoff with 408. R Watson who was awarded "Telegraph Blue" for the most outstanding player in "Reserve" Grade scored 342 runs and took 38 wickets.

### POST 1940

During the Second World War club competition continued although the number of grades was reduced to three in 1940/41, and to two in 1942/43. "C" Grade was reintroduced in 1945/46. Although not successful in winning premierships, the "A" Grade was runner up in 1942/43 and 1944/45. In this latter season the team tied on points with Toombul, but were again beaten on average, the third time this has happened against the same club.

In 1944/45 a "District Primary Schools" Grade was introduced and during the three years this was in existence the club won the premiership in 1945/46 and were runners up on the other two occasions. Leading players included Max Robins and Ron Archer.

## WORLD WAR 2

The following members served during World War 2 as listed in the Annual Reports of the time.

### William 'Bill' BROWN OAM

**Wisden Cricketer of the Year 1938**  
**Life Member Queensland Cricket Association 1992**  
**First Grade Number 440**  
**Enlisted Royal Australian Air Force number 426533**

William was a flight Lieutenant in the Royal Australian Air Force, serving in Papua New Guinea and the Philippines during the Second World War.

William was the son of a dairy farmer and hotel owner in Toowoomba, west of Queensland. Early in life his family moved to Sydney where he commenced playing cricket at school.

William came to South Brisbane District Cricket Club in 1936 when he was lured back to the state of his birth after playing in New South Wales. During his time at Souths, he was generous enough to provide lectures and guidance to the young cricketers at the club which were very well attended.

His career continued after the war and he played in the 'invincible' Australian Cricket Team.

A right handed batsman, he was considered as one of the greats of cricket. Brown was the victim of the first 'Mankad' dismissal in 1947. (Mankad – Where the bowler runs out the non-striker prior to bowling the delivery).

Bill went on to serve for many years as a Queensland Selector and Australian Selector.

We honour William 'Bill' Brown each year with the '*Greg Chappell-William Brown Medal*' for the Best Two Day Player of the Year.

This article was published in [Australian Dictionary of Biography](#),  
 Volume 14, (MUP), 1996

Arthur Theodore Wallace Grout (1927-1968), cricketer, was born on 30 March 1927 at Mackay, Queensland, son of native-born parents Arthur Edward Grout, police constable, and his wife Theresa Eileen, née Kelly. Wally was educated at Fortitude Valley Primary and Brisbane High schools, then worked as a salesman at A. N. Robinson's sports store in Queen Street. In 1940 he joined South Brisbane District Cricket Club, becoming its wicket-keeper in the following year. Enlisting in the Australian Imperial Force on 27 June 1945, he served at Rabaul, New Britain, from March to August 1946 and was discharged on 11 December. In 1948-50 he played A grade Rugby Union football, handling brilliantly as a full-back. At the Methodist Church, West End, Brisbane, on 27 January 1951 he married Joyce Nelma Cunis, a dressmaking machinist.

From 1952 Grout played for the Toombul District Cricket Club. He had made his début for Queensland in the 1946-47 season, standing in for his idol Don Tallon whom he succeeded in 1955. Grout kept wickets for Queensland in 94 matches, and in first-class games was involved in 587 dismissals (473 catches, 114 stumpings). In 1959-60 he disposed of a world record eight batsmen in one innings (against Western Australia). Early in his career he was skilful enough with the bat to open for Queensland and to make four first-class centuries in his 5168 runs, averaging 22.56; as a bowler he took 3 wickets at 38.33.

In the first of six overseas tours he was selected in 1957 to tour South Africa under Ian Craig's captaincy. Nicknamed 'The Griz' (an abbreviation of 'Grizzling Grunter'), reputedly by Neil Harvey, Grout squatted low behind the stumps where his diving legside catches, strikingly reminiscent of Tallon, were thrillers in four home series of Tests between 1958 and 1964, in England (1961, 1964), and in the West Indies, South Africa, India and Pakistan. He kept wicket for Australia in 51 Test matches, helping to dismiss 187 batsmen (163 caught and 24 stumped). Twice he claimed eight victims in a Test match and his six catches in one innings (against South Africa at Johannesburg) in the 1957-58 season set a record. In five other Tests he disposed of five batsmen in one innings. R. B. Simpson described him as 'the greatest wicket-keeper I ever saw'. Grout made 890 runs at 15.08.

Blunt, but warm hearted and generous, with a rugged sense of humour, Grout made friends easily. He 'oozed confidence in every aspect of cricket' and savoured the big moments in a fine career. To his friend Ernest Toovey, he was a 'typical Australian', disliking 'snobs' or 'big timers', yet 'very fair'—on one notable occasion during a Test against England he refused to take the bails off when Fred Titmus was stranded after colliding with Neil Hawke. In the foreword to Grout's autobiography, *My Country's Keeper* (London, 1965), Sir Donald Bradman confirmed the celebrated resemblance to Tallon, recalling 'the same basic type of footwork, the same "swoop" on the snick, the same inevitability about holding a chance, and even the same air of aggressive intent'. Grout retired from cricket in 1966, worked for Rothman's of Pall Mall (Australia) Ltd and became a Queensland State selector in 1967.

Survived by his wife, daughter and son, he died of coronary vascular disease on 9 November 1968 in Brisbane and was cremated with Baptist forms; his ashes were scattered over the Brisbane Cricket Ground.

Len had been a keen supporter of the Club since 1964. At numerous times he served on the Executive committee, in the canteen and also carried out the unenviable job of Chairman of Selectors.

Len was in the British Army for quite some time and during World War 2 was involved in both Europe and North Africa. It was in North Africa (Tobruk) where he first became friends with Australians. He was captured in North Africa and made a prisoner of War of both the Italians and later the Germans before he successfully escaped from a POW camp. He was awarded the British

Empire Medal (BEM) in 1952 for his military services.

Not only loving the game of cricket, Len was also a talented cricketer in his own right. He represented and captained the British Army Occupation Forces (Germany) Cricket Team against several touring international representative sides before returning to England and emigrating to Australia in 1959.

He was a regular attendee at Club games at Fehlberg Park for many years until illness prevented him from attending in later years. Len passed away in 1991 and is remembered at the Club with the Len Marlow Memorial Trophy which is awarded to the Club Player of the Year each year.

Len was the father of Life Member Stewart Marlow.

Don was a country cricketer who learnt his trade in primary school under the instruction of former Sheffield Shield Wicket Keeper and teacher Tom O'Shea.

Don said of wicket keeping "*You are never out of the game and that suits me fine*":

Don played in the 1948 Invincibles Tour of England and was named one of Wisdens 5 cricketers of the year for 1949.

Don joined the Australian Army in 1940 in Bundaberg but was discharged in 1943 due to stomach issues which eventually required removal of part of his stomach. He returned to Australian and Queensland Representative duties after the war and retired from First Class cricket in 1953.

From 1941-42 Annual Report:

*“It is with sincere regret that we have to record that E.A. Toovey has been reported missing from the HMAS Perth. Ernie was one of our most popular young players, and our one hope is that he may be found safe and well.”*

*The records suggest that Ernie Toovey had an unspectacular career as a left handed batsman for Queensland during the first half of the 1950's; his peak was in 1951-52, when he made 5 half centuries. He often had to rein in his attacking instincts to shore up his side's fragile batting, and his total of 150 runs in the match against Victoria at the MCG in December 1951 took almost 7 hours. During his second innings 87, he became according to him, the only batsman to hit mystery spinner Jack Iverson for six in a first-class match, a feat he would recount with relish. Next season, Toovey slipped the leash against the South Africans at Brisbane, hitting 71 partnership in partnership with Ron Archer. In the outfield he was both brilliant and sure and his speed across the ground and the bullet-like accuracy of his returns saved countless runs. He was a state selector for 25 years from 1961-62, helping to lay the foundation for Queensland's long awaited Sheffield Shield title in 1995-96. Toovey was also proud of having captained Norths (Ernie moved to Norths after the War) with Ray Lindwall as his bowling spearhead.*

*As a 19 year old Ordinary seaman on the HMAS Perth, unlike 353 of his shipmates, survived its sinking in the battle of Sunda Strait early in 1942. The price of survival, however, was three and a half years as a prisoner of the Japanese, much of it on the Burma railway, where a severely ulcerated leg threatened to turn gangrenous. Toovey dismissed any talk of amputation and underwent excruciating treatment. “Not on your life, I’m going to need that leg to play Sheffield Shield cricket for Queensland”. Early in his captivity, he took part in several baseball matches as a member of an Australian team organised by his camp's commandant. When a match was organised against the Japanese guards, Toovey cautioned his side that defeat was the better part of valour. After the war he gave many years to the RSL and the Australian Prisoners of War Association. (Image Courtesy – News Limited)*

### **Remembering the loss of the HMAS Perth – 1942**

*Presented by Dr Peter Stanley on Friday, 1 March 2002 beside the Roll of Honour at the Memorial.*

Good afternoon, ladies and gentlemen and welcome to the Australian War Memorial and especially to its Roll of Honour. Here Australia records the names of those who have died in its service in war. This talk is one of a series of addresses – ‘Roll of Honour talks’ – in which the Memorial’s historians explain the events which led to these names being placed on this wall.

Sixty years ago today the Australian light cruiser, HMAS Perth, was lost in the battle of the Sunda Strait. The loss of the Perth was the heaviest sacrifice made by the Royal Australian Navy during the tragic months of 1941-42 as Japanese forces advanced into south-east Asia. How did this event happen?

Perth was one of three modified ‘Leander’ class light cruisers commissioned into the Royal Australian Navy between 1935 and 1939. Its sister-ships were HMA Ships Sydney and Hobart. As we know, only Hobart survived the war. Between them the loss of Sydney (in November 1941) and Perth accounted for just over half of the 1,951 members of the Royal Australian Navy to die in the Second World War. The loss of HMAS Perth was therefore a tragedy second only to the loss of Sydney.

Perth had had a busy war up to 1942. It had served as part of the Mediterranean Fleet, taking part in the battle off Cape Matapan in March 1941 and in the evacuation of Crete in May 1941. Perth’s captain was Hector Waller, a distinguished Australian officer who had started the war in destroyers.

By February 1942 Perth was one of all-too-few major Allied warships in what was known as the ABDA area, that is, the combined Australian, British, Dutch and American theatre in south-east Asia. Hastily formed in a desperate and ultimately unsuccessful attempt to stem the Japanese advance, the ABDA forces were a motley assemblage. The available naval forces in the waters of what was then the Netherlands East Indies (now Indonesia) included warships from all four nations. They included two Dutch cruisers (de Ruyter and Java), the British Exeter, the American Houston and the Perth. They were under the command of the Dutch Admiral Karel Doorman.

As Japanese invasion forces approached Java late in February 1942 the ABDA squadron steamed from Surabaya in eastern Java to intercept and oppose them.

This led to the battle of the Java Sea, on 27 February. This was a running fight as the Allied and Japanese forces steamed westwards during a tropical afternoon. Beginning with exchanges of gunfire at long and then close range, the engagement later saw Japanese destroyers racing to make torpedo attacks. Perth covered a Dutch destroyer hit by a torpedo until it blew up and then moved to support the damaged HMS Exeter. By nightfall three Allied destroyers had been lost and the damaged Exeter had withdrawn. Admiral Doorman drew away from the Japanese force but then turned to renew the attack.

In the dark the battle resumed. Both of the Dutch cruisers were hit by torpedoes and sank, taking Admiral Doorman with them. No Japanese ships had been lost. The costly action had delayed the Japanese invasion by a day.

Captain Waller of the Perth took command of the USS Houston – all that remained of the Allied squadron – and headed to the port of Tanjong Priok on Java's north coast. The following day, 28 February, Waller re-fuelled and at evening left port to make course through the Sunda Strait, around Java's west coast toward Tjilatjap, on the island's south coast.

Late that evening, as the two ships entered the Strait, Waller encountered warships. He was in fact steaming toward the main Japanese invasion convoy, lying at anchor in Bantam Bay. The warships he saw were not (as he had expected) Allied, but were the Japanese covering force. He ordered the ships to action stations and opened fire.

In a night battle, under fire from Japanese cruisers and destroyers, Perth and Houston steamed in a great semi-circle nearly ten miles or sixteen kilometres across. All the while they were under fire from torpedoes and shells. At about midnight a shell holed Perth's hull near the waterline and other hits followed. Waller decided to try a dash for the Strait. Just as he ordered 'full ahead' a torpedo struck, followed by a second a few minutes later.

Waller ordered his crew to abandon ship. Twenty minutes later the Perth heeled over and sank. The Houston too fought on until it sank after hits by torpedoes. In two battles over three days Allied sea-power in the Netherlands East Indies had been all but destroyed. Nothing could now prevent the Japanese from invading Java, and the Allied navies' task would be to evacuate as many servicemen and civilian refugees as possible. In the course of this effort more ships and lives would be lost. The casualties would include the Australian sloop HMAS Yarra, sunk while fighting off a Japanese squadron a few days later.

Of Perth's complement of 680 men some 357 were lost during or just after its brief final action. They included Captain Waller. Survivors described how he was last seen 'standing with his arms on the front of the bridge, looking down at the silent turrets'. One of the Royal Australian Navy's new 'Collins' class submarines commemorates Waller.

Those who survived were gradually picked up by Japanese warships and became prisoners of war. They were held at first in Java, then were sent north to labour on the Burma-Thailand railway. Of the 320 who were captured 105 – almost exactly one man in three – died before they were liberated in 1945. The Houston's survivors also laboured and died as prisoners of war in Java, Thailand and Japan, the two main groups of Allied naval prisoners of war in south-east Asia.

The Perth's story has been told in various ways, and it deserves to be re-told. Books on the subject include David Burchell's remarkable account of the discovery of the wreck of the Perth, *The Bells of Sunda Strait*. As a result of this expedition the Memorial acquired the bell of HMAS Perth that is on display in the Second World War gallery. Also in the Memorial's collection is Denis Adams's evocative painting of the Sunda Strait battle, with the flash of the guns illuminating the white ensign amid the glow of star shells drifting down. Eight other books exist on the Perth, from straightforward accounts of the ship's service to heartfelt stories about those who served and died, such as Brendan Whiting's *Ship of Courage*.

### 1940's

The District competition consisted of five grades in 1946/47- "A", "Reserve", "B", "C", and "Primary Schools". The "B" Grade side were undefeated in taking out their first premierships since 1930/31, although they had been runners up five times in the last ten seasons. Leading players were C Marshall, R Kenyon, and J Beeston who each scored over 200 runs with P Gall 34 wickets and R A Lade 24 outstanding among the bowlers.

In 1947/48 "Reserve" Grade was successful in winning the premierships, and "C" Grade failed by only one point. J F Kolb, J D Beeston, and N G Sandison scored over 200 runs and J D Beeston captured 41 wickets.

The club saw the start of another great career, that of Wally Grout. He joined the club at the age of 14 and started keeping for "A" Grade at 15. In 1948/49 he dismissed 36 batsmen, 18 caught and 18 stumped. He later played with Toombul where he played most of his representative matches.

The Fifties had some good players including the eleven who played for Queensland. These were Bill Brown, Ken Archer, Ron Archer, Cyril Smith, Ley Sanders, Barry Fisher, Ian Oxenford, Peter Allan, John McMahon, Des Bull, and Wally Grout. Premierships proved elusive for the "A" Grade side although runners up on three occasions and third four times.

### **1950's**

The decade started with promise. In 1950/51 the "Reserve" Grade tied for first with Eastern Suburbs, but lost on average. "B" Grade left nothing to chance and won the premiership by 14 points. Leading batsmen were E L Peraen, N Mosseter, and P D Warrendorp, all scoring over 200 runs while E L Pearen, P D Warrendorp, and D J Ryan were the best of the bowlers. The club won the District Club Championship by 50 points and also the Sports Depot Shield, the first time since 1935/36 the double has been achieved.

In 1952/52, competitive performances by all grades and an "Intermediate" Grade premiership (undefeated) saw the double accomplished again. Outstanding in "Intermediate" Grade with the bat was Graham Thomasson who scored 459, while L O'Sullivan took 30 wickets. "C" Grade were unlucky, after finishing 17 points ahead of the second team, Toombul-Sandgate No 2, the final was drawn against Toombul Sandgate 100 and 6 for 63, Souths 100. Once again Souths lost on average to a team from Toombul.

There was no premiership win in 1953/54 however the club won the Sports Depot Shield.

"Reserve" Grade were premiers in 1955/56, the first success for nine seasons. Harold Hutchison and Arch Fedrick, the captain, scored over 300 runs and Ray Bignell with 39 and Des Ryan, 31, were the leading wicket takers.

The "Intermediate" side was rewarded with a premiership in 1956/57 after being runners up in the three previous seasons. B Tomkins headed the batting with 373 runs and the outstanding

bowler was R McLennan who claimed 70 victims-the most wickets in the grade for the season in QCA. A good all round performance was produced by H Hillier.

*1950-1951 Club Championship, B Grade Premiership. Club President LD England at front centre, Bob Young at left 2<sup>nd</sup> row, Jack Hoelscher at right 2<sup>nd</sup> row.*

The “B” Grade side captained by Lionel Herbert won back to back titles in 1957/58 and 1958/59. Norm Adamson with 300 runs and John Welsh with 50 wickets led the way in 1957/58, while George Gooma, 370 runs and Ian Reid, 39 wickets were the best performed in 1958/59. The club once again won the double. District Club Championship and Sports Depot Shield, in 1957/58, the third time they did this in the 1950s.

“C” Grade brought the decade to a close with a win in 1959/60, the first time since 1930/31 the grade had won a premiership. Ian Reid with 369 runs and 50 wickets was the leading player. Captain Ron Beecham contributed 323 runs. An important event in the club’s history ushered in the second “golden era”.

### 1960's

September 1960 saw the use of two ovals at Fehlberg Park. Practice facilities at Fehlberg meant that all grades were together at the same place for the first time in many years. What a decade! Four Club Championships, three Sports Store Trophies, five "A" Grade titles in 8 seasons, and six lower grade premierships.

The "Intermediate" Grade captained by Glen Townsend started the winning sequence by annexing the premiership undefeated. Outstanding was Paul Schlinker with 428 runs and 37 wickets. K Rowe 300 runs, and Glen Russell 32 wickets also made valuable contributions. Once again the double of the Club Championship and the Sports Store Trophy proved the depth and standard of the club.

1961/62 saw the first of three successive "A" Grade triumphs. In the final, Souths being minor premiers and only having to win or draw, were sent in by a Wests team which included five Shield players. At lunch on the third and final day a declaration surprised Wests at 7/518. A second wicket partnership of 287 by Des Bull (206) and Athol Fulwood (127) and a seventh wicket stand of 115 by Dave Applegarth (50) and Graham Miers (67) gave the opposition no chance. Wests replied with 4/270, the game was drawn and Souths had won their first "A" Grade premiership in 22 years. Des Bull 518, Max Robins 350, Athol Fulwood 321 and Wilson McInnes 304 scored most runs while Don Muddle 45 and Dave Applegarth 36 secured most wickets.

Once again in 1962/63 a drawn final gave the club a second successive title. In a final greatly affected by rain, Toombul scored 163 and Souths were 6/95 at the end of the game. Max Robins, Athol Fulwood and Des Ward scored over 300 runs but the outstanding performance came from Don Muddle, 70 wickets, the most in "A" Grade since 1908/09. His opening partner John Pratt claimed 36 wickets and together they were the most lethal combination in the competition.

After two drawn finals the QCA changed the rules and abandoned finals, but it made no difference. 1963/64 once again saw Souths victorious in "A" Grade, winning the competition by 4.79 points from University, the leading run getters were Des Bull 613, Max Robins 480 and Ian Oxenford 424. Don Muddle improved his tally of the previous season to 76, with Peter Allan 33 and Dave Applegarth 31 giving good support.

Once again 1964/65 brought the Club Championship/ Sports Store Trophy double, as well as wins in "B" and "C" Grades. The "B" Grade side won a close battle with Norths by 3.66 points. Neil Brown and John Mills scored 300 runs with Reg Gourley 42, the captain Pat Power and Ross Winks 34 securing most wickets. "C" Grade was even closer with a win to Kev Kettlehohn's team by a mere 1.25 points over Valley. 440 runs from Lloyd Hawkins, a good double of 402 runs and 62 wickets by Bob McMillan, 375 runs by the captain and 56 wickets from Peter Blunt contributed to the nail biting win.

No Premierships in 1965/66, but a win in the Club Championship proved that all grades were to be reckoned with. Rarely is a Club Championship won without a premiership. Wins in "A", "Reserve" and "Intermediate" in 1966/67 again saw the Club Championship/Sports Store Trophy double.

The "A" Grade side won their fourth title in six seasons by a mere .04 points from Norths. This was equivalent to 4 runs over the whole season. The last day was played in most unpleasant conditions, and it says much about the sportsmanship of the University Club who decided to field on a waterlogged ground in misty rain rather than sit in the pavilion. Best batting performances were by Ian Seib 462, Bob Parker 386, with Des Bull, Athol Fulwood, and John Noble all scoring over 300. Don Muddle 44, Bob McMillan 29 were the leading bowlers.

"Reserve" Grade were also premiers after a wait of 11 seasons. The batting was a team affair with 7 players scoring over 200 runs. The main bowlers were Ross Seib 53 and Ross Winks 45.

The "Intermediate" Grade added the third premiership for the season. Geoff Gault, the captain, scored 576, Doug Breckenridge 300. Stewart Marlow 291 and Ken Walsh 273. The bowling attack revolved around Stewart Marlow 42 wickets and Russell Ellis 39.

After the first season without a premiership win the 1960s in 1967/68, the "A" and "C" Grades won in 1968/69. Finals made a re-appearance after six seasons and in a four match, the "A" Grade defeated University outright by 81 runs. Ian Seib 476 and Bob Parker 441, scored most and Ian Oxenford, Athol Fulwood, John Noble and John Maclean all making over 300. After our bowling spearheads Don Muddle 50 and Peter Allan 32, 20 wickets were taken by two young bowlers in Stewart Marlow and Ross Seib. The "A" Grade team was a very stable unit in the 1960s. Of the five premierships won Des Bull and Don Muddle played in all five, Dave Applegarth, Athol Fulwood, Graham Miers and John Noble in four and Peter Allan, Ian Oxenford and Max Robins in three.

The "C" Grade team won the minor premiership by 2.32 points and went on to defeat the second team Easts No 1 outright by 53 runs in the final. The captain Lloyd Hawkins led from the front with 445 runs. The only other batsman to score over 200 runs was Arthur Grevell. Of the bowlers Ken Cross and Michael Murphy took 47 wickets each and Lloyd Hawkins picking up 41.

### 1970's

After bumper crops for several years, drought looms. The 1970s were certainly dry, only four premierships in ten seasons.

An off-field milestone was the formation in 1973/74 of the Queensland Junior Cricket Association to handle all age groups up to under 15. This gave young players more chance to compete at their own age level. "A" Grade had back to back success in 1976/77 and 1977/78, Reserve in 1977/78 and "Fourth" in 1979/80.

A change came over the game in the mid-1970s with the introduction of wicket covers for club matches. More runs were scored and higher batting averages occurred while wickets became harder to obtain and bowling averages increased.

The club's "A" Grade side won their first premiership for eight years in 1976/77 with a four wicket win over Norths. "New player" Sam Trimble scored 81\* and 84. During the season three players—Sam Trimble, Ian Seib and Howard Manning scored over 500 runs, but the most wickets were 21 by Brain Storey. Covers were having an effect.

The season of 1977/78 showed a distinct improvement. A win in the District Club Championship by 48 points, back to back "A" Grade premierships, wins to "A" and "C" Grades in the Cricketers Club Cup and a premiership for "Reserve" Grade.

After winning the minor premiership by 7.80 points the "A" Grade side defeated Toombul outright by 142 runs in a rain affected low scoring final. Brian Storey's 8/35 wrecked Toombul's 1st innings and effectively made the game safe. Highest scorers for the season were Alec Parker and Sam Trimble who scored over 400. Graeme Watson and Wayne Morgan made over 300. Most wickets were taken by Ross Wallace 26, John Ryan 23, and Brian Storey 21.

After an eleven season wait and after losing the final in the previous season, "Reserve" Grade again won the premiership in 1977/78.

In another rain affected match, Souths defeated Eastern Suburbs by 40 runs on the first innings. During the season Souths "veterans" were to the fore. 400 runs to Athol Fulwood, over 300 to Trevor Parker, John Noble and Brian Eagers and of the bowlers Mike Snnoxall captured 29 wickets with Greg Wright 20 and Keith McIlwain 19.

In the 1978/79 season, grade names were changed from "A", "Reserve", "B", and "C", to "First", "Second", "Third" and "Fourth".

"Fourth Grade finished the decade by winning the minor premiership by 4.89 points with 203.81 which broke the QCA record for the grade by 27 points. A comfortable win over Western Suburbs in the final by an innings and 140 runs showed the superiority of this team.

Peter Hills scored 401 runs for the season with five other batsman scoring over 200. Most wickets were taken by Con Contoleon 42, Ron Thompson 41, and Lyle Mansell 35. The "First" Grade side made several unsuccessful attempts to win the Channel O One Day Competition before winning the eighth and last Sunday competition in October 1979. Souths defeated Wynnum Manly by 46 runs in the final.

### 1980's

After a lean time in the 1970s, the decade of the 1980s provided the greatest number of premierships in the Club's history, twenty in ten seasons. Add three Club Championships and the club certainly had that "winning feeling".

A win in the Club Championship by 72 points, all teams making the semi-finals, five playing in finals, and a premiership to "Fourth" Grade, made 1980/81 a most successful season. "Fourth" Grade made it back to back titles with a 9 wicket win over University. Bruce Schmidt and Tony Maksoud scored over 300 runs for the season while the most wickets were taken by Ron Thompson 40, Lyle Mansell 29 and Con Contoleon 22. 1982/83 produced two wins. "Third" Grade won after an eighteen season wait. After being minor premiers the team went on to beat Wynnum Manly in the final. Top scorers for the season were Peter Webb 525, Greg Wallace 416 and the captain David Colch 414. Ron Thompson's 44 wickets led the bowling with over 20 from Keith McIlwain, Paul Lawrence and Neil Cagney.

The club won its first "Fifth" Grade title by defeating Eastern Suburbs on the first innings in a rain-affected match. Martin Waterfield 426 led the seasons run scoring with seven other players scoring 290 or more. Rod Hurst, Graham Howlett and John Quinnell took over 20 wickets. In 1983/84 premierships were won by "First", "Fourth No 1", and "Fifth" Grades.

Six seasons after the last success "First" Grade, after finishing second, defeated minor premiers Wynnum-Manly by 87 runs on the first innings in the final. Alec Parker scored 810 runs for the season, the second highest season total in club history. John Hill secured 30 wickets. "Fourth" No 1, minor premiers by 9 points defeated Wynnum-Manly by 8 wickets to record their third win in five seasons. 472 runs by the skipper Ian McKaskill and 307 from Percy Surti led the scoring. Peter Bateman 34 and Vern Schumaker 29 took most wickets. In the semi final against Northern Suburbs this team produced one of the great escapes when after scoring 77, dismissing Norths for 75.

*4th Grade Premiership team 1984 – (left to right – Standing – Peter Bertram. Right side – Bob Peitfield.*

Back to back premierships by “Fifth” Grade completed the hat trick. In the final against third placed University, the minor premiers amassed 423 runs and won by 1787 on the first innings. During the season Brad Murphy scored 618 and captain Mick Taylor 485. Top wicket takers were Bill Wynne 45 and Jeroen Nieuwenburg 33. Brad Murphy scored 4 centuries in 5<sup>th</sup> Grade in 1983/84 – 102, 116, 167 and 212 earning a place in the Qld Cricket records of 4 or more centuries in a season.

The only title in 1984/85 was secured by the “Under 19” side, beating Valley by 8 runs in the final. Ken Healy 313 and captain Dean Reynolds 308 were the main run getters with Andrew Hammelmann taking 29 wickets. What a season 1985/86 turned out to be. A win in the Club Championship, premierships for “First”, “Second”, “Fourth No 1”, and “Under 18” as well as wins in the Gabba Sporting One Day Competition, and a shared win in “Under 19”.

“First” Grade had the most convincing win one could imagine. At the top of the table after Round 1 they maintained the lead throughout the season to be minor premiers by 5.36 points. In the final the second team Wynnum-Manly were defeated outright by 8 wickets. During the season Mal Edwards, Graham Rogers, and Alec Parker scored over 500 runs while most wickets were obtained by John Hill 43 and Harley Hammelmann 32.

“Second” Grade broke the drought of eight seasons by winning the minor premiership by 10 points and went on to defeat Western Suburbs in a high scoring final by 59 runs, 420 to 361. Skipper Neil Mansell was the leading run scorer with 387 followed by Michael Keddy 358 and Ken Healy 326. Once again wickets were hard to come by with John O’Keefe capturing most with 20.

In “Fourth” Grade, the No 1 team had a very different season, only scoring over 200 runs in five innings throughout the season, meant that the bowlers had to work harder. Finishing third in the competition and defeating the second team, Western Suburbs in the semi final, the batsman saved their best effort until the final against minor premiers University. 333 proved too many for University’s 266. Most runs for the season were scored by Jeff Toten 345, Willie Quinnell 326 and the captain Trevor Parker 298. Most wickets were secured by Clint Wilkinson 27 and Bob Peatfield 23.

The “Under 18” side had no such dramas, minor premiers by a massive 28 points, and a win in the final over second team Sandgate-Redcliffe by an innings and 121 runs. Leading the run feast were Mark Turner 522, the captain David Melenewycz and Sean Healy 413. Laurence Cronin 32 and Paul Argent 28 had most wickets.

The “Under 19” team shared the premiership with Valley after a drawn final. Souths scored 9 for 313 with Kim Evetts contributing 138\* and Valley replied with 7 for 222. Leading scored for the season was Ken Healy with 262 while Colin McIntyre captured 22 wickets.

The club won the Gabba Sporting Products 50 over Competition for the first time. This competition replaced the Channel 0 Cup. After winning the South Zone, the club played Northern Suburbs in the final. Led by 152 from Glen Trimble, after 50 overs Souths were 8 for 318 which proved too many for Norths who scored 287. Glen’s 324 in five innings showed his liking for this form of cricket, with John Hill’s 12 wickets showing there is a place for spinners.

Success for the club continued in 1986/87 with the Club Championship being retained by a massive 174 points and wins in “Second”, “Third”, “Fifth”, and “Under 17”. The “First” Grade side finished second, “Fourth” Grade No 1 were minor premiers, but were beaten in the semi final, and “Fourth” Grade No 2 finished third.

Back to back premierships for "Second" Grade looked remote at one stage of the final. Minor premiers by 27 points, but facing a total of 9/420 declared by Sandgate Redcliffe, a great team effort enabled Souths to finish at 9/243 and retain the title. The evenness of the batting throughout the season was shown by Mark Turner's 310 and eight players scoring over 200.

Ray Smith's 25 wickets led the bowlers.

After winning the minor premiership by 26 points, "Third" Grade only just survived the semi-final, dismissing Toombul for 67 in reply to 123. Valley's 74 and 7/87 was no match for Souths 446 in the final. Top run scorer for the season was Ian Martin 300, with five other batsmen over 200. The bowling showed lots of experience. Golden oldies Stewart Marlow, Greg Wright and Barry Humphries were to the fore with assistance from Warwick Oxenford and John O'Keefe. Stewart's 34 wickets led the way.

"Fifth" Grade won their third premiership in five seasons after finishing second and defeating fourth placed Wests by 9 wickets. Geoff Camp 335, Len Watson 264 and Rob Hoy 263 were the season's leading run scorers. Gary Smollen with 222 had most wickets.

This season was the first "Under 17" competition. This replaced the "Under 18" Grade which Souths won last season. So their win in "Under 17" could be called back to back victories. Finishing second to Wests and playing that team in the final, a total of 4/403 was too many for Wests' 143. An unbeaten fifth wicket partnership of 239 by Shane Rynne 132\* and Ian Daniels 94\*, put the game out of Wests' reach. The partnership broke the club record for the fifth wicket which had stood since 1929/30.

Our successful run came to an end in 1987/88 with only two highlights to show for the season. "First" Grade were minor premiers by 21 points but lost to Wests in the final. Alec Parker 209\* and Glen Trimble 202 scored double centuries on the same day against Valley, the partnership of 360 broke the fourth wicket record which had stood since 1938/39.

In 1988/89 the "First" Grade side, after losing in the final in the previous two seasons, defeated the minor premiers Valley by 8 wickets. During the season Peter Smith, Kim Evetts and Glen Trimble all scored over 400 runs. Andrew Hammelmann and Paul Twible both took 29 wickets. The decade of the eighties finished in 1989/90 with wins in "Third" and "Fourth" No 2, and a win in the Gabba Sporting Products one day competition.

"Third" Grade, premiers by 15 points won the final by 45 runs on the first innings against Toombul after a season where four matches went down to the last ball. In a low scoring season, four players scored over 200 with Dean O'Hara 299 and Wally Weber 291 scoring most runs. John O'Keefe 32 wickets and Brett Lunt 23 led the wicket taking.

"Fourth" Grade No 2 after finishing second, beat the previously undefeated Eastern Suburbs by 2 wickets and 39 runs in the final. Ian Daniels with 308 led the season run scorers while John Short 36, and that "ancient trundler" Stewart Marlow 32, secured most wickets.

The decade concluded with a win in the one day competition over Valley by 4 wickets. Glen Trimble again showed his liking for the limited over game with 408 runs for the season. The bowlers were led by Arthur Hammelmann and Paul Argent both taking 17 wickets. The depth of the club is shown by the fact in the last fourteen seasons, the lowest position the club has held in the club championship has been fourth (once). The other thirteen seasons have resulted in top three finishes.

After such a successful decade in the eighties, the nineties were always going to be difficult. The club entered a rebuilding stage with the retirement of many senior players. This gave the younger group a chance to show their ability.

### 1990's

In 1990/91, "First" Grade, after finishing in third place, defeated second placed Valley in the semi-final and fourth placed Toombul in the final. This was the first time that the third and fourth placed teams had contested a "First" Grade final. Toombul's 332 looked a formidable total, but the top order of Mal Edwards 100, Matthew Fraser 82, Ken Healy 87 and Glen Trimble 82 passed the total with two wickets down, and the team's total score finished at 602. Highest scorer for the season was Ken Healy 632, with Glen Trimble and Peter Smith getting over 550. Andrew Hammelmann's 44 wickets were the most by a bowler in "First" Grade since the introduction of covers in the early 1970s. Andrew's tally of wickets also saw him win the inaugural Peter Burge Medal for the Best and Fairest Player for the Brisbane First Grade Competition, sharing the win with Robert McGhee of Toombul.

1992/93 saw another milestone in the Club's history with the formation of teams in first and second divisions of the Queensland Womens Cricket Association. In keeping with Souths fighting tradition, the first division team after finishing third, defeated Toowoomba in the semi final and won the premiership by defeating North Star in the final. Scores were North Star 218

and Souths 5/224. Outstanding performances were Michelle Arnold's 9/25 against Alderley (who were one player short) and Julie Kaatz scoring 116 in the semi-final win over Toowoomba. Two premierships came the club's way in 1994/95. "Fourth" Grade won the minor premiership by 1.5 points and after scoring 7/574 against Gold Coast in the semi-final went on to beat Valley by 17 runs on the first innings in the final. David Poole's 280 was the most runs for the season and Glen Connor 18 and David Alley 17 had most wickets.

"Sixth" Grade won their first premiership since the grade was introduced in 1992/93. Finishing second and playing minor premiers Valley in the final, a team effort saw Valley chasing 400. Valley were dismissed for 294 when the game was washed out on the final day. Paul Sullivan 399 in six innings and Mark Davidson 340 scored most runs. Damian Hagan 28 wickets including a hat trick, and Jim Mundell 21 took most wickets.

The last title in our first one hundred years was won by "Second" Grade in 1995/96. Second after the eleven rounds and playing fourth team Wynnum Manly in the final, Souths won a low scoring game by 3 wickets. Most runs for the season was scored by Scott Brown 420, with four other batsmen scoring over 300. Brendon Gibson 24 and Andrew Varvari 22 secured most wickets.

In 1997 the Club celebrated its centenary year but no premierships to celebrate. It was a lean year in First Grade with many new players finding their way. The club was busy with fund raising, projects, juniors and the Centenary Year celebrations due in late 1997.

1998 saw a much rarer feat of a Peter Burge Medal win for First Grade bowler, Paul Argent, taking 38 wickets, at 620 runs, 42 maidens at an average of 16.31. As a South's stalwart bowler, it was a deserved honour for a player that continues to play Over 40's and Legends in 2019. Ross Entriiken stood out in Second Grade with 551 runs at 55.10, and emerging bowler (and later Groundsman and First Grade player) Jarrod Bird taking 19 wickets in Seconds. President (1998-2006) Michael Chessells took 32 wickets at 11.87 in Third Grade, and Brad Shaw took honours in 5<sup>th</sup> Grade with 43 wickets at 10.11 winning the Club bowling average and aggregate for the season.

A fifth Grade premiership in 1998/99 was an excellent effort after scraping into the finals by .06 of a point (or 6 runs) in the regular season. Playing University at their home in the Grand Final, Souths only posted a modest 199 runs. It looked dire with Uni at 8/190 until Tim Sawyer took the new ball and finished the game 4 balls later in favour of Souths. Glen fields finished the season in 5ths with 408 runs at 51.00 and Matthew Shaw with 26 wickets at 11.96.

The stage was set in 1999/2000 for Souths to capture a premiership the next season with strong performances by Dale Turner (430 runs at 61.42 and 21 wickets), Lance Kahler (495 runs at 41.25) and Paul Argent taking 25 wickets.

Players from the Season not pictured include M Martin and Brendon Gibson.

Dale Turner and Lance Kahler were foundation for the season. Dale went on to win the 'Peter Burge' medal for the 'Best and Fairest' for First Grade in the Brisbane Grade competition with 586 runs at 83.71 from 12 innings and 37 wickets for the season as an off-spinner. Lance Kahler finished with 786 runs at 58.30 and finished his 2 year stint to return to NSW. Jarrod Bird was the next best at 25 wickets for the season. Scraping into the finals on 6 wins, 4 losses was no impediment to a Grand Final win.

5<sup>th</sup> (Maroon) & (Green) played a heart stopping grand final against each other after finishing 4<sup>th</sup> and 1<sup>st</sup> respectively for the season. Captains Christian Glenn and Damien Vasta fought out the final with Maroon taking the eventual win over the minor premiers.

After the highs of winning the 1<sup>st</sup> Grade Premiership in 2000-2001, some 10 years since the previous Premiership in 1990/91, the club struggled thereafter throughout the 2000's to replicate the feat. First Grade languished between 9<sup>th</sup> and 12<sup>th</sup> on the table for the rest of the decade despite efforts of many.

Lean times continued in the One Day Competition with no premiership since 1989/90 and no trophies since the inception of the First Grade T20 competition in 2005/06.

The highest club championship position we could reach was 6<sup>th</sup> in 2010, but that was the high after years of slipping to the lower part of the table.

The later 2000's saw the loss of players such as First Grade Captain Lance Kahler to Sydney for work and the retirement of Andy Bichel, the stalwart of Queensland Cricket. Brad Ruddell retired and Matthew Lunn took the reins for 2 seasons, followed by Lance Kahler and Jack Hurst late in the decade.

As fast bowlers go, Mark Sharrard was a highlight with 20 wickets which could have been much more if injury had not hampered him. Redlands recruit Matthew Turich was leading wicket taker in 2007/08 with 17 wickets.

Ben Cutting, started his career in First Grade in 2005, after rising from Souths Juniors through the grades. By 2007/08 was unavailable for a large part of the season due to first class honours taking only 11 wickets. The call was out for fast bowlers and David Stiff was recruited in 2008/09 season leading the wicket tally at 23 for the season. Michael Brammer debuted in First Grade with 20 wickets for the season but would go on to take 186 wickets in First Grade before his retirement in 2017.

Long time 1<sup>st</sup> Grade player Phil Boyle retired in 2007/08 due to health reasons leaving the bowling stocks depleted.

Batting in first grade saw strong performances by Michael Wells-Peris and Jason English towards the end of the decade, with keeper Brad Ruddell and Andy Bichel also scoring well.

The end of the decade saw some positive news with the recruitment from Toowoomba of the '*Bradman of the Bush*' Brian May. Brian passed the 1000 runs in First Grade for the Club in only 19 innings and 2 seasons with an average of 65.00.

*Brad Ruddell (l), Andy Bichel (m) and Club Coach Baba Sourjah.*

The highlight of Brian May's time at the club came with a club record 2<sup>nd</sup> wicket partnership of 454 runs with Jason English opening (225 runs) and Brian May (227 runs) at 1<sup>st</sup> drop in a First Grade game versus Beenleigh-Logan on Norman Gray Oval in 2008. (See partnership club records)

Brian May (605) would go on to win the Peter Burge Medal, for the best 1<sup>st</sup> Grade Player in the Brisbane Grade Competition in 2011/12 season. English U19 fast bowler David Stiff (604) was recruited from English County club Leicestershire and played 2 seasons.

Jack Hurst, Lance Kahler, Keeper Brad Ruddell and Dan Wilson were impressive with the bat in the later part of the decade all regularly scoring centuries in First Grade.

Ben Cutting Made his First Class debut for Qld in 2007/08 season but also made his mark throughout the later part of the decade in First Grade taking over 100 wickets by 2016 but also being handy with the bat as well amassing over 1000 runs by 2015.

2<sup>nd</sup> Grade saw the finals on (3) occasions in the 2000's and went from last in 2008-09 to the Grand Final in 09/10 after Spinner Drew Martel (1<sup>st</sup> Grade Number 606) took the reins.

2006/2007 season saw Michael Jillett take the Most Wicket record for Grade Cricket in 5<sup>th</sup> grade with a total of 59 wickets for the season and 5 wickets or more in an innings on 5 occasions during the season (8/19, 7/14, 5/24, 5/28, 5/55). 5<sup>th</sup> Grade (1) made it to the final on the back of performances from Jillett and Michael Gommersall (31 wickets) but lost to Wynnum despite a wicket off Jillett's first ball. A 60 run first innings win was all Wynnum required.

The Women's 2<sup>nd</sup> Grade team made a re-emergence to Souths with Sandie Henwood gathering enough ladies for a squad. Coached by Clayton Bradford, they had a slow first year finishing 5<sup>th</sup> of 6 teams with 3 wins /10 losses. The Ladies continued throughout the rest of the decade in 5<sup>th</sup> and 6<sup>th</sup> finding it difficult to overcome the Grade Clubs that maintained a 1<sup>st</sup> Grade Women's side with more experience players throughout their clubs. Better things were to come in 2011/12 for the ladies who were building a team.

In 2007/2008 season 6<sup>th</sup> Grade, captained by Michael Wills saw a premiership defeating Wynnum-Manly Cricket Club in the Grand Final at Wynnum. The highlight of the grand final was the

incredible feat of 10 wickets in an innings by Souths Player Dean Harvey. Fine catching by the now Qld Cricket chairman Sal Vasta in the slips, and wicket keeping by Kieran Heilbronn saw all but 3 wickets taken by catches. The last time a Souths player took 10 wickets in an innings was in 1910/11 by Charles Barstow (who replicated the feat 10 years later whilst playing for Toombul)

5<sup>th</sup> Grade, captained by Neil Johnson, claimed the minor premiership but lost to Redlands in the semi-final 133 to Redlands 4/134 on first innings.

Changes at Fehlberg Park included a refurbishment of the practice nets to new soft netting and upgrading the lights and surface.

A boon for the club was a deal made to purchase lights and towers from the AFL club and install them on Jack Cooke Oval. The new lights, while not good enough for night games, allowed more night training on the oval.

The 2009-2010 Season saw the great change to the Grade competition with the introduction of a varied competition including 2 day games, One Day Games and T20 (20 Over) games for all grades. The diversification of the competition brought about new opportunities for differing styles of players but many challenges for administrators and coaches.

Athol Fulwood, who had continued doing statistics finally retired in 2010 was honoured for his 50 years service to the club.

### **Dean Harvey – 10 wickets in an Innings**

Dean Harvey, playing in the 6<sup>th</sup> Grade Grand Final against Wynnum took an incredible 10 wickets in an innings. Captain Michael Wills described the match as a cliff hanger throughout.

The wickets, in the 2<sup>nd</sup> innings of the match, comprised 7 catches, 2 bowled and 1 LBW.

2010-2011 season started with a whimper due to the catastrophic flooding in Brisbane and Souths grounds at Fehlberg Park. See Page 92 for full story on the floods and recovery).

The flooding occurred over the Christmas / New Year Break of the 2010/2011 season in early January leading to a round of the Cricket competition being cancelled by Queensland Cricket. Due to the incredible work of volunteers, training re-commenced in the nets only 1 week later. And not more than 3 weeks later, games were held at the grounds, due to the work of our groundsman Kevin Howgego, including 2 semi-finals and a grand final that season!

Overall, the club started strongly in the Club Championship improving to 4<sup>th</sup> position in 2011, although First Grade, under Brian May, could still only manage 8<sup>th</sup> position that year despite being in finals contention for most of the season. Late losses hurt our chances.

Second Grade, with long time keeper Matthew Torbey at the helm, finished the regular season in 2<sup>nd</sup> and made the Grand Final for the 2<sup>nd</sup> year in a row against arch rivals University but fell at the last hurdle. Second Grade also played the Grand Final, and hosted, in the One Day competition falling short again to University. Good performances through the season included Mark Sharrad 8/53, and Rhys Yorke 6/23.

The high point was 4<sup>th</sup> Grade finishing in 2<sup>nd</sup> position and winning the Premiership against Valley District Cricket Club in 2010/11. Adam King (100\*) as captain was the only century scorer for the season but was ably supported by a strong group of bowlers who made the difference. Another premiership went Souths way in 5<sup>th</sup> Grade (including Minor Premiership) in the same season.

The work of our groundsman Kevin Howgego (*pictured below left with Tom Lyne*) was honoured by Queensland Cricket Awards night presenting him with Groundsman of the Year for his efforts to get the grounds playable and up to such a high quality so quickly after the flooding.

Ten finish by First Grade Bowler Michael Brammer demonstrated his consistent form as a swing bowler for a number of years.

The ladies started the decade in last but had an incredible year in 2011/12 taking the premiership in Ladies 2<sup>nd</sup> Grade. Caitlan Collins, a long time Souths ladies player, made 309 runs @ 25.75 with a high score of 85\* in the limited overs format. She also took 10 wickets for the season. Nicole Halligan, another long time player for Souths took 17 wickets for the season and made 172 runs. Emma Munro continued her long term form with 244 runs and 12 wickets.

A brief promotion of the team to Women's First Grade did not work out and the ladies returned to 2<sup>nd</sup> grade before disbanding in 2013/14 due to the loss of a number of players. The team reformed in 2017/18, again under the management of Sandie Henwood.

6<sup>th</sup> Grade also continued the lower grades great run by also winning their premiership. Captained by Andrew Cowan, 6(1) played the Final on Norm Gray oval. Man of the match performance by Sam Lindsay taking 5/45 leaving Souths 165 for victory, and following up with 25\* at 7 wickets down.

2012/2013 saw 3 teams contesting finals at Souths and 2<sup>nd</sup> Grade winning the One Day final. Another strong club performance with a 2<sup>nd</sup> in the Club Championship saw the club on a the rise. A late loss ruined First Grades Semi finals chances after a strong performance throughout the year with a semi-final appearance in the One Day competition.

The highlight of the year was the Grand Final at Souths between our 2 Third Grade sides. An epic battle ensued between Captains Tim Lyne and Trent Pearce, with 3(2) Grade taking the minor premiership over 3(1)'s by a single point.

2011 saw a rare achievement with First Grade Captain Brian May winning the coveted *Peter Burge Medal* (See page 86) the last player to do so being Dale Turner in the Premiership year of 2000. A club Championship position of 2<sup>nd</sup> showed the strength of the First Grade side but they were unable to convert to a premiership due to some lack of consistency in the One Day and T20 formats. A top

Tim Lyne's 3(1)'s won the toss and decided to bat on Norm Gray Oval. At 4/82, 3(1)'s were in trouble until a big hitting Matthew Pearce (147 off 125 balls) took the side to 5/244 with the help of Brendan 'Marbles' McNae (62). A good 60 by Mitch Connell and the side to a massive total of 483.

3(2)'s returned fire and were 4/224 after the 3<sup>rd</sup> days play. An incredible display of patience saw David Orange (141\*) and bowler Karshen Moodley (92 runs off 489 balls) bat for almost 2 days finishing the match in a draw at 4/417 off 190 overs at the end of play. The Minor Premiers, 3(2)'s taking the Norm McMahon Shield due to the draw also winning the J M Baumann Team Trophy for the club.

Of interest was that Karshen and his brother, Lasheyn played in opposing teams (pictured below at the completion of the match).

Despite the Premierships, and finals, Souths just missed the Club Championship, finishing 2<sup>nd</sup> to the University juggernaut.

Second Grade shone brightly, taking the 2014/15 Premiership, the first for Second grade since the mid 1990's. The Grand Final team consisted of 12 players, but the Skipper, Rhys Yorke, and the team acknowledge that it took 30 players to go through the season to win the Minor premiership and the Grand Final. The combination of bowlers, including Rhys Yorke, Arlen Wells-Peris, Daniel Lennox, Brendan O'Leary and Uhmar Samsudeen took a combined 201 wickets in the regular season between them. The Grand Final on Norm Gray oval was a classic match. University batted first for 252 runs in a rain affected first 2 days. On day 3 Souths were bowled out for 194 for a first innings deficit, but took 3 late wickets to stay in the game going into day 4. After bowling Uni out early on Day 4 thanks to a 5 wicket haul by spinner Arlen Wells-Peris, Souths were left to

chase 243 runs with only 60 overs left to play. Dan Wilson scored 57 to start the innings, and Harry Jones 85 to dominate the University bowling attack. With 9 wickets down, 6 balls left to play, and only 1 run to get, the skipper and Wicketkeeper Adam Hart hit the winning run to start wild celebrations at the nest.

2014/15 Second Grade Grand Final Team - L to R – Standing – U Samsudeen, D Lennox, H Jones, N Bischoff, J Eccles, A Hart (wk), B O’Leary, S Henwood (Scorer). Seated – l to r – L Lunt, D Wilson, R Yorke, A Wilson, A Wells-Peris.

2014 also saw the introduction of a more diverse competition with the introduction of both One Day and T20 matches for all grades. Whilst a nightmare for record keepers and trophy managers alike, it was hoped that this would give a more diverse competition in line with world trends in cricket, and attract more people to the game locally.

A mediocre season in 2015-16 saw First Grade fall from a top 4 position before the Christmas break to finish 8<sup>th</sup> for the season. Michael Narracott topped the aggregate with 593 runs and one time Captain Michael Brammer with 31 wickets. Second Grade had only 4 remaining players from the preceding season’s premiership but they still made the top 4 in the regular season in all 3 forms of the game. Unfortunately, no premiership were collected in either with a semi final and a Grand Final appearance. A lacklustre season saw the rest of the grades finish no higher than 7<sup>th</sup>.

The following year saw a worse result with no teams making the finals and most teams falling to 8<sup>th</sup> or lower in the regular season, including a lowly 10<sup>th</sup> in the Club Championship. Inconsistency and a new club coach did not improve the situation. 2016 saw the retirement of long time First Grade bowler, Michael Brammer. Any other player picked on form, would have played for the state. Michael’s medium pace constantly troubled batsmen throughout the First Grade competition amassing 186 wickets in First Grade at an average of 19.97.

2017 saw a disjointed start to the season with a miscommunication leading Council to poison the run ups on our main oval. This required an expensive repair and to compound the woes, vandals drove all over the oval causing some \$35,000 damage to the main field. An expensive year for the club. Some positive news saw the return of a Ladies team with Life Member Sandie Henwood again taking control.

The club championship had Souths languishing near the bottom of the table in a most unsatisfactory position. Again, only one team, 6<sup>th</sup> Grade, finished higher than 8<sup>th</sup> position, with First Grade finishing last and 2<sup>nd</sup> last in all but the One Day Competition. This despite 849 runs by co-captain Jamie Eccles and 755 runs by Emmanuel 'Lucky' Petersen.

Some improvement in 2018-19 season in consistency and performances but First Grade could still only manage 2 wins and 3 draws for the season. Again, no finals appearances for the club continued some poor results, despite some very competitive performances throughout the grades.

Good news late in the season saw international cricketer Kepler Wessells appointed as club coach for 3 years starting 2019-2020 season.

2019-20 saw a rebuilding season with good performances with the bat by Emmanuel 'Lucky' Petersen, First Grade Captain, scoring over 800 runs. 8 teams made the finals, however unfortunately, due to the CoronaVirus pandemic sweeping the world, the season grand finals were cancelled and the competitions awarded to the highest place team in each grade, leaving Souths without a premiership for the year.

*5<sup>th</sup> Grade Premiership*

## 2 Hat-Tricks in Two days

*Rhys Yorke, First Grade Number 612, took an incredible 2 hat-tricks in 2 days in 2<sup>nd</sup> Grade during the 2012-13 season.*

*In a match against Valleys, left armer Yorke took a hat trick with 3 lbw's and figures of 3/8. The next day in a One Dayer at Sunshine Coast, he repeated the feat finishing with 5/41 against Sunshine Coast DCC.*

*Rhys Yorke also holds a club batting partnership record for the 9<sup>th</sup> wicket at 160 runs with B Wilde in 3<sup>rd</sup> Grade v University of Qld in 2006/07 season.*

As can be seen for the above results, despite some recent poor form over the last few years, South Brisbane has been one of the strongest clubs over the last century. The last season of improvements shows some light at the end of the tunnel for our club. Club Champions thirteen times since the Club Championship was introduced in 1934/35, twenty premierships in "First" Grade, 69 QCA premierships overall and one QWCA title show the strength of the club over a long period of time.

Nine South Brisbane players have captained the State. They were S J Donahoo, J S Redgrave, W A Brown, R E Rogers, K A Archer, P J Allan, J A Maclean, and G S Chappell.

Looking through the history of the Club two things stand out. First is the number of outstanding wicketkeepers the Club has produced. Starting in the very first season, the following keepers have represented the state, Ernest Currie, Leo O'Connor, Harry Leeson, Rod Rice and John Maclean. Other successful First Grade Keepers include Brad Ruddell and Dom O'Brien. Don Tallon, Wally Grout and John Maclean also represented Australia with the gloves. Most recently, Brad Ruddell overtook John Maclean and Rod Rice for the most wicket keeping catches and most dismissals in First Grade for the Club (See first Grade Profiles for all statistics).

The other thing that stands out is the number of country players that have found a home at Souths. Since the First World War, South Brisbane has usually had a number of country players scattered throughout the grades including the Parker Brothers (Dalby), Andy Bichel, Brian May and Mark Steketee

A lot of the credit must go to the late Geoff Walsh who was chairman of the QCA Country Committee for many years.

Some lean years of late in terms of First Grade Championships, and the Club Championships but the fighting Magpies continue to build and look to live up to the legends who have come before us both on and off the field.

### **PETER BURGE MEDALLISTS**

Peter Burge Medal is awarded to the Best and Fairest First Grade player in the Premier Grade Competition. Named after Queensland Representative player Peter Burge. Points are awarded on a 3-2-1 basis on each round of the First Grade Competition.

#### **Andrew John HAMMELMANN**

*See Queensland Representative player profile*

In 1990/1991 Season, Andrew took 44 wickets, the most by a bowler in First Grade since the introduction of covers in the early 1970's. Finishing 3<sup>rd</sup> in the regular season, First Grade went on to win the Premiership.

Andrews career statistics in First Grade place him 10<sup>th</sup> on the all time wicket taking list at 2113 Overs, 524 Maidens, 5748 runs for 238 wickets at an average of 24.15.

#### **Paul J ARGENT 1997/98**

In 1997/98 season Paul took 38 wickets in First Grade, bowling 200 overs, 42 maidens, for 620 runs at an average of 16.31.

Paul took 2 5 wicket hauls in the season with 5/37 and 5/55.

Pauls career statistics in First Grade place him 18<sup>th</sup> on the all time wicket list with 1425 overs, 293 Maidens, 4758 run for 183 wickets at a career average of 26.00.

#### **Dale Andrew TURNER**

b. 1974, Bankstown, Sydney

Peter Burge Medal 2000-2001 season. Dale played as an all-rounder, bowling off-spin.

Dale scored 586 runs at 83.71 with a high score of 210\* and took 37 wickets for 621 runs (including 6/58, 6/97, 5/34 & 5/99) in the season in First Grade.

Dale won the Batting Average trophy, the trophy for most wickets, Club player, Club All-Rounder and Coaches trophy for the club for the season also.

## Brian Keith David MAY

**b. Toowoomba, 1975**

**First Grade Number 605**

**Represented – Australian Country XI, Queensland XI, Queensland Country, QAS, Qld Colts**

**Peter Burge Medallist 2011/2012 season.**

**Australian Country Cricket Hall of Fall inductee - 2018**

Brian played with Beenleigh-Logan in 1995-1997 but returned to Toowoomba in 1997-98 seasons. Brian played for First Grade at South Brisbane from 2009-2013. During season 2010/11 Brian scored 856 runs at an average of 45.05, with a season high of 108\*. Brian was the oldest player to win the Peter Burge Medal.

Brian's First Grade statistics see him sit in 47<sup>th</sup> in the all-time runs scored after just 34 innings, 6 Not Outs, 1804 runs with a high score of 227 at an average of 64.42. It is interesting to note that the closest player to Brian in terms of innings was Qld Captain F.C Thomson at 44 innings at 2268 runs and Greg Chappell at 45 innings at 1849 runs.

### Fehlberg Park

Fehlberg Park is named after the late Mr W J Fehlberg, of Fairfield in Brisbane. Mr Fehlberg was the Chief Health Inspector for the Brisbane City Council at the time and was responsible for the reclamation of a large area of swamp land for sporting use.

Mr Fehlberg devoted a large portion of his life to cricket and was a life member and Vice-President of the Queensland Cricket Association.

Mr Fehlberg is listed in the pre-world War 2 Annual Reports as attending social functions at South Brisbane Cricket Club.

The Brisbane City Council converted the area from a dump to a park area in 1953.

South Brisbane District Cricket Club commenced use in 1960/61 but obtained a lease over the park in October 1962. The lease was provided for a period of 7 years with the AFL as a Winter Tennant (prior to the development of the AFL Grounds at Cansdale St). A further condition was that 2000 pounds of improvements were required within 2 years.

Norm Gray Oval (Named in 1966) and Bob Young oval were developed and used almost immediately, whilst Jack Cooke Oval was developed later. Sadly, Mr Fehlberg, for whom the park is named, died in the same year as the club commenced using the park and it is hoped that he at least witnessed its use prior to his passing.

### January 1974 Floods

In January and February 1974, Brisbane suffered mass flooding throughout the river based city. Souths, being adjacent to Brisbane River was inundated to over 25 feet (7.6 metres) and was reported at the time to be over the sight screens. (For scale, this was above the following photos from the 2011 flooding).

The club had been seeking to build a clubhouse on its present location since taking on the lease in 1963, with slow progress, such that the plans were drawn up and being quoted in the years just prior to the flooding. While the club suffered damaged to the temporary facility including dressing sheds, luckily, the main building had yet to be constructed.

*1974 floods – Souths is lower right in this overhead image.*

After the clean-up, the new clubhouse, in the below picture, was then built on 40 foot deep foundations, and completed in early 1975. The total cost at the time was \$51,768 and completed by Palisa Developments Pty Ltd.

To put it into perspective, the club had \$37,143. A \$20,000 loan was taken to assist in the build and fundraising was required through raffles at the Chardons Corner Hotel. A large amount of the drive to get the clubhouse built and push the project to completion goes to its namesake, life member John McKnoulty and the committees who suffered frustrations for years before ultimately succeeding in its completion.

## Vandalism at Souths

Unfortunately, like all club houses and grounds, we suffer vandalism from time to time. Random acts of vandalism occur on monotonously regular occasions but sometimes have devastating effects on our finances or cause significant damage.

### 1977 Club explodes

In 1977 vandals exploded some unknown explosive device at the front of the old clubhouse causing significant damage.

From the 1976-77 Annual Report

*“As mentioned earlier in this report, the club’s main asset, the Clubhouse, suffered severe damage at the hands of vandals in May 1977. Those club members who inspected the Clubhouse after the incident would have seen how extensive was the damage which the explosion caused. Almost all of the windows were broken, some of the security mesh was twisted, brickwork was damaged, parts of the ceiling affected, the roller door and part of the bar area damage and some of the contents (Curtains, tables and Charis etc.) required repair or replacement. Fortunately no structural damage occurred, but nevertheless, the total damage was approximately \$8000. It is tragic to think that wantonness was responsible for such a large amount of damage. Fortunately, too, the clubs insurance arranged by Dave Applegarth, covered all the damage. “*

A correspondent to the club indicated that detonators were placed in the drain pipe and one was found on the opposite side of the Norm Gray oval next to the sight screen.

### 2017 Grounds

Just after the start of the 2017/18 season, vandals got vehicles onto the main Norm Gray oval whereupon they proceeded to do circles on the oval causing some \$35,000 in damage to get the ovals ready for play for the season.

## 2011 Floods and recovery

In January 2011, Brisbane, and surrounding South East Queensland suffered the most devastating flooding since the 1974 floods.

Our clubhouse, situated near the Brisbane river, suffered badly, being completely submerged.

The clubhouse just prior to being submerged.

An overhead view of Fehlbeg Park during the flooding in January 2011.

At least 90 towns and over 200,000 people were affected by the flooding which forced evacuations in small towns all over Queensland, and large parts of Brisbane suburbia. Some 33 deaths were attributed to the floods which had a major impact on Queensland for a number of years.

After years of drought, the Brisbane dam catchments were in significant drought until a large series of rainfalls occurred, raising the dams to peak levels in late December 2010 after significant rainfalls.

A significant rain event occurred in Toowoomba on 10 January 2011 where 160 millimetres (6.3 inches) of rain fell in within 36 hours prior to a line of storms hitting Toowoomba. The water quickly ran down the Great Dividing Range

causing a number of deaths in what was described as an 'Inland Tsunami' across the Lockyer valley and into the Brisbane water catchment area.

Water authorities were forced to release water from the dams for safety reasons and ultimately caused major flooding to over 20,000 homes and businesses along the Brisbane River.

On 13 January 2011, flooding peaked at 4.46 metres (The tenth highest and below the 1890 floods) compared to the 1974 level of 5.5 metres.

Due to the rapid influx and rapid rise of flood waters, members were caught short in removing items from the clubhouse.

Huge efforts save a lot of our history, the honour board, photos but many items were damaged, including over \$15,000 worth of drinks and canteen stock.

The building itself was damaged beyond repair and subsequently gutted and re-built to the new clubhouse that stands today.

Clean-up included removing tons of hay insulation from the ceiling, tons of silt mud from the grounds so that the grass didn't die, and silt mud from the car park, nets and groundsman shed.

An enormous effort was undertaken by members to clean-up the mess and huge support from the Council, State Government and the generous contractors to rebuild the facility.

Enormous efforts were made by all but in particular, club coach Lance Roudenko and Life Member Tom Lyne were the leaders of

the clean up. Their efforts in directing resources made all the difference in keeping the volunteer efforts going. The various volunteers who cleaned, those who organised food and water for everyone and all the helpers made a huge difference to the club.

A General Club meeting was held to discuss the options for rebuilding the club.

Engineers were engaged to determine if the building could be a 2 storey building, in order to mitigate future flooding in our river adjacent position. Unfortunately, the concrete piers which were laid in 1975 (some 25 feet deep!!) had moved from vertical to a diagonal position and the ground was not thought strong enough to hold such a structure.

As such, the club redesigned the club around the existing base and a new plan was put into action.

On 19 November 2011, our then Patron, Anna Bligh, Premier of Queensland, accompanied by the Mayor of Brisbane, Graham Quirk,, local Councillor Nicole Johnson, the Chairman of Queensland Cricket Jim Holding, along with the President Sal Vasta, Vice President Peter Bertram and the executive committee of the club, joining for the opening of the newly rebuilt John McKnoulty clubhouse. A celebration game of cricket was held on the day with a special cake made.

## LIFE MEMBERS

The Management Committee may nominate Life Members in consideration of special services rendered to the club. No records exist of life members prior to 1925, however, it is clear from some newspaper reports of the time that some members were either conferred or considered life members.

### 1922 John Sydney (Sid) REDGRAVE \*

**b. 5 August 1878, North Sydney, NSW**

**d. 3 August 1958, West End**

**First Grade Number 109**

Sid was a prolific run scorer and wicket taker. He played for both Qld and NSW in the early 1900's as a right handed batsman and a right arm medium bowler. Sid coached for Qld and played for South Brisbane most of his Qld career.

**1922 John (Jack) HOELSCHER \***

Commenced at the club in 1904-05

**Honorary Secretary 1918-1921, 1930-31, 1938-1954**

**Assist Secretary 1935 -38**

**Vice President 1931 -**

**Honorary Treasurer**

**Grading Committee (1935-42)**

**Selection Committee (35 -**

**Delegate to Qld Cricket (1935 – 1940)**

**QCA Executive**

**Score Book Inspector QCA**

**Life Member Qld Cricket 1940**

Jack was first recorded as a scorer for Souths in 1904 and continued volunteering in many roles at the club for over 50 years.

Life Member David Applegarth remembers Jack: He was Hon. Secretary in my early years and one would have to think "Mr Everything". There was no person of greater standing in the cricket world of Queensland at this time than our own Jack Hoelscher. He was a crippled person from a young age and got about on crutches. He lived on Dornoch Terrace at the lower end of Highgate Hill with his Brother-in-law Eric Stubbs and family.

Jack was a single man, married I believe to Souths and cricket. The latter years of his life were spent in the old age hospice section of what is now the site of the Princess Alexandra Hospital. Even through these years I often picked Jack up and take him to cricket where he would watch from the car where possible, have afternoon tea and even then make worthwhile and valid comments about the game and the players. I would then return him to his hospice accommodation for care. A wonderful and brave person to be associated with and very proud of the many players promoted due to his guidance and foresight. Souths have been blessed with many other fine Hon. Secretaries following in Jack's footsteps and the high standards he set.

**1924 Ralph A ALTON \***

**President 1924-1929**

**Life Member Qld Cricket 1926**

Mr Alton served as President from the start of Annual Report records in 1924 until 1929. Certainly his contribution prior to the beginning of the records in 1924 must be significant to have been made a life member at that time and he served the club for many years following the honour. Mr Alton also served on the Qld Cricket Association Executive from the beginning of the records in 1924 until well into the 1930's. During his tenure in this period, he was responsible for the signing of a lease to use the Brisbane Cricket Ground, on favourable terms, including an income from gate takings.

His stewardship included a time of good financial position of the club. Mr Alton and his wife were responsible for many successful Social functions.

**1926 TP CLARKE \***

Mr Clarke was a member of the executive committee until 1925. The records are inconclusive about Mr Clarke's playing career with the club.

**1927 Lynwood (Les) Lawrence GILL \***

B. Macquarie Plains, Launceston, Tasmania, 1891

D. Pullenvale, 4 December 1986

**President 1929-1945**

**Patron 1945-1955**

**First Grade Number 173**

**Life Member Qld Cricket 1937**

**World War 1 Record – Enlisted 30 October 1915.**

Served in 1<sup>st</sup> Cavalry, Signals. Commissioned as a Lieutenant 24/3/16. See an expanded history of his war service in the World War 1 section of this book. Lynwood joined South Brisbane Cricket after his return from the war and continued his association for many years. Played for Queensland in its first Season admitted to the Sheffield Shield Competition in 1926 - 27. Australia's oldest surviving first-class cricketer, and indeed may have been the world's. A right-handed batsman and medium-pace bowler, he had already represented his native Tasmania against the 1911-12 MCC side and twice against Victoria the following season when he settled in Queensland after war service in the AIF. In 1926-27 and 1927-28 he played for the state in its first seasons in the Sheffield Shield, and in 1930-31, when many of the team were in dispute with the Queensland Cricket Association, he was recalled as captain for the final match against Victoria. Because of rain, the match was abandoned without a ball being bowled. In his ten first-class matches, he scored 447 runs, with an average of 29.80, and took

eight wickets at 81.62. He was a Queensland selector from 1924 to 1944, with the exception of 1930-31. Although his birth registration shows his first name as Lynnwood, he always indicated it with only one "n".

**1927 ARH HAGON \***

**Honorary Secretary 1924-1926**

**Representative to QCA Executive 1924-27**

**QCA Selection Committee B Grade 1924-25**

**First Grade Number 160**

**1928 Harold SHERRY \*****First Grade number 157****Committee member and QCA Delegate**

Mr Sherry was a long time committee member and delegate to QCA on behalf of the club serving in the 1920's at the time of the commencement of records of Annual Reports. Mr Sherry is also mentioned in Annual Reports as having played in representative teams to Toowoomba (4/35) and Far North Queensland with Mr Redgrave. Mr Sherry played as a bowler in A Grade and holds the Qld Cricket Record for wickets taken in the 1928-1929 season at 42 wickets for the season.

**1929 H MACINNES\*****First Grade number 182****Delegate to QCA****1930 W T FISHER\***

It is unclear whether W T Fisher, life member, is in fact, W T Fisher, our first Captain. The Annual Reports are unclear as to the nature of service of W Fisher, but it is certainly likely.

A Fisher, likely W Fisher's son, was also mentioned at the time in statistics.

W T Fisher was our founding Captain and First Grade number 5, and captained the first game vs Toowong.

He also served as Treasurer 1897-1900

**1931 Norman GRAY \*****b. 3 August 1891****d. April 1970****President 1959-1964****QCA delegate 1932-1940****Vice President****Executive 1924 - 1959****First Grade Number 201**

The namesake for our main oval at Souths.

The special Tribute to Norm Gray from the 1963/64 Annual Report when he retired as President of the Club:

*"Our Patron, Hon. V. C. Gair, our office bearers, members and ladies and supporters will deeply regret that this meeting will terminate the reign of our President*

*Norman Gray.*

*His period, 1959-1964, embraced three successive 'A' Grade Premierships. Our only Golden Age 1906/07, 07/08, 08/09 and 09/10 surpasses it. It a pity he could not have held control for one more year.*

*Max Robins, who steered our team to the triple success, Dave Applegarth and former captains who did the spade work, will agree that such a performance was not achievable without a team spirit. That needs good club management, always impossible unless the man in the chair has the essentials of experience, enthusiasm, tact and character. 'Souths' were fortunate that their top man had reserves of these qualities.*

*Norman Gray was no ordinary president, no 'yes-man', no figurehead and nobody's fool. He had no other motive when accepting high office than to work for his great love 'Souths. Had self interest rules he could possibly have graced the chair since 1925. Instead he threw his energy behind our management. For over forty years he served in almost every club capacity. Any honours that accrued to him on the way were richly deserved. The club bestowed life membership in 1931. From a QCA Delegate in 1927, he was to rise to the Vice President of the Association in 1950.*

*From the outset in 1927 – when he became a QCA Member and later a foundation member of the Brisbane Cricket Ground – he assisted Messrs Hartigan, Hutcheon, Fehlberg, Skirving, Park and others in the effort to restore headquarters to Woolloongabba.*

*Along with grading, selecting and executive duties over that time, Norman was an energetic and inspiring member of the Social Committee. Mrs Gray and daughter Norma, gave him full support. The latter statement could be in reverse for next to our former Secretary Jack Hoelscher, Souths 'Knight of Cricket', no member realises more the club debt to our ladies. Their story is worthy of a chapter of its own.*

*Though born 3 August 1891, and bred in the aura of "South", our president did not join us until 1922. He first tasted District Cricket with Toombul during a short residential period at Sandgate (Electorate cricket rules were that you must play for a club in the area you resided).*

*In Norman's younger days "Souths Teams" were hard to reach. In those Six O'clock closing times, we boasted two grades only and some giants filled those teams. That why our district and the neighbouring Woolloongabba harboured some might union sides, like Etons, Peregrins, Stanleys. Violets and the mighty Brisbane Gordons who later were known as Kangaroo Points. Norman played for the last named three.*

*Bred in that Golden Age when Victor Trumper reigned supreme, when the 'Gabba' was the fastest wicket in Australian according to the Sydney 'Referee'. Its no wonder that our tall President learned that a bat was meant to really clout a ball. One same of his prowess was 115 runs for 'Gordons' in 20 minutes dead. His cricket career was cut short due to health issues at an early age.*

*He still has nostalgic memories of Souths champions of our golden era. Aboriginal Albert Henry (See page 13 (Editor: I have determined to leave the original term, rather than substitute it for indigenous due to the historical nature of the time it was written, but also to allow them to celebrate what was likely one of the first indigenous players to play grade cricket.) and Charlie Barstow with the ball. All Rounders Billy Hayes; "Old Sid" Redgrave and giant Alan Marshal plus elegant batsmen Tom Fuanace were idols of our Brisbane Boys. For opponents in the road of Souths victory were grand drivers Hartigan and Hutcheon, the wristy Fennelly, classy Jimmy Sheperd and Poly Evans, the greatest bitter of the era.*

*With all these recollections, Norm has not lived in the past. Just as fondly as he remember the deeds of the one and only Old Sid, he cherishes the success of Des Hansen, the Archers, and the memory of Wally Grout making the Australian XI for the first time. The grand form of wholesome boys, like Des Bull makes him glow with pride.*

*Yet, Norman did not reserve his interests for the higher grades. He admires those of lesser talent just as well. He can highlight the unselfish efforts by Jock Keir and the late Bert Peek. They stayed down a grade to held build teams of boys that were the nucleus of Kevin hickey's 1935/36 Premier Team.*

*Souths have shared his joys, They too, sadly shared the family grief when fine young Ken (Norm's son) gave up his life as a Prisoner-Of-War.*

*Out new President and the whole club may well be confident that in any future time of need they can call on Norm to come down to assist them from his aerie on Highgate Hill. Souths great supporter will be their retiring President and friend Norman Gray."*

Words from our former President Norman Gray in the Annual Report upon his retirement:

*It is with regret with this Annual Report and Balance sheet I relinquish active administration with the club. Time has caught up with me.*

*Cricket, like most other sports, needs a continuous influx of young and virile adherents – young men with vision and drive. This is just as necessary on the administrative side as on the field.*

*Over the past decade, the game of cricket has received publicity of a derogatory nature, and the gloomy prophecy as to its future popularity as a spectator sport. Admittedly, some of the foremost exponents of the game, by their performances on the field – and at times in administration – brought ridicule on our national game. But it is will to remember that the game is always greater than any of its players – or administrators. With the introduction of more younger men into administrative positions in the district clubs – plus the right attitude of the players towards the game as a sport – cricket will recover any prestige it may have lost in recent time.*

*Towards this happy position it is very necessary that every club – and particularly South Brisbane – should have its own Home Ground and develop a community spirit amongst the residents of the clubs area of influence. Your club has the potential of one of the best Home Cricket Grounds in Brisbane situated at 'Fehlberg Park' in the Fairfield, Yerongs Moorooka area and I urge you to publicise this to the utmost of your ability. I cannot conclude these remarks without reference to the 'Ladies Committee'. It has been a great privilege to me to have been associated as President of your club, with this committee which I am proud to say is the admiration of all other district cricket clubs. The prestige which your club enjoys is due mainly to the very pleasant and efficient manner in which they have looked after you and our guests at social functions.*

*In conclusion, I hope that you will work for the advancement of the club on the field and socially. You must remember that is not the privilege of everyone to participate in a sport, but there are many earnest people who are very happy to be socially associated with the paleyers and work for their enjoyment. Although I have giving up the administration of the club it is still my hope to be able to serve in other directions for the welfare of the club.*

**1931 Jock A KEIR \*****Executive Committee****Auditor****Delegate to Qld Cricket****First Grade Number 189**

Jock is listed as a member of the Management Committee, a delegate to the QCA and the Auditor of the club finances in the 1926-27 Annual Report. He is pictured here in the 1934 Club Championship winning team picture. Of note is that both Norm Gray and John Kier were nominated in 1931 as Life Members.

Norm spoke well of Jock on the basis that despite his talent on the field, Jock helped build a lower grade team that would later be the nucleus of the 1935 Premier Team.

**"SUIT THE TIMES"**

**Why F. U. Hefferan is Professional**

"I HAVE no grudge against cricket or the powers that be. I have gone in for professional cricket solely because I think that something of this style is the coming thing, and that for many reasons the present order is uneconomic, especially when it takes four or five days to play matches at such an expense and at such a poor return to the men who are most important."

This is but one of the reasons given by Mr. F. U. Hefferan when he was asked for his reasons for joining the ranks of professional cricketers. "If Jardine's attitude towards the barracker is any criterion we must conclude that time doesn't matter and that he has no feelings at all for the man who pays his shilling. In our game the man who pays his shilling must be considered."

"Another factor which I think has operated to the advantage of the new game is the 'young player craze,' of our cricket authorities, whereby men with many years of usefulness before them have had to stand down while younger men without the ability have been pushed forward."

"I think this new game will suit the times and will suit the future. If by any chance it fails it will soon be taken up by someone else. Professional cricket must come to Australia sooner or later."

**1940 John (Jack) Gordon COOKE \*****President – 1964-1970****Honorary Asst Secretary – 1938-1945****QCA Vice President & Reserves Selector****QCA Life Member****QCA Delegate****First Grade Number 269**

John Gordon Cooke (Jack) became a member of Souths when he came to Brisbane from the country in 1929-30. He continued his association with the club up to his passing in 1981!

He was a playing member of the club in Reserve B and C Grades from 1929 – 1943 inclusive. He was a member of the executive committee beginning in 1933 and held the position of Honorary Assistant Secretary from 1938-1945. He was elected President of the Club in 1964 and continued to hold the position until 1970.

Jack has been associated with most committee's of the club, fund raising and otherwise, a selector, team captain, Honorary Asst Secretary etc. Since being made a life member in 1940, Jack continued his active involvement with the club for the rest of his life.

Jack was an office bearer of the Qld Cricket Association as a Selector for B and Reserve Grades from 1936-42 and was a Club Delegate to the QCA from 1939-1969, a period of thirty years.

Jack relinquished the presidency in 1970 but continued in such roles as booking officer for Fehlberg Park, member of the Fehlberg Park committee and trophy co-ordinator for Senior Grades. In 1970, Jack became a Vice President of the QCA and chaired a delegates meeting as late as 1980. Jack was also a trustee for the club and also the Qld Cricketers Club. Jack was married to Kitty and he passed away in 1981. Jack Cooke Oval at South Brisbane is named in his honour.

**From Dave Applegarths memories of Souths**

Jack was one of the most dedicated and hard-working people I ever encountered at Souths. Being an accountant by profession and working in the Taxation office in Brisbane he was trained to pay enormous attention to detail in everything he became involved with. He always made copious notes on all matter of things and religiously checked off on each item. For all this he also had a will to see projects proceed and become a reality in the interests of the Club and cricket in general. Jack had an uncanny ability to get people involved in different aspects of the Clubs activities. Some still talk to me about how, even as young people Cookie excited their interests in doing a job for Souths. Even though I was still a pretty young player in 1960 it was Jack Cooke and Norm Gray who

suggested that I should also take an interest Executive duties. I admit I learnt a deal from these cagey older operators as I saw them as at that time. In the year Jack Cooke became President I was appointed a Life member at age only 30 years. Along with John McKnoulty who I think joined the Committee around the same time as me we became two of Cookies right-hand men where we helped guide the Club for 3-4 years until I transferred to Townsville in 1967. Jack Cooke was also a foundation Committee person of the Queensland Cricketers Club founded in 1959. He went on to become a life member of that Club. Jack Cooke lived with his family in Norman St. East Brisbane for most of his married life. I know the spot well having driven him home, on many occasions following meetings and club functions. A wonderful Clubman our Cookie and an outstanding person, and I believe others of my era shall never forget.

*Dave Applegarths Memories of Souths*

My first memories of Bob Young was watching him play for Souths "A" Grade team at "The Gabba", I think in 1946 or 1947. Bob had served in the Australian Army during World War II and like many of his colleagues had the stuffing knocked out of him fighting to save Australia. A short dumpy person of darkish complexion with an engaging smile and personality. Bob was an excellent R.H. Batsman in the top of the batting order, he made many high scores for Souths. I always found him to be calm in

difficult situations. I recall him making a temporary comeback to "A" Grade in the early 1950's when the team were short due to Sheffield Shield commitments of some key players, he peeled off a sedate 40 or 50 runs against Valleys at New Farm Park when all us so called young hot shots had failed. This performance was typical of his calm and collected approach. I remember he always said "Let them get you out not get yourself out". Bob Young was Manager of Massey Bicycle and Sports Store in Elizabeth St. Brisbane, I believe he would have done some good deals for Souths with cricket gear. Bob was one of the people who initiated the "Sports Depot Shield" into Q.C.A. Club cricket competition, this trophy being awarded for the best performed Club overall grades. Masseys Sports Store later merged with Whatmores Sports Store where Bob worked on with Errol LaFranz and Jack McLaughlan. Bob Young like Jack Hoelscher before him believed in bringing on the young players in the Club so he devoted much of his time to Coaching and Management activities for junior players of the Club. Bob remained a single man throughout his life and lived with his mother and brother Ken at Ipswich Rd. Annerley Junction about two blocks back from the junction of Ipswich Rd. and Annerley Rd. The old home still stands there today. As his record shows a real stalwart of our Club.

He served his country in World War 2, enlisting in July 1940 and reaching the rank of Lieutenant in 2nd Australian Field Regiment, serving in Darwin, Indonesia, Borneo and Manilla. He was discharged in October 1945.

George service in the same unit as Leonard (Les) Dixon's brother James. George was off doing an officer's course when Jim Dixon was captured by the Japanese, lest he would have suffered the same fate.

George was a natural sportsman and represented Queensland in Baseball. George even pitched to some US Baseball players serving the the US Military. George was also the runner up in the Queensland

Billiards Championship 2 years running.

George is listed as playing for Queensland in a 4 day match at the Gabba vs South Australia. Queensland beat the South Australian team including players such as Don Bradman (Later Sir Donald).

George was listed in the newspaper of the time as marrying at the St Andrews Church in South Brisbane.

*Marriage Notice in the Brisbane Courier - St. Andrew's Church of England, South Brisbane, this evening, Miss Elaine Muriel Clarke, daughter of Mr. and Mrs. C. F. Clarke, Vendale Avenue, Moorooka, will be married to Sergeant George Alington Gooma, A.I.F., Redbank, son of Mr. and Mrs. T. Gooma, Ipswich Road, Annerley. The Rev. L.J. Hobbs will officiate. The bride will wear a long-sleeved frock of white angel-skiri lace and a hip-length tulle veil held by one large velvet flower. She will carry arum and sucharis lilies. Miss Joyce Moran will wear blue lace, and Miss Britta Burke, the other bridesmaid, pink lace. Both maids will wear short veils to match their frocks, and their bouquets will also be in matching tones. Mr. Mervyn Fox will be best man and Mr. Alex Rea groomsman. The reception will be held at the home of the bride's parents.*

George was an advocate for One Day Cricket in the Grade competition to invigorate the game.

Mr David Applegarth recollects that Mr Nicol was appointed as a Captain/Coach which was the done thing in the 40's and 50's. Mr Nicol was also a financial supporter of the club.

**1959 Geoff E WALSH \*****Honorary Secretary 1989-1991****Treasurer 1990-1994****First grade Number 314**

Vale as written by the then Secretary Basil Wright of Geoff after his passing in April 1995:

“On 21 April 1995, Geoff Walsh died after suffering a heart attack and South Brisbane Cricket Club lost a man who had been a pillar of the Club during the past 50 years.

When I joined the club in 1979 Geoffrey Edward Walsh was just a name from the Club's history and I did not get to know Geoff until about 10 years later when he returned to active involvement with the Club following the passing of his wife Joan in 1989.

Geoff took over as Secretary from 1989-1991 and was then Treasurer until 1994 when ill health forced his retirement from the Management Committee. Throughout his career with the Club, Geoff held most Major positions with the club other than that of President. He was awarded Life

Membership in 1959.

Geoff, the son of former State Treasurer Ted Walsh, hailed from Mackay and joined Souths in 1947 after serving with distinction in New Guinea during World War 2. As well as being a fine left arm bowler Geoff quickly involved himself in the administration of the club and was Chairman of Selectors for many seasons. Geoff had first hand experience with the vagaries of team selection having been dropped to Second Grade, to make was for a representative player, immediately after taking 9 for 35 in an A Grade match in 51/52.

Because of his background, Geoff was heavily involved in the Queensland Country Cricket Association. He was also a foundation member and office bearer of the Queensland Cricketers Club and it is fitting that I last saw and spoke with Geoff at the Cricketers Club on the evening of 19 April 1995 as he was waiting to go into a gourmet dinner. On that occasion the conversation was dominated by the research Geoff was doing with Sid Redgrave in preparation for the Club's centenary in 1997.

Geoff also made a contribution as coach of various Junior teams and the Club intends instituting a Geoff Walsh Memorial Trophy to be based on performances in the under 16 grade.

Beyond cricket Geoff was involved in a wide range of community activities including the Mt Gravatt Show Society and Skillshare Committee and as a Santa in the Queen St Mall.”

Don (Pictured left with John McKnoulty, right) turned 18 just at the end of the war and joined the Infantry. At the conclusion of the war he served in Rabul in Papua New Guinea, known then as New Britain where he was tasked with guarding Japanese Prisoners of war.

Don tells that he and Souths Wicket Keeper (and Australian player) Wally Grout shared the ship ride to PNG at the time. Wally was very busy trying to get games of cricket going in Rabul on what were pretty 'agricultural' pitches.

Don played in a number of the A Grade Premiership winning teams in the early 60's. Don's recollection was that the premiership was a forgone conclusion and the only thing in doubt was who would lose to Souths.

Don was also a long term player for Valleys Cricket

sport, particularly cricket, to the administration of a range of government regulatory authorities, and to the community, particularly through organisations associated with the Catholic Church. John and his wife June were awarded the Papal Gold Medal by Pope John Paul II for their efforts with the Catholic Church, mainly through the Mary Immaculate Church in Annerley. John was awarded the Australian Sports Medal in 2000. John passed away in 2019.

The club owes a debt of gratitude to John and his wife June and family, that we may never be able to repay. John has served the club in many capacities over the years, ably supported by his wife June and family. Without his help, it is likely that the club would not have survived in its current form and his support and dedication have truly been the life blood of the club.

John has been honoured by Qld Cricket as having the First Grade One Day Grade Cricket Trophy named in his honour. John Served as President of the Qld Cricket Association for 8 years and also a Trustee for the Brisbane Cricket Ground for a number of years in the 1980's..

South Brisbane has also instituted the John and June McKnoulty One Day Player of the year trophy for the club which was won in its first year by Drew Martel (2013-2014). John was a solicitor by occupation and wrote a book about his life "*My Journey from Maclean Bridge*".

### **An extract from "David Applegarth's Memories of Souths" - John McKnoulty (The judge)**

*I understand that John joined the Club in the mid 1950's as a player in "B" and "C" grades. Because of his keen interest in Club activities and his profession as a Solicitor with McCullough and Robertson John I believe was invited to join the executive by Jack Cooke around 1960. I recall John always giving freely and without cost considered advice and guidance to the executive of the time. Whenever needed John also willingly gave of his time at working bees for Fehlberg Park in the heady days of Norm Gray and Jack Cooke and with fund raising activities. John recently recalled, in discussion with me, that he remembers me visiting his office in Brisbane just prior to my transfer to Townsville in 1967 to seek his agreement to nominate him to take over the Q.C.A. Executive post which I had held as Souths Representative at the time.*

*The rest is history with John holding this post for the club until 1976. Obviously there have been many achievements by John McKnoulty since 1967 which have been beneficial to Souths and it being in the strong position it is today. Others who were closer to the situation than me during these more recent times will be in a better position to comment further. Having said this I am aware of the negotiations, handled by John in the early 1970's, to secure the services of Greg Chappell for Souths and the magnificent gesture of his around 1975 to go guarantor of a bank loan needed by the Club to construct the original Clubhouse at Fehlberg Park adjacent to the Norman Gray oval.*

*Deservedly the Club Executive then saw fit to name the Clubhouse in John's honour. John through his dedication to Souths and Queensland Cricket has gone on to become President of Queensland Cricket which post he held with distinction for many years.*

*My friendship with John, even though our business paths took different directions, has continued through the years. We have played and travelled together as part of Golden Oldies Cricket in the 1980's, most enjoyable times to say the least.*

*John McKnoulty deserves all the accolades Souths can heap on him for his efforts on the Clubs behalf. He rightly stands as one of "Souths" executive Icons.*

**Delegate to QCA 1979-1983**  
**Secretary QCA**  
**Secretary Qld Rugby Union**  
**First Grade Number 321**

Max was a punishing right handed opening batsman and fast scorer against all bowlers. Max joined the club in the 1944-45 season when he played in the 'Primary Schools' Grade team which were second in the competition.

He played in the lower grades from the 1946 – 1949 seasons and in the next season was promoted to the 'A' Grade team at the age of 16 yrs in which he played until he was forced to transfer (Electorate Cricket) to the North Brisbane District club in 1952. From 1953/1954 to 1957/58 seasons he

played for Valley' District Cricket, captaining that clubs 'A' grade side from 1954-1958.

Max returned to South Brisbane in the 1958-59 season and thereafter played all of his cricket for Souths in the Grade competition. He played briefly in Toowoomba after his retirement from Grade cricket. Max was vice captain of the A grade tea at the beginning of the 1960-61 season, but took over as Captain in January 1961 when Dave Applegarth (Life member) transferred out of Brisbane for work. In the 1961-62 season he led the team to the clubs first 'A' Grade Premiership for 22 years and made it is 'hat-trick' of premierships in the two following seasons.

Max was later the reserve grade captain.

In addition to playing, Max was involved with the club over a 25 year period. Max contributed a great deal to the administration of the Clubs affairs. He was Honorary Asst Secretary from 1959 – 1963 and on the Selection committee from 1960 – 1964 and again in the 1969-70 season. Max was Secretary from 1970-1972, President from 1979-1983 and Delegate to Qld Cricket during that time.

Max was Secretary to the Qld Cricket Association (forerunner to Qld Cricket) and also Qld Rugby Union.

Following Max's passing, his family have decided to honour him by donating the *Max Robins Trophy* for the best 2 Day opening batsman of the season.

Peter was born in Brisbane on 31 December 1935 and played first XI for Brisbane State High School in 51-52-53 and was also selected for GPS first XI. Peter played 2 seasons in the minor grades for Eastern Suburbs before transferring to Souths in 1955/56 in which he played reserve grade. In season 56/57 and 57/58 he played A grade with QCA colts before becoming a regular member of the club A Grade side

between 58-60. For 60-63 Peter moved to Victoria where he played with Fitzroy Cricket Club although he was included in the Victoria State Practice Squad, he was not selected.

Returning to Qld in 63/64, he rejoined Souths and played until he retired from first class cricket in 1969. In 69/70 season Peter became a QCA Umpire but returned to club cricket and captain the A Grade side in 70/71, and again in seasons 74/77 in A Grade, Reserve and C Grade .

Peters Statistics for A Grade were:

*1084.5 overs, 206 maidens, 3236 runs, 228 wickets at 14.19 ave.*

*34 Inns, 7 Not outs, 23 HS, 213 Runs at 7.88*

In 57 First Class games for Qld, Peter captured 206 wickets and made 689 runs. He played 1 test v England in 65/66 and toured the West Indies with the Australian Team. As well as 47 Shield matches, Peter played with Qld against South Africa, Pakistan, West Indies, New Zealand and MCC. His Stats for Qld were:

*1230 Overs, 153 Maidens, 4682 runs, 182 wickets at 25.72*

*75 Inns, 17 Not outs, 35 bs, 592 runs at 10.20 ave*

Peters tally of 182 Sheffield Shield wickets was a record until surpassed by Geoff Dymock in 77/78. Peter also held a record of 10 wickets in Victoria's first Inning in the match v Qld at the MCG in January 1966. His figures for that match were 15.6 overs, 3 maidens, 61 runs, 10 wickets at 6.10.

In addition, Peter made a valuable contribution as an administrator for the club. in 70/71 he was Assistant Secretary and a member of the selection committee. Peter was President between 75 and 78 and in 1979, rejoined the executive committee until he stood down for Commonwealth Games administration duties in 1982.

In 1975 Bunny returned to the club as a Vice President and was elected to the Executive Committee in 1976 and continued on the committee up to 1982 when he was made a life member. He served as a Delegate to Qld Cricket and later replaced John McKnoulty as the clubs Qld Cricket Assoc Executive Officer.

In 1978, Bunny was elected as Club President and also served as Chairman of the Fehlberg Park Grounds Committee and Booking officer for Fehlberg Park.

Bunny's involvement with the Qld Cricket Association encompasses his work on what is now the Premier Grade Cricket Grade Committee. He also served on the Public Relations Sub-Committee and Practice Wickets Sub-Committee. Bunny managed various Representatives Teams in the Sheffield Shield Competition and McDonalds Cup Series.

**1982 Frank HILLS\***

**Honorary Secretary – 1972-1979**  
**Delegate to Qld Cricket – 9 years**

In 1972, the then Secretary Max Robins gave notice of his intention to step down and in search for a replacement the Club President John McKnoulty invited Frank Hills to a liquid lunch at Ballymore to talk with Max Robins about becoming Honorary Secretary. By all accounts that luncheon last a number of hours and not surprising that by the end of it, Frank's resistance had gone and he had accepted the position.

Frank was duly elected at the AGM in 1972 and served with distinction until 1979 during which he established various secretarial procedures and systems which stood the test of time and smoothed the clubs administration at that time.

In addition to bringing his own brand of professionalism to the task of Honorary Secretary, Frank was, a great club supporter with the habit of being involved with all club

activities. The value of Frank's contribution as Secretary of the Club but also the Qld Cricket Association and the Office Bearers and members of the other Clubs. Frank was a delegate to the QCA for 9 years and was a font of useful information and history regarding the Club and the QCA.

The Annual Reports prepared and presented during Frank's term as Secretary were a testimony to his meticulous attention to detail and his Capacity to organise and prepare reports on time.

**1983 Graham L MIERS**

**Executive Committee**  
**Chairman of Selectors**  
**First Grade Number 382**

Graham was elected a Life Member of the Club in recognition of his contribution to the club over 25 years.

Graham played in the Club's 'A' Grade team beginning at the age of 16 years, and in 180 innings in First Grade, he scored 3117 runs at an average of 19.72 with a highest score of 142. A highlight of his career was the Club record for the 3rd wicket which he shared with R Parker for their stand of 278 against University during the 1971/1972 season. This record was only bettered in the 1986/87 season in Under 19's which now stands at 386\* by Messrs Healy and Evett vs Wynnum (See Annual Reports passim).

After a period in Melbourne on a job transfer, Graham returned to the club in the mid 1970's and captained the 2nd and 3rd grade teams for several seasons and was unlucky not to take out the 2nd grade Premiership. Bob

Young aptly described Graham as "a durable all round cricketer".

Since becoming a life member, Graham continued his involvement with the club as a guiding influence in the 4th (2) development side and as a most successful Chairman of Selectors. Graham was also a member of the Executive committee.

**1984 Ron J PORTER \***

**Executive Committee 1978 – x**  
**Delegate to Qld Cricket**

Players in the senior club may not be aware, but the oval on the opposite side of Venner Road is named 'Ron Porter' Oval. It is mainly used by Souths Juniors and is part of the greater Fehlberg Park.

Mr Porter joined the club in 1969 as Manager of our 'Schoolboy' Grade Team in the last year of that competition. Ron also joined the Club's Junior Committee and has been involved in that Committee since 1969 during which time he has managed various of the junior teams as well as managing Zone 3 and Brisbane South Teams since 1975.

Ron had been President of the Junior Committee since 1975 during which time he was also President of Zone 3.

In 1978 Ron joined the Senior Executive committee and from the outset was involved in the Club's fund raising committee's and bingo activities. In the 80's, Ron was synonymous with the Canteen and was perhaps best known to the club members in that role. Ron presided over the development of the canteen into a significant enterprise which remains today to be a fundamental importance to the financial well being of the club.

Ron also served as a QCA delegate on behalf of the club.

**1985 Athol FULWOOD****Official Recording Officer – 1980-2011****First grade Number 390**

Athol came to the club from the country via the Annual Country Week Carnival and went on to play 138 innings in First Grade scoring a total of 3078 runs at an average of 24.82 with 9 centuries and a highest score of 146. This placed Athol as the 14th highest of the Clubs First Grade scorers at the time of retiring from First grade. Athol went on to score many more runs in 2nd grade before retiring in 1980.

Until the 1982/83 season, Athol (127 in 403 minutes) shared with Des Bull, the clubs record partnership for the second wicket, a partnership of 287 scored against Western Suburbs in the First Grade Final in 1961/62. That record stood for 21 seasons and the partnership became the highest First Grade partnership since 1925.

As a cricketer, Athol was imperturbable, always cool and calm and collected, and completely dedicated to the Club and to his batting. Following his retirement in 1980 Athol joined the QCA Umpires Association and quickly rose to First Grade before going on to umpire at First Class level. Athol became the Club's official recording officer and continued in the role until his retirement in 2011.

Even up to his retirement, Athol continued to record the Statistics of every player in the club for the Annual Report with naught but a pencil and paper. Those following in his footsteps have the distinct advantage of electronic means and are amazed at the incredible amount of work it must have been to perform manually. Athol was awarded a small trophy to acknowledge his 50 years of service to the club. A much-valued contribution for which the club is very grateful.

**1986 Greg E WRIGHT****2<sup>nd</sup> Grade Captain****First Grade Number 421**

In his career with the club, which to that point had spanned some 23 seasons, Greg (Whiskers) had represented the club in all Grades from Under 15's up to First Grade and along the way had scored 4536 runs and taken 551 wickets and held 68 catches.

In First Grade matches for the club, Greg took 166 wickets at 20.42 and in his day was rated as one of the quickest bowlers in the First Grade competition and renowned for his fire and bounce.

An indication of Greg's commitment to the club is the fact that following his illustrious First Grade career, he continued to represent the club in lower grades thereby providing the much needed experience and mentoring in the lower grades.

During the 82/83 season, his batting talents were displayed when he scored 2 centuries for the club in consecutive matches and took out the QCA batting average for 2nd grade. Greg scored a 3rd century in 83/84 and As Captain of 2nd grade in 84/85 Greg took the club to a semi-final only to be washed out.

Greg shared with Rod Ludwig the Club record for an 8th wicket partnership with a stand of 142 against Valleys in 2nd grade in 78/79 which was surpassed in 89/90 by Messrs Stafford and O'Keffe with a stand of 182\*.

### **1987 JA NOBLE \***

**Asst Secretary 1964-1967**

**Chairman of Selectors 1976-1978**

**2nd Grade Captain**

**First Grade Number 397**

John joined the club during the 1959/60 season and with the exception of 71/72 and 73/74, he played continuously for over 20 years prior to his retirement in 1980.

In the heyday, John was a stylish opening batsman who liked to get on with the game and in his 103 innings in First Grade, he scored 1866 runs at an average of 22.21 and a highest score of 95. Throughout the grades, John scored a total of 5055 runs with his highest scoring being his only century of 110 not out in 2nd grade. John also took 113 catches in all grades and as an occasional wicket keeper effected 11 stumping.

John played in four Premiership winning teams during the 1960's and was captain of 2nd grade from 75-79. in 77-78, under Johns Captaincy, 2nd grade took out the Premiership. At a representative level, John played for Qld Colts against New South Wales.

John was also involved in the administration of the club holding the position of Assistant Honorary Secretary from 1964-1967 as well as being a member of the Social committee in the Mid 60's and Chairman of the Social Committee from 1976-1978. During his period as Captain of 2nd grade, he also served on the clubs selection committee.

**1988 Arthur W GREVELL \***

**Executive Committee  
Club Player of the Year 1971/72  
Delegate to Queensland Cricket**

Arthur Grevell played for the Club as a wicketkeeper/batsman for ten years from 1968/69 season. Arthur played predominantly in 'C' Grade, where he was Captain for 3 years, but he also spent 4 years as the manager/senior player for the South Brisbane Team in Intermediate Grade.

Throughout his career Arthur scored a total of 2085 runs for the club, took 103 catches, effected 18 stumpings and won the Club's Best and Fairest Trophy in the 1971/72 Season. Arthurs sporting prowess also extended to the golf course where he excelled.

In addition to his contribution as a player, Arthur was a member of the Executive Committee occupying the position of Delegate to QCA and Assistant Treasurer and Assistant Secretary. Arthur was also heavily involved in the Social Committee and with the Junior Committee. His biggest contribution to the club was the Monday night Bingo at the Chard's Corner Hotel which he ran for 4 years in the late 70's until being put out of business by the beer strike in 1979. Largely because of Arthur's work, \$50,000 was raised (a considerable amount in the 70's) which enabled the clubhouse to be built.

Although known as a quiet achiever, Arthur was never afraid to voice his opinions and consequently was always a valuable member of the committee and sub-committee's.

### **1989 Basil M WRIGHT**

**Honorary Secretary 1979-1989, 1991-1995**

**Delegate to Qld Cricket 10 years**

Basil joined the club in August 1979, in response to a newspaper advertisement placed by the retiring secretary Mr Frank Hills, and was duly elected to the position of Honorary Secretary at the Annual General Meeting in August 1979. Basil filled that position for a decade before standing down in 1989. Basil was again elected as Secretary and served for another period from 1991 until 1995. Basil was the delegate member of the QCA for 10 years, and represented the club on the Brisbane Grade committee from 1984 until 1989.

Basil's 'playing career' with the Club was brief, being essentially confined to a few guest appearances with the club's 2nd division side in 81/82 although he was a member of the club team that toured Papua New Guinea in 1981. In his few games for the club, basil was able to score 1 run, take 1 wicket and accept 1 catch; all in all, a singular career.

In the 82/83 season Basil was introduced to the joys of Manager/scorer for the club's second team in the fifth grade competition which in turn led to his involvement with the First Grade team from 84/85 where he apprenticed to the legendary Bill Cross. Basil continued to Score for the First Grade team from the 1985/86 season until at least 1989 and on occasions has scored for First Class Cricket at the Gabba.

From 1980 to 1989, Basil was responsible for editing the Annual Report which resembled a mini-Wisden. Basil can occasionally be seen around the traps scoring in the Grade Cricket environs for his son who is a regular player in Grade Cricket.

Basil's wife, Nelma, daughter of Souths Wicket Keeper, Wally Grout, was awarded life membership of Queensland Cricket, and the Qld Cricket Scorers Association for her involvement with cricket over many years as an umpire and administrator.

### **1990 Ross PUMPA \***

Executive Committee  
Junior Committee

Ross was born in Barcaldine in Western Queensland but his primary education was at Greenslopes State School, and it is here that his cricket came to the fore. To use his own words 'We never lost a match'.

Ross then went onto 'Churchie' Anglican Grammar School and it was in 1945 he joined the South Brisbane District Cricket Club as a player with his strength being as a left handed medium pace bowler. He played until 1950 when ill health forced him out of the game.

In the early 1970's Ross re-appeared as a member of the Junior Committee in it's formative years. After 5 years service, he switch to the senior committee for another 5 years and it was during this period he distinguished himself as one of the stalwarts who toiled long hours in rather primitive canteen surrounds. Ross was also deeply involved in many hours of fundraising at the Chardon's Corner hotel for the club.

**1991 Trevor L PARKER \***

**Executive Committee**  
**Chairman of Selectors**  
**Junior Committee**  
**First Grade Number 435**

As a player, Trevor was part of the 'Parker Dynasty' as his cricket achievements at Club level are summarised to the end of 91/92 season) below:

1st Grade – 28 Inns, 1 n.o. 36 h.s., 319 runs at 11.81, 3 catches  
 2nd Grade – 134 Inns, 5 n.o., 117 h.s., 3185 runs at 24.68, 51 catches, 184 Overs, 38 maidens, 586 runs / 20 wickets at 29.30.  
 3rd Grade – 67 inns, 5 no, 106 h.s. 1724 runs at 27.80, 29 catches, 84.5 Overs, 14 maidens, 275 runs/7 wickets at 39.28  
 4th Grade 27 Inns, 2 no, 77 h.s. 454 runs at 18.16, 8 catches, 39 Overs, 10 maidens, 120 runs / 3 wickets at 40.00

Trevor was also a part of the Management committee for many years and together with wife Diane and family, have been instrumental in the many functions on the Club's social calendar. Trevor has at times also acted as Chairman of Selectors and was a member of the Junior Committee.

**1992 Stewart MARLOW**

**Chairman of Selectors 1986-1992**  
**First Grade Number 426**

Stewart joined the club in 1964/65 season playing in the Under 15 Year grade and was an instant success winning the club bowling average that season with 32 wickets at 6.06 ave.

From there Stewart worked his way up the grades and played four seasons in First Grade.

In 1979, Stewart was transferred to Melbourne but he returned to the club in the 83/84 season and resumed his playing career with South Brisbane mainly in 3rd and 4th Grade, although he did make a guest appearances in First Grade in 1986/87 season when representative commitments and injury depleted our spin bowling ranks.

In the 92/93 season Stewart had a late start to the season because of overseas commitments and had an early through injury but nonetheless managed to take out the Club Bowling Average with 25 wickets at 15.76 in 3rd Grade. Throughout his playing career in all grades, in 1992, Stewart has taken a total of 632 wickets including 108 wickets at 19.24 in First Grade.

During his time with the club, Stewart has served on various committee's and made a significant contribution as Chairman of Selectors from 1986-1992 and has continued to serve on the Selection panel for a number of years up to the present time.

Stewarts Father – Len Marlow, was also heavily involved in the club and the Len Marlow Memorial Trophy for the Club Player of the Year is named in his honour.

**1993 Paul W TWIBLE**

**Executive Committee**  
**Represented Queensland**  
**First Grade Number 493**

Paul played for Souths in First Grade before playing First Class Cricket for Queensland.

A left arm pace bowler and right hand bat, Paul is now a member of the Bulls Master which raises funds for charity through cricket around the state.

Paul served on the Executive Committee, the Fehlberg Ground Committee and the Selection committee at the club

**1995 John B O'KEEFE**

**Executive Committee**  
**Third Grade Captain.**

John served the club for over a decade on the Executive Committee, Chairman of Selectors, Practice Co-Ordinator, Chardon's Corner Hotel Co-Ordinator, Third Grade Captain, Ground Committee, Gear Committee and Canteen Committee to name a few before he was forced to move to the North Coast for business reasons.

He was described at the time as a club man extraordinaire.

**1997 Ian M SEIB**

**President 1993-1998**  
**Executive Committee – 11 years**  
**Delegate to Qld Cricket – 4 years**  
**Queensland Cricket Executive Committee – 4 years**  
**First Grade Coach – 3 seasons**  
**Represented Queensland – 1969-1974**  
**First Grade Number 412**

Ian's playing career with South Brisbane spanned from 1963-64 to 1980. Over this period, Ian scored 4633 first grade runs with a highest score of 121 not out. Ian played for Queensland 33 times between 1969 and 1974 and was captain of the First Grade side for 3 seasons.

(Brisbane Author William McInnes speaking on ABC radio about his book related a story about his father and he watching 'Slamming' Sam Trimble and Ian Seib batting at the Gabba when he was young)

Ian's association with the club did not end when he hung up the bat. Ian was a member of the Management Committee for over 11 years, including President from 1993-1998, Delegate to Qld Cricket for 4 years, a member of the Qld Cricket executive for 4 years and first grade coach for 3 seasons. Ian continues to be seen regularly around the club and functions.

**1998 Phil J ENGLISH****Treasurer – 1994-2011****Delegate to Queensland Cricket, Sub-Districts, Warehouse**

There are few people who could claim to have done as much for Souths as Phil. The honour board is insufficient in stating that Phil served as Treasurer from 1994-2011. He did so much more, including being the day to day manager of the club for many years.

During his incredible tenure as Treasurer, Phil was always able to find a way to get the club through good and hard times financially. Many of the years were difficult for the club financially and it was only due to the perseverance that the club continues today in such a good position.

Among Phil's many roles, he served as the delegate to Queensland Cricket, Queensland Sub-Districts and Warehouse Cricket.

Phil prepared the Annual Report for a number of years, organised the trophy presentation nights and many other social functions. He was a driving force for the Police Competition and the raffles, both of which are good fundraisers for the club.

Quite simply, for many years, Phil was the face of South Brisbane to all comers to the club. A hefty role over many years.

Even after he officially retired from his role as treasurer in 2010, he stayed for another year as acting Treasurer when no other person could be found for the role.

Phil's son's both played for Souths, his son Jason scoring 2219 runs at 29.98 in First Grade with a highest score of 225\*.

**2000 Vincent HAMMELMANN \***

**b.**

**d. March 2019**

**Vice President**

**Executive Committee**

Vince served on the Executive Committee, the Selection Committee and as a Vice President. Vince was responsible for finding a replacement venue for the Fund Raising Raffles at the Acacia Ridge Hotel when access to the Chardon's Corner Hotel was lost.

Regular reports of many thousands of dollars are reported flowing into the club which help fund capital works at the club

### **2002 Glenn A ORLEY**

**Vice President**  
**Honorary Secretary 2000-2002**  
**Executive Committee**  
**Delegate to Queensland Cricket**  
**Chairman of Selectors 2001-2002**

Glenn came to the club in 1996 as coach of the Under 16 Lord Taverners team. He was previously associated with the Macgregor-Souths Junior Club holding a number of executive positions with that club.

Glenn, identifying problems with the Junior to Senior transition, he set up a number of programs to give juniors the necessary experience and coaching to progress. The successful introduction of a second forth grade development team to the senior club consisting of mainly young cricketers can be attributed to Glenn's work in this area.

As well as work with the juniors, Glenn became involved in the Management Committee, holding the position of Vice President, Secretary and delegate to Qld Cricket.

Glenn undertook the role of Chairman of Selectors for the 2001/2002 season.

### **2003 Michael J CHESSELLS**

**President 1998-2006**  
**Captain 4<sup>th</sup> Grade**

Mick came to the club in 1988 as a player. An outstanding statistic for Mick's playing career is that he did not miss one game for Souths. Mick played most of his cricket in third grade, winning many bowling awards. He also captained 4th grade undertaking the demanding role of captain of the development team. In 15 years, Mick took 424 wickets at 16.02 in 2nd, 3rd and 4th grade. He scored 1168 runs at 16.69.

Mick was always determined to be part of the Management team of Souths and became President in 1988. Mick is responsible for many developments at the club, including the renovation of the old club house (pre-2011 flood). Mick was always driven to achieve for the club and spent an uncountable amount of hours in service of the club. His many visions were realised by the magnificent facilities we have today. He continues to be seen around the club watching his boys play cricket and has a strong interest in the Yeronga AFL club also.

**2004 Samuel Christy TRIMBLE, MBE\***

b.16 August 1934

d. 28 July 2019

**Member of the Most Excellent Order of the British Empire**

**Australian Sports Medal 2000**

**1<sup>st</sup> Grade Captain / Coach**

**Queensland Representative player**

**Qld Cricket Selector**

**Life Member Queensland Cricket**

**First Grade Number 466**

Sam played 123 Sheffield Shield matches for Queensland and hit 8647 runs. He equalled Peter Burge's record of 22 centuries with an average of 39.85 as an opening batsman. He toured with Australia to the West Indies in 1970, after captaining an Australian XI to New Zealand but never played a test match. In 17 summers of first class cricket for Queensland from 1959 to 1976, 'Slammin' Sam, the boy from Lismore was a crowd favourite as he cut and drove fast

bowlers with confidence and assurance.

He showed the same authority in his role as State Captain.

In 1975, Sam was awarded the MBE (Member of the Most Excellent Order of the British Empire) (Civil) for his services to cricket and in 2000, the Australian Sports Medal. He was state selector for many years and is also a Life Member of Queensland Cricket.

Sam commences playing for Souths in 1976/77 after his retirement from Queensland Sheffield Shield. He was Captain Coach of First grade in his first year at the club, winning the First Grade Premiership. He retired from Cricket in 1990 having played 61 matches, scoring 2094 runs at an average of 41.05, with a highest score 208 not out.

In 1991 Sam commenced as groundsman, a position he held for a number of years. Sam continued as an assistant groundsman for many years offering assistance and mentoring to the main groundsman. Sam continued as the grounds mower and was often found on the mower around the grounds until he retired in 2018.

### **2006 John O'SULLIVAN**

John came to the club in 1992 after moving from New Zealand to help in the family business. John had been scoring in NZ for over 30 years and wished to continue his love of scoring in Brisbane. He took over from Former Souths Secretary and life member Basil Wright (1989) as scorer for first grade. It was not long before the ABC snapped him up and appointed him as the official scorer for the network for First class matches in Brisbane. John has continued on with the role, and first grade scorer, only retiring in recent years (2012-13) from scoring duties.

Over a number of years John organised the trivia and pre-test nights and any raffle going at the club. John took over as co-ordinator for the Storey Bridge raffles in 2006 and only retired in late 2013. John has raised many thousands of dollars for the club and continued up until late 2014 organising and running the raffles for the club at the Sunnybank Hotel.

### **2007 Thomas 'Tommy' J LYNE**

**Vice-President**  
**Executive Committee**  
**Delegate to Queensland Cricket**  
**Captain Over 40's**

Tom came to the club in 1996 together with his son and long time 3rd grade captain and Club Captain Timothy Lyne. Tom thought he would sit back and watch but his nature was not a watcher but an active participant. The ensuing ten years saw Tom a regular player in lower grade teams, including captain, co-ordinate Over 40's teams, a member of the management Committee and Vic President of the club. Tom, wife Maria, and family have been stalwarts of the club over the period and are valued members. Tom's skills have seen him oversee the clubhouse renovations in the late 90's and again a valuable co-ordinator after the floods in 2010-2011, where he and former coach Lance Roudenko spent many days co-ordinating the clean-up at the clubhouse.

Tom was appointed by the membership as a Delegate to Queensland Cricket in 2008 and served for 10 years. Tom continues to play in lower grade teams when required and continues to manage and play in the Over 40's team.

Tom pictured in 2011 flood shortly before the clean-up commenced at the club

### **2009 Jason C LUNT**

**President 2011-2015, 2018 - 2020**

**First Grade Number 524**

Jason commenced playing with the junior club in 1980. He played his first game with the seniors in the under 17 grade in 1985 at the age of fourteen and still plays today. Not only has he been a player, Jason together with his wife Liz, has also been part of the Management Committee for many years. He is the type of person who will always remain faithful to his club through "thick and thin" and certainly over twenty four years Jason has seen the club go through many high and low points.

Jason has continued to serve the club as President for the previous few years undertaking many reforms with the help of the management committee, including the coaching structure, and building the finances of the club to a sustainable level and fundraising.

Jason served as President from 2011 to 2015 and was re-elected as president in 2018. Jason was instrumental in attracting International Keppler Wessells to the club as Club coach in 2019.

### **2010 Jason 'Jack' J HURST**

**Vice President**

**Executive Committee**

**First Grade Number 563**

Jason commenced playing with the senior club in 1991 in the Lords Taverners Under 16 Grade. He excelled in this grade in his only year especially in the batting scoring 562 runs at an average of 80.27. From then it was just a matter of progressing through the grades to eventually secure a permanent position in first grade which is the goal of every cricketer in the club. Jason captained the first grade team in the 2007/08 season. He has scored 1650 runs in first grade at an average of 22.1 and will remain a permanent fixture in club records having scored over 1,000 runs in first grade.

Jason has held many positions on the Management Committee including Vice President. He is a tireless volunteer and one of his many jobs is to arrange for Santa to visit every Christmas. Jason was re-elected to the Executive Committee in 2018.

## **2012 Salvatore ‘Sal’ P VASTA**

**President 2006 - 2011**

**Secretary 2002-2006**

**Executive Committee 2000-2002**

**Delegate to Queensland Cricket**

**Member, Grade Committee, Qld Cricket**

**Board member Queensland Cricket 2010**

**Deputy Chairman, Queensland Cricket 2011-2016**

**Chairman of the Board, Queensland Cricket, 2017-2019**

Sal Joined South Brisbane District Cricket Club in 1998. Sal had an illustrious lower grade career scoring many runs and taking a few wickets in 5th grade and 6th grade for Souths. Sal was a member of the Souths 6th Grade Premiership Team in Season 2007-2008. Sal has also organised and played a number of Seasons in the Warehouse Winter Competition for Souths

giving many younger players the opportunity to play in Winter. Sal played in over 40's and is a driving force behind the Sunday Legends T20 competition.

Sal was first elected to the Management Committee in 2000. Sal was later elected as the Secretary serving in that position from 2002 until 2006 when he was elected as President of Souths serving until 2011. Sal was appointed as a delegate for South Brisbane to Queensland Cricket in 2002 until he was elected to the Board of Qld Cricket in 2011.

During that time he served on the Grade Committee from 2008 as a voice for the club. He also served on the Racial Vilification Committee since 2004 and the Conducts Committee since 2005. Sal was elected to board of Queensland Cricket in 2010 and subsequently elected as the Deputy Chairman of Queensland Cricket in 2011, and Chairman from 2017 until 2019.

During that time, Sal oversaw a re-structure of the Committee and the Constitution of the Club. Sal oversaw many changes in his time as President including a new Canteen structure, recruitment of Brian May to Souths as 1st Grade Captain, the new coaching structure, Presidents Day including the Life Member Roll Call, recruiting as Patron of the Club in 2008 of Premier Anna Bligh, fostering closer ties with Souths Juniors, the agreement with Yeronga AFL including the acquisition on Lights for Jack Cooke oval in exchange for use of the oval, the recycled water project which resulted in drought proofing Norm Gray oval after a decade of drought and difficult conditions for the club and many others.

The floods of January 2011 left the clubhouse devastated and Sal drove the committee and the club towards the re-build process from day one of the disaster. His tireless efforts in seeking assistance from government resulted in Souths being the first club to receive significant State and Local Government grant funds as an example to other clubs within the State. Sal's vision to take the opportunity to improve the physical structure of the clubhouse are evidenced in the new 'John McNoulty Clubhouse' and the success of the building is no small part attributed to his direction as President.

Sal's family have been involved in club activities also, including his wife, Deb Vasta who was presented with Volunteer of the Year in 2009-2010. Sal's son Xavier also played cricket for Souths as has his brother Damien. Sal's family are regularly seen at the club and his family as a whole are supporters of South Brisbane Cricket Club.

Sal was been a Senior Crown Prosecutor in Queensland for many years and was appointed as a judge on the Federal Circuit Court in 2015.

### **2013 Heath VOGLER**

**Chairman of Selectors 1998-2001**

**Executive Committee 1994-2001**

**First Grade Number 549**

Heath Vogler commenced playing for South's Cricket Club in 1987 and made an immediate impact, winning both the 5th grade batting award and the Alderman Rose Trophy for Wicketkeeping. He subsequently won the Wicketkeeping trophy on another 2 more occasions and continued to excel on the field rising to first grade in 1995.

Heath was instrumental in securing 2 premierships whilst playing for Souths and won the club wicket keeping perpetual trophy on 3 occasions.

He was a leader of the Club during this period and helped create a winning culture both within the Club and its players.

While at South's Heath filled many roles and set processes in place that still utilised today. Heath was our Head Groundsman for many years and first joined the Management Committee in 1994. He continued in this role until 2001. Heath was also on the Grounds Sub-Committee for a number of years as Groundsman and began on the Selections Committee in 1997.

Heath was appointed as Chairman of Selectors in 1998 and continued in this role until 2001. Heath was one of the instigators in getting The Story Bridge Raffles off the ground and it remains one of our main sources of income today.

Clayton is a Level 2 Coach and coached the Ladies team for 3 seasons.

Claytons continued to compile Statistics and drafting the Annual Report for over a decade Administered the clubs membership registration and game statistics on the MyCricket website.

Clayton developed an interest in the History of the Club and spent a number of years researching and developing this comprehensive history of the South Brisbane District Cricket Club, including identifying members of our club who served in the World Wars.

### **2017 Baba M SOURJAH**

**Executive Committee  
Selection Committee  
Club Coach  
Director of Coaching  
National Cricket Coach - Bhutan**

Baba Sourjah, or Mr Baba to most of us, is one of those people whose mere presence can change the culture of a club. Many Souths players, supporters and parents over many years have been influenced by Mr Baba at some point or another.

The introduction to the club where you learn to dress appropriately, to the work ethic you are encouraged to devote yourself to, all breeds a class of player, and a character of person any club would like to have play for them.

Mr Baba came to South Brisbane District Cricket Club in 1997 as a hired coach and has stayed long after his paid position ended almost a decade ago. Mr Baba has served at times on the Management committee, Selection panels, Canteen committee, cleaning, managing teams, not to mention endless hours of volunteer coaching he has performed with players.

The highlight of Baba's time coaching was training the First Grade team to a Premiership in 2001. Recently, Baba coached and managed the Second Grade team.

Baba's Sri Lankan origins has led him to introduce many youngsters, and older players alike, to his country of origin via Moreton Cricket Tours, providing a cricket and cultural experience in Sri Lanka for many hundreds of people over a decade. Baba's other achievements include coaching Bhutan as its National Cricket Coach and founding a Sri Lankan radio show from its early days on Brisbane radio.

It is not often a person's character provides such an influence on the characters of people. Someone who is not afraid to give an honest opinion, not afraid to call out a player for being less than committed, not afraid to ask someone to meet the values of the club in the way they carry themselves.

It takes a strong will and purpose to achieve so much. This is our Mr Baba and we congratulate him on being awarded Life Membership.

## **2018 Sandie HENWOOD**

### **Honorary Secretary 2010-2011 Executive Committee Ladies Team Manager**

Sandie has been active at the club for over a decade.

Under guidance of former President Sal Vasta, Sandie organised and managed a Souths Ladies team remotely at Ipswich under the Souths Magpies banner, before bringing the team to the club in 2006.

Sandie continued to manage the team, recruiting new members, cajoling parents into action as scorers and assistants all the while encouraging ladies participation.

The culmination of years of effort by Sandie and others led to a Ladies Second Grade Premiership by Souths in 2011/12, a moment of pride for the club and Sandie.

Sandie took on the role of Honorary Secretary in 2010, whilst also organising and running the canteen for the club. This involved purchasing, ordering, invoicing, paying bills, cooking and cleaning for a multitude of players and extra social functions held at Souths. Much of the success of hire functions relied on the efforts of Sandie to arrange and carry out, including National Ladies teams, Blind Cricket and other venue hires which generated much needed revenue for the club.

Any person who takes on the Honorary Secretary role must be by nature organised, efficient and constantly focussed on the minutia of running a major grade volunteer club. The constant level of information and requests kept Sandie busy throughout her tenure. Since finishing as Secretary, Sandie continued in her role as canteen convener for some years.

Since the disbanding of the ladies team in 2013, Sandie has been tireless in her efforts to re-invigorate the team and never let the concept die at the club. She has tirelessly worked towards a goal of re-forming the team under the Souths banner, recruiting new members, convincing the club to support and continuing a strong role in women's cricket at Queensland Cricket forums.

Her efforts were rewarded when the Ladies team was re-formed and is finding new success on the field. Sandie continues to manage, recruit and energise the team. Sandie has also taken on the role of scorer in the last few years, assisting 2<sup>nd</sup> Grade, and at times 1<sup>st</sup> Grade as scorer in a professional manner, giving up more of her time on weekends to help the Club in this role.

The many other invisible tasks around the club are too many to mention but Sandie has been a fixture for many years.

**STATE CRICKETER'S  
SUDDEN PASSING**

**TOOWOOMBA.** March 18: Well known State cricketer and Darling Downs sportsman, Tom Allen, died suddenly at his home at Cambooya early this morning. He woke at 5 a.m. complaining of a severe pain in the chest and then collapsed.

His death at the early age of 41 has come as a shock, not only to members of his family, but to all with whom he had long been associated in the sporting world.

The president of the Toowoomba Cricket Association (Mr. C. Lindley) said to-day, "Tom Allen was a thorough gentleman on and off the field, and his sudden death will be a terrible blow to Toowoomba and Queensland cricket."

Mr. Duncan Thompson, who was closely associated with Tom Allen for 25 years, said he was as highly respected by the opposition as by his own team mates.

"Cricket," said Mr. Thompson, "has suffered a great loss to-day." Tom Allen, who was a State selector, represented Queensland in interstate cricket from 1932 to 1940, playing in 40 matches for his State.

He captained the State side for a time in 1936, and he was vice-captain in 1934. He made five centuries in major cricket, scoring 119 against the visiting Englishmen in the 1936-37 season.

He was born at Toowoomba in 1912. He received his education at State schools and at the Toowoomba Grammar. His occupation was farming at Cambooya. He leaves a wife and three children. His father, Tom Allen senior, also survives him.

Harry also played AFL for the Yeronga AFL football Club and represented Qld in Australian Rules Football. Although a wicket keeper (84 Wicket Keeping catches in First Grade) he was picked as a specialist batsman for Qld.

## Shield player in Rules team

Former Sheffield Shield player, Harry Pegg, will return to Australian Rules in the Yeronga team to meet Morningside at Hawthorne Park to-morrow.

Pegg's South Brisbane cricket mates, Cyril Smith and Al and Ley Sanders, will play with him for Yeronga.

Reg. Kay, former Rugby League Test forward, will play with Morningside again.

Kedron and Windsor, last season's premiers and runners-up, will meet in the late game at Perry Park. Kedron have acquired Doug. Vance, former Collie (West. Aust.) rover.

## From south

Sandgate, who play Mayne in the early Perry Park game, will feature Jack Hopkins, State's leading centre whom they captured from Windsor.

Mayne will have Dick Goss, a Victorian, who has been outstanding in training.

New players from the south in the Toowong game between Coorparoo and Wests will be Doug. Warren (Tasmania) and Jack Boyd (Victoria) for Coorparoo, and Jim Bell (Victorian amateurs) for Wests. State player Gordon Wickham, who was with Mayne last year, also will appear for Coorparoo.

Represented Qld

First Grade Number 317

Represented Queensland in both Cricket and Australian Rules Football. Mainly a ruckman, he played his first representative AFL match in 1946 and was club captain of QANFL club Yeronga.

He won the Courier Mail Best and Fairest Cup in 1954.

A wicket keeper in the time of Grout and Tallon, he was picked and played mainly as a batsman.

**Best and fairest**

# Code award to Sanders

**L. Sanders**

Leyland Sanders has been selected as the best and fairest Australian Rules player of 1954.

Sanders, Coorparoo-Yeronga captain, has represented Queensland in Rules since 1946 and in Sheffield Shield cricket since 1950.

He was one of Queensland's best players against the Australian Amateurs in wet conditions in Melbourne this year, and was best on the Southern tour last year.

## Inspires team

Sanders plays good football in any position under all conditions, but shines as a backman.

His indomitable spirit and subtle intensity of leadership is an inspiration to his team.

Although he bumps vigorously when necessary, he has never been guilty of rough play.

He is scrupulously fair. His strongest critics say he is a sportsman—a true sportsman.

Sanders, a West End electrical contractor, is 5 feet 9 inches, 13 stone, and 26 years.

Possibly his best game this year was against NSW in Brisbane, when he replaced a Queensland backman who was injured.

Known as a right arm fast bowler and was seen as a future test prospect after a second XI tour of NZ in 1959. His first class career ended after he was no-balled for throwing in November 1967. His father Alexander also played 3 matches of Queensland. His action was said to have been modelled on Australian bowler Ray Lindwall's, as a classic side on action. His debut brought an impressive 8/128. He suffered persistent shoulder issues and had a pin inserted in 1952, but they continued throughout his career.

During a return match against NSW, Bob Simpson had reached 243 not out with NSW on 3/399. Umpire Ted Wykes no-balled Fisher from Square leg during his third over, stunning Fisher. He later stated that 'I've bowled 1100 overs in Shield Cricket without ever being called by an umpire'. He retired after the game and unfortunately suffered from mental health issues which lead to his eventual passing in 1980.

#### DID YOU KNOW?

The term Hat Trick derived after H Stephenson took 3 wickets in 3 balls in a game in England in 1858. The spectators purchased him a white hat to congratulate him on his feat. It became known as a 'hat-trick'. It has since been adopted as a term in many other sports.

## The Redgraves

Affectionately known as ‘Old Sid’ and ‘Young Sid’, the Redgraves were the first father and son to Captain First Grade Teams for South Brisbane District Cricket Club.

‘Old Sid’ (S.J. Redgrave) was born in Sydney in 1878 and passed away in Brisbane in 1958. He represented New South Wales in the early 1900’s and was a proud member of the State side. The team medal he received when New South Wales won the Sheffield Shield in 1905-06 was treasured by ‘Young Sid’.

‘Old Sid’ transferred to Brisbane with his family in 1907-08 as a QCA Coach and was involved with coaching for over 40 years. He played for South Brisbane during most of his career.

He played many times for Queensland and served as Captain frequently. Apart from Interstate matches he played against the MCC and South Africa. ‘Old Sid’ played in a test trial – Australia vs The Rest – and was the most credible player in the match. He was considered most unlucky to miss Test selection during his interstate career which extended to 1921.

‘Old Sid’ coached many prominent Shield players for South Brisbane. A top order batsman and medium pace bowler, his statistics (on his [life member page](#)) prove he was a great all rounder and he was well known as a man of great humour with an unlimited fund of cricketing stories.

Young Sid, Thomas Sydney, was born in Sydney on 2nd of July 1906. At the time this report was written in 1993, he was in good health but his eyesight had failed and passed away some years ago.

His association with Souths commenced in 1914-15 when at 9 years of age he scored for C Grade. He continued as scorer in all grades until 1921-22.

The following year a long playing career commenced in C Grade. He was promoted to A Grade in 1925-26 and remained there until 1938-1939.

Young Sid was a captain for the last 3 years and led the club to a premiership in 1936-37. Young Sid then played 8 seasons A1 Warehouse but returned to the club as captain of the B Grade side from 48-49 until 57-58. He then moved to Balmoral/Wynnum to coach and was later a QCA Executive member for a time after having played to the end of 64/65.

Young Sid was appointed a life member of the club in 1936 and a life member of the QCA in 1967.

This remarkable man headed a team of volunteers who conducted Saturday morning junior coaching at the Gabba from 1954 until 1992! He continued to display a keen interest in the game even after his eyesight failed.

It is not readily known that the ‘Sid’s’ were cousins of former British screen and stage actor, the late Sir Michael Redgrave.

Old Sid made his debut as 12th man for the New South Wales in the first completed match played after the Commonwealth of Australia was proclaimed. It was commenced at the Sydney Cricket Ground against South Australia on 2nd of January 1901.

Young Sid has a brother Reginald Victor Redgrave, ten years his junior and residing in New South Wales. He played in the lower grades of South Brisbane as a competent left hand batsman and medium pace bowler, a complete left hander.

He was on the verge of First Grade selection when he forsook Grade cricket for other activities of life. His given christian names were taken from test players Victor Trumper and Reginald Duff, colleagues of Old Sid.

See life member entries for John Sydney (Old Sid) Redgrave on Page 77 and Young Sid on Page 85.

### OFFICIALS

No club can operate successfully without a competent band of officials. Players frequently forget the administrators who keep the club running by doing the often tedious work behind the scenes. Souths have been fortunate over the last one hundred years in having a dedicated group running the club. Research reveals a thread of officials overlapping each other working for the club year after year.

## Scorers

Since the clubs inception in 1897, South Brisbane has always had people who have mastered the art of scoring.

Our first known scorer was life member John ‘ Jack Hoelscher, who started at the club as a scorer in 1904, through to our current scorers. Listed here are some names in the first year they appeared as scorers. Not all years listed official scorers however, the club appreciates all of their efforts.

These volunteers give up their time and concentration to score matches all day.

The tradition in lower grades continues with players scoring during the match (See below right)

Below are some of the names identified over the years of the club.

## SOUTH BRISBANE DISTRICT CRICKET CLUB “TEAM OF THE CENTURY” 1897-1997

To celebrate the club centenary, the author has chosen the following twelve players to comprise the team of the century. It is obviously impossible to compare players from different eras due to varying conditions and changing rules, however I feel that these players would more than hold their own against any other club combination.

Some players were not considered either because they played few matches for Souths or because their representative careers were played with other clubs. Players not considered due to the above criteria include- WA Brown, D Tallon, AW Grout, KA Archer, SC Trimble,, and CJ McDermott.

The team is lodged in chronological order.

### Alan MARSHAL

Played for Souths at the age of 14 in 1897 and finished his career in 1912. A right handed batsman and medium paced bowler, he played one season in Sydney in 1902/03. He played 11 times for Queensland. His career figures for Souths were 3289 runs at 32.56 and 146 wickets at 11.93. His best performance was 221 v Nundah 1904/05. Marshal went to England in 1905 and played for Dr Grace's Club London Counties, where he scored 6330 runs and took 285 wickets in two seasons. Playing for Surrey from 1907 to 1910 he was one of Wisden's five cricketers of the year in 1909. He returned to play for Souths in 1910/11 and in that season scored 106 for an Australian eleven against South Africa, and 775 for Souths. He was evacuated from Gallipoli with Enteric Fever and died in Hospital on Malta during the First World War. (See full profile in World War 1 profiles)

William B HAYES

Played from 1902 to 1915. A left handed opening batsman and left hand slow bowler, Hayes played 16 times for Queensland. His career figures for Souths were 4067 runs at 22.34 and 591 wickets at 13.56. Most runs in a season, 693, were scored in the 1908-09 season and most wickets 84 in 1905-06. His opening partnership with TB Faunce of 291 unbeaten against Valley in 1905/06 is till a club record. (See full profile in World War 1 Profiles)

### **Charlie B BARSTOW**

Played from 1905 to 1913. A right handed medium pace bowler, Barstow played 21 times for Queensland. For Souths he took 365 wickets at 8.89. Most wickets, 86, in the 1906/07 season is still a club record. His best performance was v Oxley in 1909/10, when he secured 10 for 34. He came to Souths from the Eltons Junior Club and after 1913 played for Toombul.

### **J Sidney REDGRAVE**

Played 1909 to 1941. This right handed batsman and right hand medium paced bowler played 18 times for Queensland. His career figures for Souths were 5448 runs at 29.13 and 497 wickets at 14.10. He scored 732 runs in 1909/10 and most wickets in a season was 46 in 1914/15. He toured Queensland with Victor Trumper's team in 1906 and was brought to Queensland as state coach in 1908 a position he held for over twenty years.

### **F Cecil THOMPSON**

Player 1925 to 1930. A right handed batsman and right hand bowler who played 54 times for Queensland. His career figures for Souths were 2268 runs at 84.00 and 102 wickets at 16.01. In 1925/26 he scored 839 runs at an average of 279.66 including five centuries. He scored 134 in his first Sheffield Shield innings against New South Wales. This was the first century for Queensland in the competition. In 1928/29 he played for The Rest v Australia.

### **Ronald G ARCHER**

Player 1944 to 1959. First played in the school boys team at the age of eleven. Ron was a right handed batsman and a right hand fast medium bowler who played 35 times for Queensland and 19 times for Australia. For Souths he scored 1284 runs at 28.53 and took 106 wickets at 15.73.

### **Peter J ALLAN**

Played 1955 to 1979. He was a right hand fast bowler who played 52 times for Queensland and once for Australia. For Souths, Peter secured 228 wickets at 14.19. In the 1965/66 Sheffield Shield season he returned figures of 10 for 61 in an innings against Victoria.

### **John A MACLEAN**

Played 1958 to 1979. John first played for Souths schoolboys. A right handed batsman and wicketkeeper played 96 times for Queensland, including thirty four as captain, and four times for Australia. For Souths he scored 3399 runs at 28.32 and claimed 226 catches and 46 stumpings.

### **Desmond FE BULL**

Played 1959 to 1969. A left handed opening batsman and left hand slow medium bowler, Des played 67 times for Queensland. For Souths he scored 3874 runs at 53.06 and secured 74 wickets at 13.79. His highest score was 206 in the 1961/62 premiership final against Western Suburbs. During the 1965/66 Sheffield Shield match against Victoria he batted throughout Queensland's innings scoring 167 not out. This was the same match in which Peter Allan secured his 10 wickets.

**Donald G MUDDLE**

Played 1960 to 1970. A right hand fast bowler and right hand batsman, Don played 11 times for Queensland. For Souths he secured 505 wickets at 15.12 and scored 1669 runs at 16.04. In the 1963/64 season he captured 76 wickets and his best club performance was 8 for 20 against Valley in the same season.

**Robert E PARKER**

Played 1965 to 1977. A right handed batsman and right hand leg spin bowler, he played 25 times for Queensland. For Souths Bob scored 4672 runs at 37.07 and took 218 wickets at 21.54. He was one of a large number of country cricketers to have played for Souths over the years.

**Gregory S CHAPPELL**

Played 1973 to 1984. A right handed batsman and a right hand medium or spin bowler played 52 times for Queensland and 87 times for Australia, Greg captained at all three levels. For Souths he scored 1849 runs at 45.09 and captured 65 wickets at 17.02. He was one of Wisden's 5 Cricketers of the Year in 1973, and his performances for state and country are well known.

## **EPILOGUE**

After reading this encyclopedia Souths, one thing should be clear to the reader.

This club has been built on the sweat and work of many people, both named here within, and not named. Over a century of members, both playing and volunteers who simply saw this club as worth their time and effort to make it greater.

This club has been, and is now and into the future, the sum of its people. Whilst the club house and grounds have changed over the years, the love and respect for the game of cricket by its people will continue to see this club forward for another one hundred years.

### **Souths Team Song**

I was standing by the corner when a copper said to me,  
     If you're one of them Souths boys,  
     Then you better come with me!  
 He took me by the shoulder and tried to run me in.  
     I clenched my fist and knocked him stiff  
     And then began to sing.  
 We are the magpies, we are the team,  
 We can't be beaten, that's easily seen.  
 At the end of the season you know the reason  
     Why we are the premier team.  
     Did we win?  
     We Shit it in.  
     How did we do it?  
     Easy!

Short Note on the team song –

South Brisbane, in the late 1800's and early 1900's was a particularly rough area, known for drunkenness, debauchery and general unsavoury behaviour. It is not the vibrant Southern heart of the City, with booming residential, the Southbank gardens and very popular restaurant area.

The old docks, on which the Southbank gardens are now situated, brought in many port workers and sailors from all parts of the world.

This is likely the beginnings of the rough reputation that Souths players had.
