ABOUT US

The South Brisbane District Cricket Club (SBDCC), also known as the Souths Magpies, is one of the oldest and most successful grade cricket clubs in Queensland. We have a proud 123-year cricket history and have produced some of Queensland and Australia's best cricketers.

We are one of the founding Brisbane Premier Grade cricket clubs and proudly boast a number of premierships including First Grade premierships in our rich history.

Our club provides a specific pathway for both male and female cricketers to explore and fulfil their cricketing dreams in a safe and family friendly environment.

We extend an invitation for you to sponsor our club and benefit from our success. As a well-established club located in a community experiencing rapid population growth, we believe that building a relationship with us will provide an excellent opportunity for your business to increase your exposure and strengthen your position within the local community, whilst also supporting a vital community organisation.

Why Sponsor

The Magpies currently have a member base of over 300 and fields 10 teams including a Lord's Taverners team (under 16), seven senior mens teams and two womens team. We also work closely with our junior counterparts to support development through the Queensland Sub-District Association.

The club's facilities are located at Fehlberg Park in Fairfield and consists of three playing fields including Norman Gray (main oval), Bob Young and Jack Cooke Ovals. The Club boasts a modern clubhouse that was completely extended and rebuilt after being submerged in the 2011 floods, as well as a high quality 9 net training facility. Use of the club's facilities is not just confined to club members, with a number of organisations regularly using these facilities including Queensland Cricket, St Laurence's College, Somerville House and AFL Queensland. The club also hosts visiting teams including England Lions, Zimbabwe, PNG and USA women in 2017/2018. During the 2019/2020 season, we hosted WNCL games for the first time, with the Norman Gray Oval welcoming the Konica Minolta Queensland Fire for two one-day games as well as hosting a neutral clash between Tasmania and Western Australia.

These associations when combined with the recent large population growth in the area along with our club supporters and member base make this an incredible opportunity for sponsors to promote their brand and business while supporting local community cricket.

Our current head coach is Kepler Wessels, former Australian and South African international, who with his impressive resume and international experience has brought a level of professionalism to our club not often seen in club cricket.
