1 Notices

1.1 NOTICE OF ANNUAL GENERAL MEETING

NOTICE IS HEREBY GIVEN that the One Hundred and Twenty Fourth Annual General Meeting of Members of South Brisbane District Cricket Club Inc. will be held at the South Brisbane District Cricket Club, John McKnoulty Clubhouse, Venner Rd, Fairfield on Wednesday, 21 July 2021 2020 at 7.00pm.

Agenda:

1. Opening of Meeting and Welcome to Members and Visitors
2. Apologies
3. Confirmation of Minutes of Previous Annual General Meeting
4. Presentation on Club Activities 2020-2021
5. Receipt of Annual Report and Financial Statements
6. Speakers to the Annual Report
7. Nomination of Life Member (if required)
8. Election of Office Bearers
9. General Business

Mark Dash

(Honorary Secretary)

29 June 2021

1.2 Postponement of AGM (to 4 August 2021)

This morning the Executive of Souths met to discuss the Annual General Meeting scheduled for tomorrow night.

The Executive discussed the current COVID restrictions (face masks and social distancing requirements) and the lack of a final audit opinion from our Auditor on the 2020/21 financial report.

As per the constitution, the club cannot hold an AGM without Audited Financial Statements from the previous year. It is critical this is complied with to provide members with a complete set of accounts with third party verification. I believe that the right course of action is to postpone the meeting until this is fully complied with. I see this as a critical item in maintaining the integrity of the committee process (which you have entrusted to us).

For full disclosure (financially), the club remains in a healthy financial position:

- Cash at Bank as at year end (31 May) - was \$77K
- The financial result is expected to be break even for the financial year (up from last years deficit of \$42k)
- This includes expenditure of over \$85k on cricket infrastructure last year
- Draft accounts have been submitted to the auditor - Once the executive has the final audit report, it will be distributed to all members prior to the meeting.

Also, based upon the current COVID requirements, the club would need to limit the number of people attending the AGM to 40 plus require face masks to be worn at all times. The club is proud of our COVID compliance record and we felt this added to the decision above to postpone - to ensure the maximum number of people are able to attend the meeting.

Given this decision, all current applications for committee roles will be held as is and the absentee voting period will be extended. I encourage all members to attend that AGM in person or electronically and to vote (either in person or Absentee vote).

I sincerely apologise for this decision, but I believe this is in the best interests of the club and our members, to ensure compliance with the constitution and provide members with better access due to COVID restrictions.

If you have any questions, or would like to access any information that the committee has been discussing (including meeting minutes), please feel free to contact me on 0419 739 023 or direct message us through the Souths Facebook and Instagram pages.

Thank you for your understanding.

Brendon Gibson
President
SBDCC

1.3 Postponement of AGM (to 12 August 2021)

Dear Member (Magpies)

With the Queensland Government Health Orders (COVID) extended until Sunday 8th August (4pm) - impacting the 11 local government zones in South East Queensland - and in compliance with this order, the executive of the SBDCC has decided to delay the AGM again until Thursday 12th August at 7pm. The meeting will also be moved to a virtual meeting (over Microsoft Teams or Zoom).

I apologise for the second delay to this meeting. The delay will allow the executive to get the meeting staged virtually and allow a greater number of members to attend (virtually). I encourage all magpies to attend, send in questions and hear what the club has planned not only for this coming season, but plans for the future.

The club remains in a strong financial position and is planning for further investment and growth over coming seasons. As promised in my last email, I attach a copy of the Audited Financial Statements of the SBDCC for the past year (ending 31 May 2020). The financial outcome shows a surplus of approx. \$28k for the 2020/21 season. This result cannot be viewed in isolation and is the result of hard work from all members and committee members over the past few years. There is a lot of detail in the numbers which I will go through at the AGM.

A link to the meeting will be sent closer to next Thursday. I strongly encourage all members to attend the meeting.

If you have any questions regarding the AGM or financial result, please feel free to contact me on 0419 739 023 or DM me or the Souths Instagram or Facebook accounts.

Thank you

7 PRESIDENT'S REPORT

It is a great privilege to present this report as President of this great club with nearly 125 years of history. We are a proud club. A club that has earned respect. The club of Chappell, Trimble, Redgrave, Archer, Cutting and Stanlake.

We are also the club in many respects, of modern day cricketers with fight.

This is what I saw during the 2020/21 season.

The season got off to a rocky start – with COVID materially impacting the preparation for the season and re-scheduling of some games. We were lucky to play a full season – something many southern states did not experience. For this, we were very grateful.

The club also experienced a combative period at the start of the season in which we experienced a high degree of turnover on the committee. However the past year has been incredibly rewarding and has seen the continuance of the turnaround of our fortunes. It will long be remembered as the period in which we moved forward with one purpose. I would like to thank Jason Lunt (past President) and Corey Curran (past Secretary) for their contributions to the club and impact they had on this turnaround.

My core messages to the players for the season were simple.

- Communication is key
- We compete for every ball
- Do your homework

A season of ups and downs – but one that sets us up for the future.

The club experienced a number of highs and lows during the season. The highlights of the season came in many forms – not the least:

- 6th Grade one day premiership - the first premiership in six years in any competition (first final in five years)
- Lord Taverners minor premiership and semi-final – lead the South zone points during the regular season and first Tavs semi final in nearly a decade
- Women's semi-final – The Jodie Fields Shield side made the semi-finals for the second year running. Unluckily short of a final by 15 runs after a tense game against eventual premiers University.
- 4th Grade semi-final – determined effort by the 4th grade side lead by Corey Taylor to make the semi-finals in a grade that has been very challenging for Souths for a number of years

As President of the club however, my overall highlight was that all grades (from Mens 1st Grade to 6th Grade, Womens, Taverners, Under 19s, Warehouse and sub districts) were all in the finals race until late January. The club has not gone so deep in all grades for a very long time. This showed the underlying effort that was put in by all players and how we played a lot better than the 8th in the club championship would show.

1st Grade as our flagship showed real determination scoring regularly over 300 runs each innings. After 8 rounds of the season we had one victory and seven draws (technically undefeated). While we struggled to bowl sides out, our determined batting kept us in all games – a true testament to the players lead by Lucky Peterson and coached by Kepler Wessels.

Special congratulations to Aryan Jain (most runs in first grade - 2 day cricket) and Corey Taylor (most runs in 4th Grade) for the special seasons they had.

Constitutional Reform

The club made strong advancements in its internal governance processes. At the 2020 Annual General Meeting, the club committed to reviewing the Constitution and to make a number of amendments to renew the Constitutions currency, review membership classes and provide further direction to the club moving forward.

On 31 May 2021 the club held an Extraordinary General Meeting to determine the proposed amendments. The changes, amongst other things, included:

- adopting new colours (green and maroon);
- new membership processes and expectations, including removal and appeal;
- new voting structure;
- removal of proxy voting and adoption of absentee voting;
- new end of financial year for the club; and
- AGM to be held in July in the future.

It was terrific that all members present adopted the 275 amendments with an unanimous vote. These amendments will put the club in good stead into the future.

Looking forward

The committee has worked hard over the off season in 2021. The committee is determined to set up the club for success in the future. While a lot of these changes are painful, they have been made with a lens of “what is best for the club long term”. As President, I am determined to return the club to its rightful place – the strongest Premier Grade Cricket Club in Queensland. This will not be easy, but we are aiming to be the best.

We are also determined to see the club’s cricket infrastructure improve. The committee has an ambitious program to upgrade all cricketing infrastructure at Fehlberg Park – to turn the facility into a first class arena. This must include a material upgrade to cricket and change facilities to cater for the growth of womens cricket in the South Brisbane region. The club is 100% committed to the growth of womens cricket – and we will make announcements in the near future on this growth.

The next two season will see a dramatic improvement in the overall results of the club (which I am confident of). I implore all past members to get involved again – we are on the move !!

Thank you

Finally, as President, all I do is claim credit on behalf of the tireless workers our club has. Without our volunteers, coaches and workers, cricket would not be possible.

I would like to thank:

- All players and members for their support over the past season. Thank you for allowing me to lead you. Your efforts and passion for the club is what keeps us driving forward.
- Committee members (past and present) – thank you for the dedication and efforts to take the club forward. Your support has been first class.
- To all our volunteers – thank you for your efforts. You're the glue that keeps our club moving forward (no matter how small the effort). Our club is forever grateful.
- Our coaches – you are what sets Premier Grade Cricket apart from all other clubs. The ability to attract high quality coaches (lead by Kepler Wessels) is what will set us apart in the future.
- Finally, I would like to thank my family for allowing me to put in the time I do as President. Without this support, I would not be able to lead this amazing club as President.

Go Magpies – on ward and upwards.

8 TREASURER'S REPORT

I am pleased to report that SBDCC has had a positive financial result for the 2020-21 period. With a bank balance of \$77K, we also recorded an operating surplus of \$28K in comparison to the loss of \$42K during the prior period. Although there was a spike in expenses by 39%, we also managed to have an increase in our income by 87%. To achieve this result even with the impact of COVID-19, has been a monumental effort by all those involved.

Summary of Significant events impacting on Finances

There were a few times that we had to close or have restrictions around the club during the season due to COVID-19 government restrictions that limited our club routines of generating income mainly through canteen sales.

The canteen operations were outsourced, thus reducing the purchases component in the canteen for the club. This has played a major role in eliminating the operating deficit we were in the prior period.

Capital purchases such as the Picket Fence on Norman Gray and Jack Cooke, walking sprinkler, boundary rope and mobile net have been some of the major capital expenses incurred during the year.

Income Features

Membership Fees were up by \$14K in comparison to the prior period. This could not have been achieved if not for the hard work put in by the club debt collector Mr. Peter Strain. Thank you for the mammoth effort put in by you.

Grant income has increased by \$25K in comparison to the prior period. All thanks to the efforts of Julie Isoardi and Alex Robynson, putting in a lot of time and effort to try secure more and more funding for our club.

Expense Features

The largest expense during the period has been the Picket fence which cost us \$37K during the period.

Coaching and Salaries have been the next largest expense during the period which amounted to over \$38K.

In conclusion the club has been able to withstand the challenges thrown at us by these uncertain times and we have had no debt, new capital purchases and a loyal membership to provide us with a solid foundation for the future from a financial perspective. I acknowledge and thank Mike Lee and Savi Illangamage for the continuous support with the finances over the period.

Umhar Samsudeen

9 QLD CRICKET DELEGATES' REPORT

Report by Brendon Gibson

The relationship with Queensland Cricket had many facets this year mainly due to the many implications that COVID had on our game. The year started off promising with Queensland Cricket announcing an ongoing increase to Premier Grade clubs of \$20k per annum. This was welcomed by Souths given where our program of works is currently at.

Queensland Cricket underwent a large change during the year – driven by the uncertainty of COVID on the international schedule, reduce funding from Cricket Australia and the potential lack of crowds for the Domestic Season. Queensland Cricket put through a restructure that saw 34 positions leave the organisation in line with reduce funding from CQ (mainly driven from the dispute with Chanel Seven).

Queensland Cricket decided not to pass this reduction in funding through the affiliates (a decision we applauded), and chose to manage their finances much tighter than in the past. QC will also end up spending in excess of \$25m – mainly from Cricket Australian and the Queensland Government – on the Norths Facility at Shaw Road and Allan Border Oval.

The lack of crowds did not eventuate and Queensland Cricket are likely to post a surplus of \$4m last financial year. QC should be congratulated on this result.

Our view of this result however is into the long term. The club see no reason why this result should be continued into the future – leaving enough funding for QC to build up reserves but also generously funding affiliates to a much higher tune going forward. This is what Clayton and I will continue to pursue as we enter the QC AGM period.

I would like to thank Clayton for all his hard work this year – not only as a delegate – but also along with Corey Curran as the key Architect of our constitutional re-write. That you both for the hard work and dedication to the club.

Brendon Gibson

Report by Clayton Bradford

After signing off last year, I was encouraged by our President to remain as a delegate.

The past year has been one of significant challenges, not the least in cricket.

The fact that Cricket Australia and Qld Cricket got a domestic, and international season completed is one of some amazement and assisted in ensuring the sound financial position the Association is at this time.

It is my understanding that the cash surplus position of Qld Cricket has improved markedly due to grant payments from Cricket Australia. If you remember, Qld Cricket previously carried the risk / reward of ticket sales for the Gabba (with little control over scheduling, teams etc).

When we agreed to the new financial model with Cricket Australia, we transferred that risk/reward to Cricket Australia in exchange for a more sound, predictable level of funding from media rights and other income sources.

This arrangement is now bearing fruit for the association and sees the game in good position.

We still, as an association, are the major stakeholders in the well performing (at business level at least) Brisbane Heat and we cannot forget the positive impact that the Heat as a business has had on our finances, particular at the time the Association was in a fairly dire financial state.

That being said, it is my role as a delegate to ensure that we hold the Association to account on how those surpluses are to be spent to ensure the ongoing financial stability of the game in Queensland.

Next year (2022-2023 season) is the 125th anniversary of both the Brisbane Grade Competition, and of the creation of South Brisbane District Cricket Club. I have already indicated to QC that I believe we should celebrate this fact with the other foundation clubs, Valley District and Toombul District.

I look forward to a huge party next year for us all.

Clayton Bradford

1st Grade Captains Report:

Finishing 9th in Two Day cricket, and finishing last in both the One Day and T20 competition showed that the team's inability to win games continued throughout all formats this season. With a new batting game plan in place from head coach Kepler Wessels, our batting performances improved enormously as a team going from getting skittled within a day in previous seasons to only getting bowled out once in a day in all two day games throughout the year. Now that we have the confidence knowing we can bat a full day quite comfortably, new goals and ambitions for the upcoming season will be discussed with a way forward to better our 2020/21 season with the main focus on bowling teams out.

As far as our season was concerned, a few of our players achieved competition and club related milestones: Aryan Jain ranked number 1 on the competitions Two-Day run tally at an enormous 740 runs with a career high average of 74. He and Brandon Faber also passed 1,000 Two-Day 1st Grade runs for the club.

The pick of the batsmen was Aryan Jain as he finished rank number 6 in all formats with 907 runs at an average of 50.39 with a career best high score of 157. Myself, Aryan, and Brandon all for 2 centuries for the year with Jamie Eccles hitting the three figures on one occasion. A number of power hitting cameos from James Rosewarne at the bottom of the order throughout the season also positioned us nicely to win games with an average of 36.45 and 401 season runs. On the bowling front, Rosewarne was our leading wicket taker with 23 wickets closely followed by James Ward on 21, and Matthew Wiseman on 18.

I would like to thank our First Grade coach Kepler Wessels who has definitely made a positive impact in his two seasons in charge. Kepler demands high training standards, a hunger to compete each delivery, and has specifically worked with each player in setting season goals. I have no doubt that under Kepler the team will only benefit from someone of his experience and with his guidance can turn good first graders into QLD players.

I would like to extend the team's gratitude to our scorer Greg Bartlett for his tireless efforts yet again for his 3rd consecutive season with the mighty Magpies. We would also like to thank you for the photographs you took of all the players making their First Grade debut. Special moments like this will be forever remembered by the individual and team. A special mention to Gian who also helped out in Greg's absence.

Now to our manager Mark Dash. We want you to know how much we appreciate everything that you do for us during the long season. We cannot thank you enough for the work you do quietly and effectively without any fuss or bother each week. You definitely make it easier for Kepler and I to do our jobs on game day. Your support, devotion, and advice when needed is unquestionably appreciated by the entire team and we hope you continue to be our manager for many years to come and hopefully with some silverware in the cabinet!

I must thank the committee for their tireless efforts and for the great facilities that they provide for us all. There are exciting times ahead for 1st Grade and we are well positioned to improve on last season's efforts. Planning for a finals berth in all formats for the coming season is not unreasonable since it is hard to believe when looking at the 1st grade ladder that but for a few disastrous batting sessions we may have been in the running for a finals spot.

With high expectations and ambitions of many individuals in the team for future honours I have no doubt that we will lift and strive for great success in the coming season. We have such a good base from which to build and I look forward to being a part of it.

Emmanuel 'Lucky' Peterson

2nd Grade Captains Report:

The 2020/21 season was one of high anticipation for the 2nd Grade side, after exceeding expectation in the 19/20 season. With prospects for the squad to be involved in finals for all 3 formats. Unfortunately, we were unable to reach these expectations, however the effort, commitment & comradery of the squad cannot be questioned. Whilst on the surface we may not have improved on last seasons performance, those who were involved with the team during the year would know we were a better side. Often a side without a lot of luck & a side that was 'the hunted' not 'the hunter' as we were the season prior.

This season saw the immergence of Brandon Honeybrook & the constantly improving Corbin Zeller shine with the bat. Neither of these performances were by chance, with two of the hardest working players on their craft, in the club. Both men were very unlucky to not play 1st Grade during the season, timing being their

worst enemy, with the batsmen in 1st Grade having dominant seasons with the stick. Newcomer to the club, Smit Mehta, brought so much energy & competitiveness to the team, which eventually resulted in him receiving 1st Grade honours, congratulations Smitaaa!! We were afforded the opportunity to blood up & coming talent in Aaron Joby & Connor McMillan. Both young players with bright futures ahead of them, first grade honours not to far on the horizon, I'm sure. The 'old' brigade of Umhar, Robbo, Arlen & Marbles, always bringing energy, passion & culture to the side, something that is often underestimated, but has enormous impact.

I want to thank every single player who played their part in the 2nd Grade side this season. It makes the job of the Captain, much easier, when you have 10 blokes lined up bedside you, who you know are going to work, fight & enjoy every moment with each other, week in week out. I look forward to the 2021/22 season & the challenges, success & enjoyment that will come with it.

A big thank you to Gibbo & all the committee members, for your hard work & dedication throughout the season. Often work that is unheard & unseen, however vital to the running of the Club.

Selectors, scorers & managers for all their hard work this season. Often thankless jobs & roles that many do not want to do. A massive thank you to you all.

Shorty, your dedication & care for the team cannot be questioned. I know I speak on behalf of all the boys, we are extremely grateful for the time & effort you gave to us. Thank you mate!!

Marky Mark & Gian Taviani, our ever reliant scorers. It would be hard to find a more thankless job, yet the both of you bring passion for not only the role, but for the team. The boys & I cannot thank you enough for your time & efforts for us during the season, absolute legends.

Robbo, happy retirement old man. All the best in your post playing career, although I'm sure you will answer when the Diesel calls. Thank you for all your efforts the past 2 seasons, greatly appreciated.

Notable Performances:

Batting

Brandon Honeybrook – 111 vs Valleys

Alex Robynson – 108 vs Wests

Corbin Zeller – 126 vs Norths

Bowling

Trent Pearce – 5/41 vs Sunshine Coast & 5/62 vs Valleys

First Grade Debuts

Sam Geyer

Smit Mehta

3rd Grade Captains Report:

After playing a few a games last year (2019/2020 season) and filling in for our 5th grade team, it's fair to say I got the cricket bug back. I was then invited to meet with our Cricket Committee about a potential third grade captains' role during the offseason and agreed to take on the job. With many of our more experienced players retiring in bunches recently, one of the concerns of the Cricket Committee was having a lack of experience and senior players to lead our lower grades, along with identifying and harnessing our talent. I never stopped loving the Club, but now with the passion of the game back I was eager to get stuck into the year ahead (to the point where I plodded on down to Greg Chappell Cricket Centre and took out another mortgage to fund a new cricket set).

Our pre-season started the way I thought it would – plenty of excitement, new players, a lot of bad cricket, a few comments around my age, and a number of blokes who overindulged in the off season. A couple of things immediately struck me during these sessions – there was a lot of young talent in our club, but a lack of seriousness and competition for spots for the upcoming season. It was great to see so many of players get along, but it was a bit too friendly and I would have loved to see more grit and willingness to win. From this point in time I knew that talent wasn't going to be an issue and that our focus needed to be creating a culture of winning at all costs, which at that end of the season I believe we improved on.

Highlights of the season included:

- Round 1 - Valleys – winning the toss and electing to bowl. Valleys ended up 3/300 odd. Not a great start. Great hear to pull off a draw.
- Round 2 vs Toombul – with out backs against the wall we nearly pulled off one of the great run chases. In hindsight we believe there was a miscalculation on how many overs we should have batted for. Toombul 308, Souths 7-286. Smit Mehta 5/56, Harrish Kannan 86 and one of the best catches I've seen at deep square leg.
- Round 3 vs Redlands – rain abandoned.
- Round 4 vs West – another draw. Well batted Aaron Joby for 157 not out.

- Round 5 vs Wynnum – first win of the season. Special mention to Dom Coote who ripped through their team second innings and finished on 5/30 off 8 overs, and Sid Barnes who caught a one hander, horizontal screamer at point.
- Round 6 vs Valleys (one dayer) – close victory. Great win, and great celebration that night.
- Round 7 vs Wests (one dayer) – bad loss to an inferior team. No intent with the bat and lost wickets in bunches.
- Round 8 vs Redlands (one dayer) – great win in the last over. Hats off to club great Peter Strain for a match winning 81 not out.
- Round 9 vs Toombul – rain abandoned. Bad loss for us. With a win here we would have been in the one-day semi-finals.
- Round 10 vs Gold Coast. Guttsy draw against top of the table team.
- Round 11 vs Uni. Bad loss against a team we should have beaten. It didn't help playing on a wicket second week that was completely different than the week before. I don't say this often, but that was a disgrace.
- Round 12 vs Sandgate – great team win off the back of some guttsy lower order batting first innings. Another highlight was Lachy Petersen's six over point when batting.
- Round 13 vs Norths – difficult loss at the end the year, but some enjoyable moments second innings topped off by Max Edmonstone clearly showing he's the worst bowler in the club.

Cricket is a funny game; I "retired" ~5 years ago due to stress fractures in my back and generally losing the love of the game. At that point of time I focussed on my career and boxing, and cricket just became irrelevant in my life to the point where I really didn't even watch the game on TV anymore. When I picked the game back up, I immediately remembered why I missed it. Souths is a club community full of great people with a common goal. I'm definitely looking forward to next year, and continuing to see the development of some great players coming through the grades.

Mitchy

4th Grade Captains Report:

The 2020/2021 season for fourth grade was one of real growth. The 2019/20 season was a real tough slog for the team, with the team only managing a single two-day match win. On the back of the 2019/2020 season we saw a real shift of optimism within the fourth grade and the club with some strong individual performances, which kick-started our season. Ollie Lunt, Oliver Anderson, Lachlan Peterson and Peter Strain really lead the way early in the season helping to get us into a side that could bat for long periods of time, which was a significant improvement on seasons past. Individual confidence was high, but we couldn't achieve a complete team performance with the first three games being draws and losing the fourth game.

The game against Wynnum was a huge momentum builder for our side. The game looked over very early with a poor batting display by the top order. Until Connor McMillan and Liam Sciacca came together putting

on a match-winning partnership to set up a competitive target. With the ball, we put on whole team performance to get us over the line, plus some great captaincy on my behalf to not allow the boys to have a drinks break as I ranted along, which delivered us a great win.

After Christmas, we continued on our positive momentum and had a great win and performance over Gold Coast, with myself getting 114 and Tom Carney taking a match-winning 6/51 off 25 overs.

After the Gold Coast game, the team changed drastically due to school cricket. This saw the emergence of Will Eberhardt, Justin Lee, Aiden Lee and Noah Vojinov as constant performers for the side. These boys pushed us to continued success for the side post-Christmas with a win against University in which Will Eberhardt got 118 and nearly saving a draw against Sandgate.

Coming into the last round of the season, we were sitting outside the top four. We needed to win our game against Norths and for results to go our way. We started off well with a remarkable bowling performance from Aiden Lee, getting 6/20 bowling Norths out for 115. In reply, we struggled early with a few run-outs which left us 4/33 overnight, but we managed to claw our way to victory on the back of Liam Sciacca, Michael Lovell and Lawrence Miles. The greatest moment was seeing big Ali Khaliq hitting sixes everywhere on to getting 52 and scoring the winning runs with a six. This was a huge moment for us, and to later find out that we had booked our place in the finals was an awesome feeling.

The semi-final took place against Redlands, who were a strong team. We started the game off well but dropped catches and missed chances cost us. A mega performance for the Redlands boys took us out of the game. Huge shout out to Josh Barlett whose effort and determination to drive us on a really flat wicket was incredible to see.

I would like to thank the older boys that played for us this season and really aided the team and me in getting to where we did. So, thanks goes to Lachlan Peterson, Peter Strain, Lashaylen Moodley, Louis Ellery and Danny Tarabay.

It was really positive to see the emergence of Will Eberhardt, Aiden Lee Ollie Lunt, Oliver Anderson, Connor McMillan, Justin Faber, Noah Vojinov and Ali Nasar. You all have a huge future at this club and should all strive for bigger honours in the upcoming season.

There is also a strong contingent of players who have been in and around fourth grade for a couple of seasons, and I would like to thank you for your continued support and hope you all maximise your talents and continue to push others around you. Thanks to Ali Khaliq, Tom Carney, Kasey McMillan, Liam Sciacca, Michael Lovell and Lawrence Miles.

On the back of the 2019/2020 season, if you told me that the next season we would play finals, I wouldn't have believed you. To achieve what we did was incredible and everyone who played their part fully deserves the success we brought to each other. Moving onto next season, we need to contribute more sustainable team performances rather than relying on individual performances and I believe with the hunger and desire we showed last season, we could go even further next season.

Thank you all.

5th Grade Captains Report:

Coming into the 20/21 season for Fifth Grade, there was a strong desire to replicate the previous seasons results. The previous season saw Fifths make it to both the one day and two day semi-finals which was a huge achievement. Whilst we didn't see the results we wanted to in those finals, we knew we had it in ourselves to carry the momentum through to the 20/21 season. The start of the season saw the playing group retaining some of those who played a part in the previous seasons success, where as there were many new faces to replace those who had climbed the grades off some quality performances and big pre-season efforts. This opened up opportunities for more younger players to have their first taste of grade cricket, or more opportunities to play a key role. Players like Dylan Crees and John Isoardi, who were having a strong Tavs showing, and Connor McMillan and Justin Faber who played key roles in the Tavs team in the previous year.

The first half of the year was particularly trying for the bowlers, who had to battle against exceedingly dry conditions and flat pitches. As usual, the season started with two-day matches, which saw us battle against teams in some close games. Despite starting off with a loss against Valleys where Dylan Crees scored a maiden grade half century, we rebounded to grind out three consecutive draws against Toombul, Redlands and Wests. Special mention in those games goes to Ted Roker for a memorable 76 against Toombul. We saw our first taste of victory against Wynnum in round five, who outrighted us the year before so we were eager to make amends. Staring with the ball was Anis Ahmed who took five wickets in the first innings to set us up nicely, needing to chase 215 for a first innings victory. This saw Hugo Malone craft a brilliant 67 to see us to victory, chasing the runs 7 down. That was the final two-day match of the year, and we went into the one-day games with some positive momentum. Despite Will Eberhardt's best efforts with the bat scoring 88, we went down again to Valleys in the first game. We rebounded well, securing two victories in the next two games again Wests and a particularly strong Redlands team.

The second half of the season started off with an unfortunate cancellation due to a COVID induced lockdown. Round 10 saw the return of the two-day games and a draw against one of the University teams, with Michael Lovell producing a 50. Another draw in the following round saw us needing to secure wins in the remaining rounds to challenge a spot in the finals. However, this wasn't to be the case with us going down in the last couple of games to Sandgate and Norths. This meant we unfortunately didn't qualify for either finals. It was a disappointing ending to the season, and whilst it wasn't the results we were looking for there were definite positives to come from the season. The opportunities provided to some of the younger players saw them develop quickly and rise up through the grades, highlighting the quality and depth that Souths has and paints a promising picture for the future.

Liam Clements

6th Grade Captains Report:

The ladders above are an excellent illustration of the highs and lows of our season.

The highs, well, cricket doesn't get much better than winning a flag. To win South's first premiership since 2015 is a remarkable achievement for the boys. A special mention goes to Samim Eshan who belted 100 runs from 70 rocks. It was an outstanding achievement on the biggest stage and certainly put us in a position to take out the Big Dance.

The lows, well, let's just say two day cricket was a hard slog. With only one win and four draws for the two-day competition, it was tough, real tough. Despite only with the one win, we were never beaten badly and the boys always fought hard to the end. For that, I am proud.

Something I am even more proud of was the promotion of young people in our team. One of the main functions of a sixth grade team in premier cricket is to foster, nurture and promote young people. These young people ultimately become the leaders of our club. We used a total of 35 players throughout the season. I am proud to say that the majority of these players were young people.

I'd like to take this opportunity to thank the volunteers, coaches, workers and Committee. Without you we simply don't play on a Saturday so thank you.

Finally, I'd like to thank the blokes I played with on a Saturday. It was a real pleasure and can't wait to do it again next season!

Jock Scahill

7th Grade Captain's Report:

There were many positives to the season with dedication and determination shown by all.

I appreciate the support from the team and their commitment to being competitive throughout the season.

There were vast improvements to players skills and mindsets. Great support was shown by senior players, which provided the backbone and experience to the team.

A3 provided opportunity for young and taverner cricketers to experience competitive senior level cricket.

Awards

Batting Award: Malcolm Bartlett

267 runs @ 26.7

Bowling Award: Danny Boitshoko

16 wickets @ 19.63

Round Highlights 2020-2021

Round 1: Malcolm Bartlett 70 runs verse Gold Crest (Richard Ring Oval)

Round 2: Anise Ahamed 45 runs verse Northern Suburbs (Marchant Park 8)

Round 3: Noah Stern 82 runs verse Albany Creek (Marchant Park 10)

Round 4: Patrick Gibson 3 wickets for 18 verse Mater Hill (Vincent Herbert Oval)

Round 5: Sam Moodie 68 runs verse Pine Rivers (Marchant Park 2)

Round 6:	Jarrood Cooper	50 runs verse Gold Crest (Marchant Park 5)
Round 7:	-	-
Round 8:	-	-
Round 9:	Nick Quin	2 wickets for 24 verse Mater Hill (Marchant Park 2)
Round 10:	-	-
Round 11:	Danny Boitshoko	4 wickets for 25 verse Gold Crest (Marchant Park 5)
Round 12:	Rory Gibbs	129 runs verse Northern Suburbs (Marchant Park 5)
Round 13:	Nick Quinn	3 wickets for 32 verse Albany Creek (Marchant Park 7)
Round 14:	Trevor Oliver	46 runs verse Mater Hill (Marchant Park 2)
Round 15:	Noah Vojinov	4 wickets for 28 verse Pine Rivers (Marchant Park 10)

Final Comments

On behalf of A3, I would like to give special thanks to all the committee members, selectors, coaching staff, and supporters of the club for a great year.

Many Thanks,

Alister Marr

Women's 2nd Grade Captain's Report:

Another fantastic season.

After a great season in 2019/2020 where the team finished fourth and had the year end with a disappointing rained out semi-final, the girls were keen to build on that and win some silverware.

A stellar performance in Round 1 saw us defeat Redlands by 168 runs. Best were Eve Mollee with the bat with 59 off 68 balls, but hard to top was Eloise Schabe with the ball taking 7/12 off 6.3 overs.

A poor run of form saw us drop the next 3 games with one game abandoned leaving an uphill battle to make the finals. A much needed win was secured against Sandgate-Redcliffe with a victory by 111 runs. Eloise Schabe scored 58 not out off 49 balls; pick of the bowlers were Abi Curness with 2/0 and Eloise Sanders with 2/8 off her 4 overs.

The team consolidated winning 3 of the next 4 games, putting us 6 on the ladder and the mid-season break.

The team got off to a flyer with an 80 run win over Sandgate-Redcliffe in the first game after the break. Of note was Eloise Sanders' 4/10 off 8 overs in the rout of Sandgate-Redcliffe. 4 wins in the next 5 rounds saw us get that coveted final spot.

Playing the top team on the ladder in University at their place was always going to be a tough ask. Having them down 8/66 gave us dreams of a spot in the grand final at Allan Border Field. As they so often do though, late order partnerships saw them 117 giving them a target to bowl at. A bright start in the chase saw us lose the 1st wicket with the score on 34. Unfortunately, wickets fell steadily and we fell short by 15 runs. Disappointing- yes; but at least we got to play a final this season.

As captain, I am extremely proud of our efforts and achievements this season. Our team has a good balance of youth and experience. It is this balance, along with our competitiveness and 'cricket with a smile' attitude makes this team one to watch. With this foundation, womens' cricket at Souths will continue to grow.

I would like to conclude by thanking our coach, Nathan Maddox, and assistant coach Simon Bassingthwaite for their time, dedication and commitment. I would also like to thank the erstwhile Sandie Henwood for managing the team- your absence has been sorely missed and can't wait to have you back. A special thanks to our family and friends for their unwavering support.

Captain's Report:

Players – Brett Young, Andy Dunston, Geoff Nash, Scott Hartley, Jim Mundell, Matthew Brown, Troy Sanders, Adrian Watson, Andrew Watson, Paul Matthews, Martin Schmit, Time Lyne, Andrew Harris.

To the players listed above I would like to thank you for your participation in the O/40's competition. This year has seen a changing of the guard with regards to the other teams in the comp, they being on the younger side of 40 and playing a very sound game, as in can bowl and batt.

We were a little out of our depth, win the toss and have a bat and see how we go.

Very pleased that we were above to play the 4 games on offer, with the weather only impacting on the one round, pleasing also was that there was no forfeits.

New blood required from maybe some of the young 40's for the next season and looking forward.

Tom Lyne

22 Men's Under-19 One Day Competition

South Brisbane District Cricket Club Inc.
Audit Report
For the year ended 31st May 2021

Scope:

We have audited the financial statements, for the financial year ended 31st May 2021, of South Brisbane District Cricket Club Inc. The committee is responsible for the financial statements. We have conducted an independent audit of the financial statements in order to express an opinion on them to the members of the association.

Qualification:

It is impracticable to establish controls over income to its initial entry into the accounting records nor is it practical for us to confirm that all income has been received and recorded. Our audit that related to income was therefore limited to the amounts recorded in the books of account.

Our audit has been conducted in accordance with the Australian Auditing Standards to provide reasonable assurance whether the financial statements are free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) so as to present a view which is consistent with our understanding of the associations financial position.

The audit opinion expressed in this report has been formed on the above basis.

Qualified Audit Opinion:

In our opinion, subject to the above limitations as outlined above, the financial statements present fairly in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) the

financial position of South Brisbane District Cricket Club Inc. as at 31st May 2021 and the results of its operation for the year then ended.
