"Shock N Awe" Lewis was seen for a kitten wellness exam on November 23<sup>rd</sup>, 2020. Shock N Awe was found to be a healthy and happy kitten. He was tested for feline leukemia and FIV and was found to be NEGATIVE/free of either disease. I have included an image his negative test result.

Please feel free to contact me with questions or concerns regarding Shock N Awe.

Sincerely,

Ryan Reusch, DVM
