Introduction

High Mark Defence Group Ltd. is an international business development and consulting company based in Sugar Land, Texas. High Mark was established in 2000, its primary objective being to create and bring to the market leading edge military and security equipment's and solutions to homeland security, government agencies, security companies and port authorities. The pioneering nature of the Group's products, with the emphasis on R&D, which has undoubtedly been a critical element in High Mark's success to date.

High Mark Defence Group represents several international companies involved in manufacturing, research and development, defence contracting, law enforcement and security. Our facility caters for sales, marketing, distribution, product training and technical support for our range of products.

Specializing in high end equipment's High Mark has the experience and technical knowledge necessary to serve forces and agencies with the most demanding requirements. With thousands of successful orders and contracts shipped, we understand the importance of our customers receiving the right equipment when and where they need it.

Our Mission is to become the leading supplier in our market, through grasping the largest market share, establishing a strong base of clientele through their confidence and trust in the products we represent and satisfaction with the services we offer.

Message from Director

Dear Valued Clients,

I take this opportunity to thank you for your continued patronage and confidence in our products and services which inspire us to extend the best of services and enable us to provide value for your procurements and projects.

High Mark is a world-class company that focuses on supplying comprehensive law enforcement, military and security products, solutions and consulting services. The company is focused on bringing satisfaction, excellence, and top of the notch technologies together for the benefit of our clients. Our services span a wide range of high-quality offerings.

We partner with and represent several of the highest ranked companies in the world and assist them at the heart of our operations. We are always passionate about providing outstanding products and services and strive to be the leading provider for the military, safety and security markets we serve.

Thank you for all the support to date. We value your feedback and are always delighted to hear from you.

Please do not hesitate to contact me if I may be of service.

Eng. Mohd Nasser
