

## JOBCHANGE DUDLEY

Claire O'Callaghan  
Centre Manager

Hello to you all from Dudley Jobchange!

In the month of June Dudley have had a new team. The team will open 8.30am until 4.30 pm daily offering, free advice and guidance from CVs to interview techniques also a range of free courses to suit individual needs as well as a selection of E-Learning courses. Jobchange is delivering all their services face to face and over the phone who have access to a PC. If Jobchange doesn't offer what you are looking for we will find someone who does, we are a team that won't say NO!

We have weekly courses in CSCS- Level 1 Health & Safety in Construction and a monthly course in Food Safety helping customers to get the skills that get the job. Please give us a call or drop in and meet the team and the Manager Claire O'Callaghan. ## WELL DONE, THANK YOU AND CONGRATULATIONS MARK!

This month we say well done to Mark (Jobchange IT Technician) and his team on their great achievement of The Dudley 3 Peaks Challenge for Whitehouse Cancer Support Dudley.

This is what he had to say:

"To complete the loop, we finished the Three peaks Saturday but due to weather conditions (for example snow, fog, 49mph winds on top of Ben Nevis) and my back it took 28.59 not 24 hours.

It was 23 miles walked, 3064 metres climbed and over 1060 miles driven. Most importantly the final total for whitehouse cancer charity was £1238. Thank you to everyone who contributed."
