### A few words from Terrell

So I've decided to join a few friends in raising money for a good cause that I'm sure we have all been affected by. We will be running a total of 56 miles in the month of February, a massive feat to say the least! I would really appreciate any donation and will crawl my way to 56 miles!

If you would like to donate please do so on the below link or alternatively, I will set up a collections within Jobchange in the coming weeks.

I could really use your support and would love to make this worthwhile as it going to near kill me I wish you all well and will be updating the page with pictures during this grueling month.
