TIPS TO CREATING A GOOD CV

Your personal statement is the first thing a potential employer sees when they open your CV, meaning that getting it right is absolutely vital if you want them to read more about your skills. Focus on covering who you are, what you can offer, and what your career goals are – referring back to the job description to help you identify the specific skills the employer is looking for.

COMMUNITY ENGAGEMENT OFFICER

St. George's House Charity Community Engagement Officer

The role of the Community Engagement Officer is to support communities who do not traditionally engage with support systems. To be responsible for management of a caseload that promotes the engagement of unrepresented communities in services. Offer advice, support, and information on how to navigate the homelessness, health, and employment sectors.

Key to the role is to proactively engage with the South Asian community, individuals and families to support access and prevent homelessness.

Salary: £16,900 Per Annum (£13.00 per hour)

Hours: Monday to Friday: Between the hours of 9.00am and 5.00pm, 25 hours (Part-time)

Qualifications: NVQ Level 3 qualification in Social Care field desirable (or the potential and willingness to reach a similar level of qualification in line with the role)

First Aid certificate

This position is a Sessional post reliant on possibility of extension if funding is secured.

DIGITAL SKILLS

After attending Jobchange and learning some basic computer skills Anthony moved on to Entry Level 3 ICT Digital Skills course, Anthony is now ready to look for work with a brand new set of skills,. He is delighted to have received a free tablet which he can now continue to develop his ICT skills at home as well as using it for his personal use and getting in touch with friends. Well done Anthony!
