

TOMCAR[®]

ANYWHERE AND BACK[™]

INTRODUCING THE ALL NEW
2022 TOMCAR TX

”

RIDICULOUSLY CAPABLE

“The Tomcar TX bridges the gap between traditional truck-like 4X4s and lighter-duty ATV-based side-by-sides to deliver a ridiculously capable and fun ride.”

-POPULAR MECHANICS

”

”

A NEW BENCHMARK

“[The] TOMCAR TX just gave us the new benchmark for all-terrain vehicles. This off-road wonder demonstrated an insatiable appetite for the roughest conditions”

-ROBB REPORT

”

”

BEAUTIFULLY CRAFTED

“I can't tell you how amazing this beautifully crafted and engineered off-road machine is. It seems to flatten any type of terrain unlucky enough to get in its path.”

-ATV ACTION MAGAZINE

”

Conceptualized on the battlefield with military DNA, TOMCAR all-terrain vehicles are uniquely engineered to be extremely durable, exceptionally dependable, highly functional, and strongest in class for commercial/fleet applications. Over the last three decades, TOMCAR has combined all of the best aspects of ATVs, UTVs, and pick-up trucks into one product that can get you and your payload Anywhere And Back.
