

REV. T. C. PORTEUS.

ST. JOHN'S VICARAGE,
COPPULL,
NR. CHORLEY.

3 Dec 28

Dear Mr Ainscough.

Please accept this
copy of *History of Standish* with
hand coloured ~~copy~~ ^{partispiece}
which I promised to send you.

December is a month when
people buy books, and if
you can think of any others
who would be interested in
the History, perhaps you
would kindly send them
a circular. I want to
sell some more to clear the

way for another publication
which I have in mind.

A biography of Dr. Myles
Standish, together with
an account of his death
appears in the New England
Register. If you do not
take it I can lend you my
Copy.

With kind regards,
Yours Sincerely
T. C. Torrens
