Updated Guidance on Permitted Grassroots Football Activity During COVID-19 - 12 June 2020

The FA has today issued further guidance to all grassroots football and informal football activity outside the professional game following The Government's relaxation of COVID-19 restrictions from 1 June 2020.

Consistent with Government advice, published on Monday 1 June, the following outdoor football activity is currently permitted:

PLAYING FOOTBALL INDIVIDUALLY
e.g. practice of individual skills or fitness activities

PLAYING FOOTBALL WITH YOUR FAMILY OR OTHER PEOPLE LIVING IN YOUR HOUSEHOLD

FOOTBALL TRAINING OR FITNESS ACTIVITIES IN GROUPS OF NO MORE THAN SIX, KEEPING TWO METRES APART AT ALL TIMES

Sharing of equipment should be kept to a minimum and strong hand hygiene practices should be in place before and after.

Physical contact with anyone outside of your household is not permitted, therefore, playing of any games (small-sided or full) is also not permitted at this time. Avoid meeting in groups of six in busy or overcrowded areas, if it is so busy that it is not possible to maintain social distancing at all times.

FOOTBALL COACHING WITH SMALL GROUPS OF UP TO SIX PEOPLE

Football coaches can now undertake small group sessions with no more than five other people from outside your household but are reminded to follow The FA safeguarding policies when coaching/working with children. This must include risk assessing the activities, gaining consent from parents/carers. Coaches must work on a ratio of one coach to groups of no more than five children in each group (1:5) and there must be a minimum of two FA-DBS-checked adults present at any one time. – see Download 5.5 at <http://www.thefa.com/football-rules-governance/safeguarding/section-11-the-complete-downloads-directory>

TRAINING FOR TWO OR MORE GROUPS OF SIX (WITH EACH GROUP INCLUDING A COACH)

It is permissible for coaches to organise a training session that has two or more groups of five plus a coach involved, as long as the groups are kept separate, and everyone is socially distancing, and strict hygiene measures are in place.

FOOTBALL COACHES WORKING WITH PEOPLE WITH IMPAIRMENTS

Must ensure they can adequately cater for any additional needs whilst still avoiding physical contact and maintaining social distancing. Individuals should follow Government guidance relevant to their own impairment or health condition.

! Please be reminded, if an individual is symptomatic, living in a household with a possible COVID-19 infection or if you are classified as extremely vulnerable on health grounds, the guidance is that you should remain at home.

The FA continues to work closely with the Department for Digital, Culture, Media & Sport (DCMS) and Sport England in order to provide good practice guidance for those responsible for delivering different aspects of grassroots football and we will share further information as soon as possible.
