### **ONE SA IS RECRUITING IN CAMEROON**

**apply to : [direction@one-saholdings.com](mailto:direction@one-saholdings.com)**

A Chief Cooker, the individual will play a vital role in maintaining the health and morale of the project's team members. This position is crucial for providing nutritious, well-balanced meals to all team members involved in this major iron ore mining project.

#### **Key Responsibilities :**

- Prepare and cook a variety of meals for team members, ensuring that the food is tasty, nutritious, and well-balanced.
- Ensure the kitchen and food preparation areas are clean and meet health and safety standards at all times.
- Collaborate with the catering team and other staff to plan menus, taking into account dietary needs and preferences of the team members.
- Manage inventory of kitchen supplies and food ingredients, making sure that the kitchen is well-stocked at all times.
- Follow recipes and presentation specifications as set by the company.
- Ensure that food is prepared in a timely manner.
- Adhere to all sanitation and food production codes.
- Collaborate with the project's Health and Safety Department to ensure the highest standards of food safety and hygiene are maintained.

#### **Qualifications :**

- Proven experience as a Cook in an industrial or large-scale setting.
- Proficiency in various cooking methods, ingredients, equipment, and procedures.
- Ability to work in a team and good communication skills.
- Excellent physical condition and stamina.
- Understanding of food hygiene rules.
- Ability to work under pressure and manage multiple tasks.
- High school diploma or equivalent; Diploma from a culinary school will be an advantage.

#### **Personal Attributes :**

- Detail-oriented and highly organized.
- Strong team player with the ability to work with a diverse team.
- Ability to work in a fast-paced, high-pressure environment.
- Proactive in identifying issues and implementing solutions.
- Strong customer service mindset with a focus on meeting the dietary needs and preferences of team members.

A Chief Cooker, the individual will work closely with the catering team and other departments to ensure the provision of high-quality meals, contributing to the overall success of the Project
