Please include brief responses to some or all of the following questions which the Social Justice Task Force will want to talk with you about:

What services will likely be needed (driving, feeding, housing, financial assistance, legal assistance, etc.)?

What is the ultimate goal or success to be achieved?

Who else in the congregation is aware or involved with this matter thus far?

- Minister?
- FUCL's Executive Board?

What other community or religious organizations are, or possibly should, be involved in this matter?

What has been tried thus far?

- What has been the resultant outcome?

What needs to be done next?

What is the urgency and resultant time frame?

- How long will we likely need to be involved in this matter?

What potential liability might there be for the congregation, or any individual congregants that become involved, if we take on this Action Team Request?

- Legal - monetary?
- In terms of any potential danger to the parties in need or to our congregants involved?

What barriers might we face?

To what extent will funds be essential to resolving the problem?

- An estimate of the funding necessary?
- Any thoughts as to where and how this might be obtained?

What other resources would be especially helpful?

What individuals in the community or community organization(s) might be helpful in resolving the particular issue(s)?

How does this Action Request relate to our U.U. Principles?

How do you, the congregant(s) bringing this Action Request, intend to participate in and help with the creation of this Social Justice Action Team? What will be your role?
