

**Thursday April 1st,  
7:30 pm to 9:00 pm**

Dear Duxbury Friends and Neighbors,

Congregation Shirat Hayam supported by Duxbury's No Place For Hate and Duxbury For All invite our Jewish neighbors and all those who are hurting from the recent revelations about the anti-Semitic and racist terms used by the DHS football team, to come together in a safe space to share their deep grief. The timing, with Holy Week, does make things complex but we feel the need to do something now.

Rabbi Cohen of Shirat Hayam is leading a zoom space on Thursday and The Reverend Dr. Catherine Cullen will be helping out with moderating the zoom room to keep it safe.

Pre-registration is required.
